Item 1.01 Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On October 3, 2012, BioSante Pharmaceuticals, Inc., a Delaware corporation ("BioSante"), entered into an agreement and plan of merger (the "Merger Agreement") with ANIP Acquisition Company, a Delaware corporation d/b/a ANI Pharmaceuticals, Inc. ("ANI"). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, ANI will merge with and into BioSante (the "Merger"), with BioSante continuing as the surviving company.

At the effective time of the Merger (the "Effective Time"), each outstanding share of capital stock of ANI will be converted into the right to receive a number of shares of BioSante common stock, if any, as determined pursuant to the exchange ratio described in the Merger Agreement (the "Exchange Ratio") and the provisions of ANI's certificate of incorporation, and all options, warrants or other rights to purchase shares of capital stock of ANI, will be canceled without consideration therefor, except for certain warrants which although not cancelled will not represent the right to acquire any equity or other interest in the combined company after the merger. No fractional shares of BioSante common stock will be issued in connection with the Merger, and holders of ANI capital stock will be entitled to receive cash in lieu thereof. Following the consummation of the transactions contemplated by the Merger Agreement, the current stockholders of ANI are expected to own approximately 53% of the outstanding shares of common stock of the combined company, and current stockholders of BioSante are expected to own approximately 47% of the outstanding shares of common stock of the combined company. The Exchange Ratio is subject to potential adjustment as described in the Merger Agreement depending upon the amount of "net cash" of BioSante, as defined in the Merger Agreement and generally consisting of BioSante's cash and cash equivalents less certain expenses and liabilities, as of a determination date prior to the closing date of the Merger, but in no event will the current ANI stockholders own less than 50.1% (or the current BioSante stockholders own more than

49.9%) of the outstanding shares of common stock of the combined company. The Merger is intended to qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended.

The Merger Agreement provides that, immediately following the Effective Time, the board of directors of the combined company will consist of five former directors of ANI and two former directors of BioSante, and ANI’s current executive officers are expected to serve as executive officers of the combined company. In connection with the Merger, BioSante will seek to amend its certificate of incorporation to: (i) effect a reverse split of BioSante common stock at a ratio between the range of 1:2 and 1:5, as determined by BioSante and ANI, which is intended to ensure that the listing requirements of The NASDAQ Global Market or The NASDAQ Capital Market are satisfied; and (ii) change the name of BioSante to “ANI Pharmaceuticals, Inc.” or another name as designated by ANI (together, the “Charter Amendments”). No fractional shares of BioSante common stock will be issued in connection with the reverse split and holders of BioSante common stock will be entitled to receive cash in lieu thereof.

Consummation of the Merger is subject to a number of conditions, including, but not limited to (i) the adoption and approval of the Merger Agreement and the transactions contemplated thereby by both BioSante’s and ANI’s stockholders and the approval of the Charter Amendments by BioSante’s stockholders; (ii) the effectiveness of a Form S-4 registration statement to be filed by BioSante with the Securities and Exchange Commission (the “SEC”) to register the shares of BioSante common stock to be issued in connection with the Merger, which will contain a joint proxy statement/prospectus; (iii) approval for the listing of shares of BioSante common stock to be issued in the Merger on The NASDAQ Global Market or The NASDAQ Capital Market; (iv) written opinions of counsel that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code; and (v) other customary closing conditions. In addition, the obligation of ANI to effect the Merger is subject to a condition that

2

BioSante’s net cash, as calculated pursuant to the terms of the Merger Agreement, be no less than \$17 million immediately prior to the effective time of the Merger.

Each of BioSante and ANI have made customary representations, warranties and covenants in the Merger Agreement, including among others, covenants that (i) each party will conduct its business in the ordinary course consistent with past practice during the interim period between the execution of the Merger Agreement and the consummation of the Merger; (ii) each party will not engage in certain kinds of transactions or take certain actions during such period; (iii) ANI will convene and hold a meeting of its stockholders for the purpose of considering the adoption and approval of the Merger Agreement and the transactions contemplated thereby and the board of directors of ANI will recommend that its stockholders adopt and approve the Merger Agreement, subject to certain exceptions; and (iv) BioSante will convene and hold a meeting of its stockholders for the purpose of considering the adoption and approval of the Merger Agreement and the transactions contemplated thereby and the approval of the Charter Amendments and the board of directors of BioSante will recommend that its stockholders adopt and approve the Merger Agreement and approve the Charter Amendments, subject to certain exceptions. Each of BioSante and ANI also has agreed not to solicit proposals relating to alternative business combination transactions or enter into discussions or an agreement concerning any proposals for alternative business combination transactions, subject to exceptions for BioSante in the event of its receipt of a “superior proposal.”

The Merger Agreement contains certain termination rights in favor of each of ANI and BioSante in certain circumstances. If the Merger Agreement is terminated due to certain triggering events specified in the Merger Agreement, BioSante will be required to pay ANI a termination fee of up to \$1.0 million or ANI will be required to pay BioSante a termination fee of up to \$750,000. The Merger Agreement also provides that under specified circumstances, BioSante may be required to reimburse ANI up to \$500,000 for ANI’s expenses in connection with the transaction. Any expenses paid by BioSante will be credited against the \$1.0 million termination fee if the termination fee subsequently becomes payable by BioSante.

The foregoing description of the Merger Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Merger Agreement, which is filed as Exhibit 2.1 to this current report on Form 8-K and is incorporated herein by reference. The Merger Agreement and related description are intended to provide you with information regarding the terms of the Merger Agreement and are not intended to modify or supplement any factual disclosures about BioSante in its reports filed with the SEC or ANI. In particular, the Merger Agreement and related description are not intended to be, and should not be relied upon as, disclosures regarding any facts and circumstances relating to BioSante or ANI. The representations and warranties have been negotiated with the principal purpose of not establishing matters of fact, but rather as a risk allocation method establishing the circumstances in which a party may have the right not to close the Merger if the representations and warranties of the other party prove to be untrue due to a change in circumstance or otherwise. The assertions embodied in the representations and warranties made by ANI and BioSante in the Merger Agreement are qualified in information contained in confidential disclosure schedules that ANI and BioSante have delivered to each other in connection with the signing of the Merger Agreement made for purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts. The representations and warranties also may be subject to a contractual standard of materiality different from those generally applicable under the securities laws. Stockholders of BioSante and ANI are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of BioSante, ANI or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement.

3

Voting Agreements

Concurrently and in connection with the execution of the Merger Agreement, certain of ANI’s stockholders, who collectively hold approximately 90 percent of the outstanding shares of ANI capital stock as of the close of business on October 3, 2012, entered into voting agreements with BioSante, in substantially the form of Exhibit 10.1 hereto (the “ANI Voting Agreements”), pursuant to which each stockholder agreed to vote its shares of ANI capital stock in favor of the Merger, the Merger Agreement and the transactions contemplated by the Merger Agreement and against certain transactions or certain actions that would delay, prevent or nullify the Merger or the transaction contemplated by the Merger Agreement. In addition, one of the stockholders of ANI, who holds approximately 57 percent of the outstanding shares of ANI capital stock as of the close of business on October 3, 2012, has agreed to vote in favor of the election of the two directors designated by BioSante at the first annual meeting of stockholders following the completion of the Merger (the “Director Voting Agreement”).

In addition, certain of BioSante's stockholders, directors and officers, who collectively hold approximately two percent of the outstanding shares of BioSante capital stock as of the close of business on October 3, 2012, entered into voting agreements with ANI, in substantially the form of Exhibit 10.2 hereto (the "BioSante Voting Agreements"), pursuant to which each stockholder agreed to vote its shares of BioSante capital stock in favor of the Merger, the Merger Agreement and the transactions contemplated by the Merger Agreement and the Charter Amendments, and against certain transactions or certain actions that would delay, prevent or nullify the Merger or the transaction contemplated by the Merger Agreement.

Both the ANI Voting Agreements and the BioSante Voting Agreements will terminate upon the earlier of the consummation of the Merger or the termination of the Merger Agreement. The Director Voting Agreement will terminate upon the earlier of the completion of the first annual meeting of stockholders following the completion of the Merger or the termination of the Merger Agreement.

The foregoing description of the ANI Voting Agreements, the Director Voting Agreement and the BioSante Voting Agreements does not purport to be complete and is qualified in its entirety by reference to the form of ANI Voting Agreement, the form of Director Voting Agreement and the form of BioSante Voting Agreement, which are attached as Exhibits 10.1, 10.2 and 10.3 to this current report on Form 8-K, respectively, and are incorporated herein by reference.

Lock-Up Agreements

Concurrently and in connection with the execution of the Merger Agreement, ANI's chief executive officer and chief financial officer and certain stockholders of ANI, who collectively hold approximately 85 percent of the outstanding shares of ANI capital stock as of the close of business on October 3, 2012, entered into lock-up agreements with BioSante, in substantially the form of Exhibit 10.4 hereto (the "ANI Lock-Up Agreements"), pursuant to which each stockholder will be subject to a six-month lock-up on the sale of shares of BioSante common stock received in the Merger.

Contingent Value Rights Agreement

BioSante has the right in its sole discretion to issue contingent value rights (each, a "CVR" and collectively, the "CVRs") to existing BioSante stockholders immediately prior to the completion of the Merger. BioSante expects that one CVR will be issued for each share of BioSante common stock outstanding as of the record date to be set at a date prior to the completion of the Merger. However, the CVRs will not be certificated and will not be attached to the shares of BioSante common stock. Each CVR will be a non-transferable (subject to certain limited exceptions) right to potentially receive certain

4

cash payments in the event BioSante receives net cash payments during the ten-year period after the distribution of the rights as a result of the sale, transfer, license or similar transaction relating to BioSante's LibiGel® program, upon the terms and subject to the conditions set forth in a contingent value rights agreement to be entered into between BioSante and an as of yet unidentified third party, as rights agent (the "CVR Agreement"). The aggregate cash payments to be distributed to the holders of the CVRs, if any, will be equal to 66% of the net cash payments received by BioSante as a result of the sale, transfer, license or similar transaction relating to BioSante's LibiGel® program, as determined pursuant to the CVR Agreement, and will not exceed \$40 million in the aggregate.

The foregoing description of the CVR Agreement does not purport to be complete and is qualified in its entirety by reference to the CVR Agreement, which will be finalized by the parties thereto at a later date.

AGREEMENT AND PLAN OF MERGER

This AGREEMENT AND PLAN OF MERGER, dated as of October 3, 2012 (this “**Agreement**”), is by and between BioSante Pharmaceuticals, Inc., a Delaware corporation (the “**Company**”), and ANIP Acquisition Company (d/b/a ANI Pharmaceuticals), a Delaware corporation (“**ANI**”). The Company and ANI are sometimes referred to in this Agreement as the “**Parties**”.

A. The Company and ANI intend to effect a merger of ANI with and into the Company (the “**Merger**”) in accordance with this Agreement and the General Corporation Law of the State of Delaware (the “**DGCL**”).

B. Immediately before the Effective Time of the Merger, and subject to stockholder approval, the Company intends to effect a Reverse Stock Split.

C. The board of directors of the Company has approved unanimously and declared advisable the Merger, upon the terms and subject to the conditions set forth herein, has determined that the Merger and the other transactions contemplated by this Agreement are fair to, and in the best interests of, the Company and its stockholders, and has determined to recommend that the Company stockholders adopt this Agreement and approve the Company Charter Amendments, the Merger and the issuance of Company Common Stock as contemplated by this Agreement.

D. The board of directors of ANI has approved unanimously and declared advisable the Merger, upon the terms and subject to the conditions set forth herein, has determined that the Merger and the other transactions contemplated by this Agreement are fair to, and in the best interests of, ANI and its stockholders, and has determined to recommend that ANI stockholders adopt this Agreement and approve the Merger as contemplated by this Agreement.

E. It is intended that the Merger qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the “Code”).

F. In order to induce the Company to enter into this Agreement and to cause the Merger to be consummated, the Company and the stockholders of ANI listed on Schedule I hereto are executing voting agreements and irrevocable proxies in favor of the Company concurrently with the execution and delivery of this Agreement in the forms substantially attached hereto as Exhibit A-1 and Exhibit A-2 (the “Voting Agreements”).

G. In order to induce ANI to enter into this Agreement and to cause the Merger to be consummated, ANI and the stockholders of the Company listed on Schedule II hereto are executing Voting Agreements in favor of ANI concurrently with the execution and delivery of this Agreement.

Accordingly, and in consideration of the foregoing and the respective representations, warranties, covenants and agreements set forth herein and intending to be legally bound, the Parties agree as follows:

1

ARTICLE I. The Transactions

1.1 **The Merger.** At the Effective Time, and subject to and upon the terms and conditions of this Agreement and the applicable provisions of the DGCL, ANI will be merged with and into the Company, with the Company being the surviving entity. The Company, as the surviving entity of the Merger, is hereinafter sometimes referred to as the “Surviving Corporation”. At the Effective Time, and as a result of the approval of the Company Charter Amendments, the name of the Surviving Corporation will be changed to “ANI Pharmaceuticals, Inc.”

1.2 **Effects of the Merger.** The effects of the Merger will be as provided in this Agreement, the Certificate of Merger and the applicable provisions of the DGCL. Without limiting the foregoing, at the Effective Time, by virtue of the Merger and in accordance with the DGCL, all of the property, rights, privileges, powers and franchises of ANI will vest in the Surviving Corporation, and all debts, liabilities and duties of ANI will become the debts, liabilities and duties of the Surviving Corporation.

1.3 **Closing; Effective Time.** Unless this Agreement is terminated pursuant to Article VII hereof, the closing of the Merger and the other transactions contemplated hereby (the “Closing”) will take place through the remote exchange of electronic copies of executed documents on the second (2nd) Business Day after satisfaction or waiver of the conditions set forth in Article VI (other than those conditions that by their terms are to be satisfied at the Closing), or at such other place or on such other date as is mutually agreeable to the parties hereto. The date of the Closing is herein referred to as the “Closing Date”. At the Closing, the parties hereto will cause the Merger to be consummated by filing a certificate of merger (the “Certificate of Merger”) with the Secretary of State of the State of Delaware (the “Delaware Secretary”), in accordance with the relevant provisions of the DGCL (the time of such filing, or such later time as may be agreed to in writing by the parties hereto and specified in the Certificate of Merger, being referred to herein as the “Effective Time”). For the purposes of this Agreement, “Business Day” means each day other than a Saturday, Sunday or any other day when commercial banks in New York, New York are authorized or required by law to close.

1.4 **Recapitalization of Company Common Stock.**

(a) Effective as of the close of business on the Business Day immediately prior to the Effective Time, and subject to receipt of the requisite stockholder approval at the Company Special Meeting of amendments to the certificate of incorporation of the Company (the “**Company Charter Amendments**”), in the forms attached hereto as Exhibit B, the Company will cause to be filed a Certificate of Amendment to its Certificate of Incorporation (the “**Company Certificate of Amendment**”), whereby without any further action on the part of the Company, ANI or any stockholder of the Company:

(i) each share of common stock, \$0.0001 per share, of the Company (“**Company Common Stock**”) issued and outstanding immediately prior to the filing of the Company Certificate of Amendment will be converted into and

2

become a fractional number of fully paid and nonassessable shares of Company Common Stock to be determined by the Company and ANI, but which in any event will be between the range of one-for-two and one-for-five (the “**Reverse Stock Split**”); and

(ii) any shares of Company Common Stock held as treasury stock or held or owned by the Company immediately prior to the filing of the Company Certificate of Amendment will each be converted into and become an identical fractional number of shares of Company Common Stock, as determined by the Company and ANI in connection with Section 1.4(a)(i) above.

(b) No fractional shares of Company Common Stock will be issued in connection with the Reverse Stock Split, and no certificates or scrip for any such fractional shares will be issued. Any holder of Company Common Stock who otherwise would be entitled to receive a fraction of a share of Company Common Stock (after aggregating all fractional shares of Company Common Stock issuable to such holder) will, in lieu of such fraction of a share and upon surrender of such holder’s certificate representing such fractional shares of Company Common Stock, be paid in cash

the dollar amount (provided to the nearest whole cent), without interest, determined by multiplying such fraction by the closing price of a share of Company Common Stock on The NASDAQ Global Market on the date immediately preceding the effective date of the Reverse Stock Split.

(c) The Exchange Ratio determined in accordance with Section 2.2 will be appropriately adjusted at the Effective Time to account for the effect of the Reverse Stock Split without enlarging or diluting the relative rights and ownership of the stockholders of ANI and stockholders of the Company resulting from such Exchange Ratio.

1.5 **Lock-Up Agreements.** Concurrently with the execution hereof, the chief executive officer and chief financial officer of ANI and each holder of ANI Shares set forth on Schedule I is entering into a Lock-up Agreement in the form attached hereto as Exhibit C.

ARTICLE II. Conversion and Cancellation of Securities

2.1 **Cancellation and Conversion of ANI Securities.** As of the Effective Time, by virtue of the Merger, and without any action on the part of the holders of any of the shares of capital stock of ANI (“ANI Shares”):

(a) Except as otherwise provided in Section 2.1(d) or Section 2.4, each share of series D convertible preferred stock, par value \$0.10 per share, of ANI (“ANI Series D Preferred Stock”) outstanding immediately prior to the Effective Time will be automatically converted into the right to receive that number of shares of Company Common Stock equal to the Series D Exchange Ratio (as determined pursuant to Section 2.2 (all such shares of Company Common Stock to be issued pursuant to this Section 2.1(a) or 2.1(f)), together with cash in lieu of any fractional shares of Company

3

Common Stock paid pursuant to Section 2.3(d), are collectively referred to herein as the “**Merger Consideration**”).

(b) Each share of ANI’s series C convertible preferred stock, par value \$0.10 per share (the “ANI Series C Preferred Stock”), ANI’s series B convertible preferred stock, par value \$0.10 per share (the “ANI Series B Preferred Stock”), ANI’s series A convertible preferred stock (the “ANI Series A Preferred Stock”), par value \$0.10 per share, and ANI Common Stock, in each case outstanding immediately prior to the Effective Time, will be canceled without consideration therefor, except as may be provided in Section 2.1(f) for the ANI Series C Preferred Stock, the ANI Series B Preferred Stock and the ANI Series A Preferred Stock.

(c) Each option, warrant or other right to purchase shares of ANI capital stock outstanding immediately prior to the Effective Time will be canceled without consideration therefor other than the ANI Warrants which, at and after the Effective Time, will not represent the right to acquire any equity or other interest in the Surviving Corporation.

(d) As of the Effective Time, subject to Section 2.4, all such cancelled and/or converted ANI Shares will no longer be outstanding and will automatically be canceled and will cease to exist, and each certificate which immediately prior to the Effective Time represented any such ANI Shares (each, a “**Certificate**”) will thereafter represent only the right (and, except as provided in Section 2.1(f), only in the case of the shares of ANI Series D Preferred Stock) to receive the applicable portion of the Merger Consideration in exchange therefor in accordance with Section 2.3.

(e) Each ANI Share held by ANI or any of the ANI Subsidiaries or owned by the Company or any of the Company Subsidiaries immediately prior to the Effective Time will be canceled, and no payment will be made with respect thereto.

(f) In the event the product of (x) the Merger Shares and (y) the volume weighted average price (rounded to the nearest cent) of the Company Common Stock on The NASDAQ Global Market (as reported by Bloomberg L.P. or, if not reported thereby, by another authoritative source mutually agreed by the Company and ANI) for the five (5) consecutive trading days immediately preceding the second trading day prior to the Closing Date, as adjusted for the Reverse Stock Split (the “**Share Value**”):

(i) exceeds the Series D Preference Amount, but does not exceed an amount equal to the Series D Preference Amount plus the Series C Preference Amount, then that number of Merger Shares with a Share Value in excess of the Series D Preference Amount will be allocated to the ANI Series C Preferred Stock and each share of (A) ANI Series D Preferred Stock will be automatically converted into the right to receive that number of shares of Company Common Stock equal to the Series D Exchange Ratio and (B) Series C Preferred Stock will be automatically converted into the right to receive that number of shares of Company Common Stock equal to the Series C Exchange Ratio (each as determined pursuant to Section 2.2); or

4

(ii) exceeds the Series D Preference Amount plus the Series C Preference Amount, but does not exceed an amount equal to the Series D Preference Amount plus the Series C Preference Amount plus the Series B Preference Amount, then that number of Merger Shares with a Share Value in excess of the Series D Preference Amount plus the Series C Preference Amount will be allocated to the ANI Series Stock B Preferred Stock and each share of (A) ANI Series D Preferred Stock will be automatically converted into the right to receive that number of shares of Company Common Stock equal to the Series D Exchange Ratio, (B) Series C Preferred Stock will be automatically converted into the right to receive that number of shares of Company Common Stock equal to the Series C Exchange Ratio and (C) Series B Preferred Stock will be automatically converted into the right to receive that number of shares of Company Common Stock equal to the Series B Exchange Ratio (each as determined pursuant to Section 2.2); or

(iii) exceeds the Series D Preference Amount plus the Series C Preference Amount plus the Series B Preference Amount, then that number of Merger Shares with a Share Value in excess of the Series D Preference Amount plus the Series C Preference Amount plus the Series B Preference Amount will be allocated to the ANI Series Stock A Preferred Stock and each share of (A) ANI Series D Preferred Stock will be automatically converted into the right to receive that number of shares of Company Common Stock equal to the Series D Exchange Ratio, (B) Series C Preferred Stock will be automatically converted into the right to receive that number of shares of Company

Common Stock equal to the Series C Exchange Ratio, (C) Series B Preferred Stock will be automatically converted into the right to receive that number of shares of Company Common Stock equal to the Series B Exchange Ratio and (D) Series A Preferred Stock will be automatically converted into the right to receive that number of shares of Company Common Stock equal to the Series A Exchange Ratio (each as determined pursuant to Section 2.2).

For purpose hereof: (x) the “**Series D Preference Amount**” means the amount the holders of the ANI Series D Preferred Stock are entitled to receive in respect of the liquidation preference of the ANI Series D Preferred Stock described in Article VII, Section 1(a) of the ANI’s Certificate of Incorporation; (y) the “**Series C Preference Amount**” means the amount the holders of the ANI Series C Preferred Stock are entitled to receive in respect of the liquidation preference of the ANI Series C Preferred Stock described in Article VII, Section 1(b) of ANI’s Certificate of Incorporation and (z) the “**Series B Preference Amount**” means the amount the holders of the ANI Series B Preferred Stock are entitled to receive in respect of the liquidation preference of the ANI Series B Preferred Stock described in Article VII, Section 1(c) of ANI’s Certificate of Incorporation, the amount of which in each case will be as set forth in a certificate executed by the chief financial officer of ANI immediately prior to the Closing Date.

In the event any shares of Company Common Stock are issued to holders of ANI Series C Preferred Stock, Series B Preferred Stock or Series A Preferred Stock in accordance with this clause (f) then it is acknowledged and agreed that all references to

ANI Series D Preferred Stock in Sections 2.1(d), 2.2 and 2.3 shall be deemed to also include ANI Series C Preferred Stock and/or ANI Series B Preferred Stock and/or ANI Series A Preferred Stock, as applicable.

of the Agreement) and cash equivalents minus (y) the aggregate of the following obligations and liabilities of the Company, calculated without duplication (the “**Liabilities**”):

(A) All accounts payable, accrued compensation (including accrued paid time off, vacation time, bonuses and payments in respect of benefit plans) and other accrued expenses of the Company (but in each case, excluding any item taken into account pursuant to clauses (B)-(F) below), including amounts payable to any or all persons who were employees of or contractors to the Company or any of its subsidiaries at anytime up until immediately prior to the Effective Time (including former employees) as a result of (1) their termination, whether prior to or after the date hereof until thirty (30) days following the Closing (provided such amount will be calculated for purposes hereof assuming remaining employees as of the Determination Date are terminated at the Closing and which calculation will include an estimate of the maximum compensation and benefits payable to such person through the expected Closing Date, except for employees who have the right to receive prior notice of termination, in which case such amount shall be calculated as of the first date such termination can be effective assuming notice is given at the Closing, but shall include any compensation and benefits payable to such employee during such period from Closing to the effective date of termination) and/or (2) the Merger constituting a change of control under their employment agreements or any other documents as in effect during the period beginning on the date hereof and ending immediately prior to the Effective Time (including associated

(B) All indebtedness of the Company for borrowed money or in respect of capitalized leases or the purchase of assets of the Company (including all principal, accrued interest thereon (and if such indebtedness is not prepayable, all remaining interest to be paid or accrued through maturity thereof)), and any other amounts payable to the holders of such indebtedness as a result of or in connection with, the consummation of the transactions contemplated by this Agreement);

(F) Any cash received by the Company in respect of that Company Contract identified in Section 5.22 of the Company Disclosure Schedule with the Amending Party which represents (1) an advance of or prepayment against or payment in lieu of any royalties otherwise payable to the Company under an existing license agreement with the other party to such contract or (2) a payment made in consideration of any change or amendment to an existing license agreement with such other party to such contract which is adverse to the Company ("**Ineligible Payments**"), and ANI agrees that the amounts payable by the Amending Party pursuant to the agreement of the Company with the Amending Party referred to in Section 5.22 of the Company Disclosure Schedule, if executed in the form provided to ANI, will not contain any Ineligible Payments;

(G) A reserve to be mutually agreed upon in good faith by the Parties prior to November 15, 2012, to be sufficient to provide for any out-of-pocket costs associated with any then outstanding litigation of the Company, including in respect of defense costs, deductible payments and a provision for costs associated with an adverse determination not otherwise covered by the Company's existing Policies, which reserve

8

(H) One-half (1/2) of any settlement payments of the type identified in Section 2.2(a)(vii)(H) of the Company Disclosure Schedule; it being understood and agreed that the aggregate amount of all costs associated with the defense of any matter described in such section of the Company Disclosure Schedule not covered by the Company's existing Policies will be included as a Liability under clause (D)(1) above.

(b) **Exchange Ratio.** The Exchange Ratio for purposes of the Merger Agreement (the "**Exchange Ratio**") will equal the applicable ratio set forth below and each Exchange Ratio will be calculated to the nearest 1/10,000 of a share:

(i) The "**Series D Exchange Ratio**" will equal the quotient obtained by dividing (A) the total number of Merger Shares having an aggregate Share Value equal to or less than the Series D Preference Amount, by (B) the number of outstanding shares of ANI Series D Preferred Stock immediately prior to the Effective Time.

(ii) The "**Series C Exchange Ratio**" will equal the quotient obtained by dividing (A) the total number of Merger Shares not issued to the holders of ANI Series D Preferred Stock under clause (i) above having an aggregate Share Value equal to the Series C Preference Amount (or, if less, the remaining Merger Shares), by (B) the number of outstanding ANI Series C Preferred Stock immediately prior to the Effective Time.

(iii) The "**Series B Exchange Ratio**" will equal the quotient obtained by dividing (A) the total number of Merger Shares not issued to the holders of ANI Series D Preferred Stock under clause (i) above or ANI Series C Preferred Stock under clause (ii) above having an aggregate Share Value equal to or less than the Series B Preference Amount (or, if less, the remaining Merger Shares), by (B) the number of outstanding ANI Series B Preferred Stock immediately prior to the Effective Time.

(iv) The “**Series A Exchange Ratio**” will equal the quotient obtained by dividing (A) the total number of Merger Shares not issued to the holders of ANI Series D Preferred Stock under clause (i) above, ANI Series C Preferred Stock under clause (ii) above or ANI Series B Preferred Stock under clause (iii) above, by (B) the number of outstanding ANI Series A Preferred Stock immediately prior to the Effective Time.

(c) **Determination of Net Cash.**

(i) Within two (2) calendar days following the Determination Date, the Company will deliver to ANI a schedule (the “**Net Cash Schedule**”) setting forth, in reasonable detail, the Company’s calculation of Net Cash (as determined

9

in accordance with the definition of Net Cash set forth above) (the “**Net Cash Calculation**”) as of such Determination Date prepared by the Company’s Chief Financial Officer, together with the work papers and back-up materials used in preparing the applicable Net Cash Schedule and as part of such documentation, the Company shall include letters that are duly executed by the following Persons to which such payment of Liabilities are to be made, in forms reasonably satisfactory to ANI (including a fixed capped amount to be paid by the Company): the Company’s investment bankers, attorneys and accountants.

(ii) Within three (3) Business Days after the Company delivers the Net Cash Schedule to ANI (the “**Response Date**”), ANI will have the right to dispute any part of such Net Cash Schedule by delivering a written notice to that effect to the Company (a “**Dispute Notice**”). Any Dispute Notice will identify in reasonable detail the nature of any proposed revisions to the Net Cash Calculation and will be accompanied by reasonably detailed materials supporting the basis for such proposed revisions.

(iii) If on or prior to the Response Date, (i) ANI notifies the Company in writing that it has no objections to the Net Cash Calculation set forth in the Net Cash Schedule or (ii) ANI fails to deliver a Dispute Notice as set forth above, then the Net Cash Calculation as set forth in the Net Cash Schedule will be deemed to have been finally determined for purposes of this Agreement and to represent the Net Cash at the Determination Date for purposes of this Agreement, except in the case of intentional or willful misrepresentation.

(iv) If ANI delivers a Dispute Notice on or prior to the Response Date as provided above, then representatives of the Company and ANI will promptly meet and attempt in good faith to promptly resolve the disputed item(s) and negotiate an agreed-upon determination of Net Cash within two (2) calendar days after the Response Date, which agreed upon Net Cash amount will be deemed to have been finally determined for purposes of this Agreement and to represent the Net Cash at the Determination Date for purposes of this Agreement.

(v) In the event no agreement is reached within four (4) calendar days after the Response Date and the disagreements would result in at least a Two Million Dollar (\$2,000,000) adjustment to Net Cash or ANI reasonably believes the amount of Net Cash is less than the Minimum Net Cash amount, then the Parties agree to postpone the Company Special Meeting to a date mutually agreed upon so that such disagreement can be resolved in accordance with the terms of clause (vi) below.

(vi) If the Company and ANI are unable to resolve any disagreement between them concerning the Net Cash Calculation or any component thereof (the “**Dispute**”) within three (3) calendar days, then the Dispute may be referred by the Company or ANI for determination to RSM McGladrey Inc. If RSM McGladrey Inc. is unwilling to serve in such capacity then ANI and the Company will refer the Dispute to the Chicago, Illinois office of a regionally or nationally

10

recognized accounting firm that is mutually selected by the Company and ANI. If the Parties are unable to select a regionally or nationally recognized accounting firm within five (5) calendar days, then either the Company or ANI may thereafter request that the Chicago, Illinois office of the American Arbitration Association make such selection (as applicable, the “**Independent Accountant**”). Each of the Company and ANI will provide the Independent Accountant and the other Party with a statement of its position as to the amount for each Dispute within ten (10) calendar days from the date of the referral. The Independent Accountant will make a written determination as promptly as practicable, but in any event within fifteen (15) calendar days after the date on which the Dispute is referred to the Independent Accountant, by determining the actual Net Cash and the applicable Exchange Ratio. If at any time the Company and ANI resolve their dispute, then notwithstanding the preceding provisions of this clause (vi), the Independent Accountant’s involvement promptly will be discontinued and the Net Cash Calculation will be revised, if necessary, to reflect such resolution and thereupon will be final and binding for all purposes under this Agreement, except in the case of intentional or willful misrepresentation or manifest error. The Parties will make readily available to the Independent Accountant all relevant books and records relating to the Net Cash Calculation and the calculation set forth in the Net Cash Schedule and all other items reasonably requested by the Independent Accountant in connection with resolving the Dispute. The costs and expenses of the Independent Accountant will be borne by the Company (however, only 50% of such amount will be included in the calculation of Net Cash).

(vii) Once the Net Cash at the Determination Date has been finally determined, the Company will issue a news release publicly announcing (i) the Company’s Net Cash at the Determination Date and (ii) any adjustment to the Exchange Ratio based on the Company’s Net Cash at the Determination Date.

2.3 **Payment of Consideration.**

(a) At least ten (10) days prior to the Effective Time, the Company will send to each holder of record of shares of ANI Series D Preferred Stock a letter of transmittal setting forth instructions on the process for effecting the exchange of the ANI Series D Preferred for Company Common Stock. Such letter of transmittal will, among other things, (i) specify that the delivery will be effected, and risk of loss and title will pass, only upon proper delivery of the Certificates to the Company, (ii) provide for a release of any claims such holder might have against the Company, ANI or otherwise in connection with the Merger and (iii) otherwise be in customary form and contain such provisions as the Company may reasonably specify. At the Effective Time, each holder of record of shares of ANI Series D Preferred Stock will deliver the Certificates to the

Company, together with a properly completed letter of transmittal and all other documents reasonably required by the Company, and the Company will issue the Merger Consideration to such holders of ANI Series D Preferred Stock by delivery of certificates or book entry notations and, if applicable, cash for fractional shares as provided in Section 2.3(d). Until so surrendered or transferred, as the case may be, each such Certificate will represent after the Effective Time for all purposes only the right to

receive such applicable portion of the Merger Consideration. In addition, no dividends or other distributions declared or made with respect to Company Common Stock with a record date after the Effective Time will be paid or otherwise delivered to any holder of ANI Series D Preferred Stock until such holder surrenders or transfers the applicable Certificate(s).

(b) The transfer books of ANI will be closed immediately upon the Effective Time and there will be no further registration of transfers of ANI Shares outstanding immediately prior to the Effective Time thereafter on the records of ANI. If, after the Effective Time, Certificates are presented to the Company or its transfer agent for any reason, they will be canceled and exchanged for the applicable portion of the Merger Consideration to the extent provided for, and in accordance with the procedures set forth, in this Article II.

(c) Notwithstanding anything to the contrary in this Agreement, neither the Company nor any Party will be liable to any holder of ANI Series D Preferred Stock as of immediately prior to the Effective Time for any amounts delivered to a public official pursuant to any applicable abandoned property, escheat or similar law. Immediately prior to such time when the amounts otherwise would escheat to or become property of any Government Authority, any amounts remaining unclaimed by holders of ANI Series D Preferred Stock immediately prior to the Effective Time will become, to the extent permitted by Applicable Law, the property of the Company free and clear of any claims or interest of any Person previously entitled thereto. For purposes of this Agreement, “**Person**” means an individual, a corporation, a limited liability company, a partnership, an association, a trust or any other entity or organization, including a government or political subdivision or any agency or instrumentality thereof.

(d) No fractional shares of Company Common Stock will be issued in connection with the Merger, and no certificates or scrip for any such fractional shares will be issued. Any holder of ANI Series D Preferred Stock who otherwise would be entitled to receive a fraction of a share of Company Common Stock (after aggregating all fractional shares of Company Common Stock issuable to such holder) will, in lieu of such fraction of a share and upon satisfaction of the conditions set forth in Section 2.3(a), be paid in cash the dollar amount (rounded to the nearest whole cent), without interest, determined by multiplying such fraction by the closing price of a share of Company Common Stock on The NASDAQ Global Market on the Closing Date.

2.4 **Dissenting Shares.** Notwithstanding any provision in this Agreement to the contrary, ANI Shares outstanding as of immediately prior to the Effective Time and held by a holder who has not voted in favor of the Merger or consented thereto in writing and who has properly demanded appraisal for such shares in accordance with Section 262 of the DGCL (“**Dissenting Shares**”) will not be converted into the right to receive the applicable portion of Merger Consideration. Holders of such Dissenting Shares will instead be entitled to receive payment for the fair value of such Dissenting Shares as determined in accordance with Section 262 of the DGCL; provided, however, that if, after the Effective Time, such holder fails to perfect, withdraws or loses the right to appraisal, such Dissenting Shares will be treated as if they had been converted as of the Effective Time into the right to receive the applicable portion of the

Merger Consideration. ANI will give the Company prompt notice of any demands received by ANI for appraisal of shares and withdrawals of any such demand, and any other communications delivered to ANI pursuant to or in connection with Section 262 of the DGCL, and the Company and ANI will jointly have the right to direct all negotiations and proceedings with respect to such demands (including settlement offers). Except with the prior written consent of the other Party, neither Party will offer to settle or settle or (unless required pursuant to a valid and final Order) make any payment with respect to, any such demands.

2.5 **Required Withholdings.** The Company will be entitled to deduct and withhold from the Merger Consideration such amounts, if any, as may be required to be deducted or withheld therefrom under the Code or any other Applicable Law. To the extent such amounts are so deducted or withheld, such amounts will be treated for all purposes under this Agreement as having been delivered or otherwise paid to the Person to whom such amounts would otherwise have been delivered or otherwise paid pursuant to the Merger and this Agreement.

2.6 **Lost Certificates.** If any Certificate has been lost, stolen or destroyed, upon the making of an affidavit (in form and substance reasonably acceptable to the Company) of that fact by the Person claiming such Certificate to be lost, stolen or destroyed the Company will cause to be issued, in exchange for such lost, stolen or destroyed Certificate, the applicable portion of the Merger Consideration as contemplated by this Article II.

2.7 **Adjustments.** If, during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of capital stock of ANI or the Company occurs, as a result of any reclassification, recapitalization, stock split (including any reverse stock split), merger, combination, exchange or readjustment of shares, subdivision or other similar transaction, or any stock dividend thereon with a record date during such period, the Exchange Ratio will be appropriately adjusted to eliminate the effect of such event on the Exchange Ratio or any such other amounts payable pursuant to this Agreement.

2.8 **Tax Consequences.** For U.S. federal income tax purposes, the Merger is intended to constitute a reorganization within the meaning of Section 368(a) of the Code. The parties to this Agreement adopt this Agreement as a “plan of reorganization” within the meaning of Section 1.368-2(g) of the United States Treasury Regulations.

No current or former independent auditor for ANI has resigned or been dismissed from such capacity as a result of or in connection with any disagreement with ANI on a matter of accounting practices. The ANI Financial Statements were prepared from, and are consistent with, the accounting

18

(b) All of the ANI Contracts were entered into at arms' length in the ordinary course of business and are valid and in full force and effect, except to the extent they have previously expired in accordance with their terms. Neither ANI nor any of its Subsidiaries has given or received a notice of cancellation or termination under any ANI

Contract, or has, or is alleged to have, and to the knowledge of ANI, none of the other parties thereto have, violated any provision of, or committed or failed to perform any act, and no event or condition exists, which with or without notice, lapse of time or both would constitute a default under the provisions of, any ANI Contract.

3.9 Benefit Plans.

(a) Section 3.9 of the ANI Disclosure Schedule sets forth a true and complete list of each ANI Benefit Plan. An “**ANI Benefit Plan**” is any “employee benefit plan” within the meaning of Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended (“**ERISA**”), and whether or not subject to ERISA, any material employment, termination or severance agreement, and any material bonus, deferred compensation, incentive compensation, stock ownership, stock purchase, stock option, phantom stock, equity-based, vacation, severance, retention, change in control, profit sharing, retirement, welfare, disability, death benefit, hospitalization or insurance plan, and any other material plan, agreement, or program providing compensation or benefits to any current or former employee, director or independent contractor of ANI or any Subsidiary or ERISA Affiliate of ANI or maintained, contributed to, or required to be contributed to by ANI, any Subsidiary or other ERISA Affiliate or that ANI, any Subsidiary or other ERISA Affiliate has committed to establish, adopt or contribute to, or under which ANI, any Subsidiary or other ERISA Affiliate otherwise has or may have any liability. An “ERISA Affiliate” with respect to any Party means any entity required to be aggregated with such Party under Section 414 of the Code, or any trade or business, whether or not incorporated that together with such Party would be deemed a “single employer” within the meaning of Section 4001(b) of ERISA (an “**ERISA Affiliate**”)

(b) No ANI Benefit Plan is a multiemployer plan within the meaning of ERISA Section 3(37)).

(c) No ANI Benefit Plan is a “defined benefit pension plan” within the meaning of Code Section 414(j) or subject to Title IV of ERISA; no ANI Benefit Plan is subject to the minimum funding standards of Code Section 412 and/or ERISA Section 302; and neither ANI nor any Subsidiary has any liability to the Pension Benefit Guaranty Corporation (“**PBGC**”) or any other person, arising directly or indirectly under Title IV of ERISA.

(d) Each ANI Benefit Plan has been maintained in material compliance with its terms and with all applicable laws, including, but not limited to ERISA and the Code and with respect to the ANI Benefit Plans, individually and in the aggregate, no event has occurred and, to the knowledge of ANI, there exists no condition or set of circumstances in connection with which ANI or any of its Subsidiaries or other ERISA Affiliates could be subject to any liability under ERISA, the Code or any other Applicable Law.

(e) There are no actions, suits or claims pending (other than routine claims for benefits) or, to the knowledge of ANI, threatened against, or with respect to, any ANI Benefit Plan.

24

(f) All required contributions to ANI Benefit Plans due on or before the Closing Date have been, or will have been, made or properly accrued on or before the Closing Date.

(g) Except as set forth in Section 3.9(g) of the ANI Disclosure Schedule, the execution and delivery by ANI of this Agreement does not, and the consummation of the Merger and compliance with the terms hereof (whether alone or in combination with any other event) will not, (A) entitle any current or former employee or director or independent contractor of ANI or any Subsidiary to severance pay, (B) except as expressly required by this Agreement, accelerate the time of payment or vesting or trigger any payment or funding (through a grantor trust or otherwise) of compensation or benefits under, increase the amount payable or trigger any other material obligation pursuant to, any ANI Benefit Plan, (C) result in any breach or violation of, or a default under, any ANI Benefit Plan, or (D) cause any amounts payable under any ANI Benefit Plan (whether in cash, in property or in the form of benefits) to fail to be deductible for federal income tax purposes by virtue of Sections 162(m) or 280G of the Code.

(h) None of ANI, any Subsidiary or other ERISA Affiliate, or ANI Benefit Plan has engaged in a transaction in connection with which ANI, any Subsidiary or other ERISA Affiliate, ANI Benefit Plan (or any such trust, or any trustee or administrator thereof), or any party dealing with any ANI Benefit Plan or any such trust could be subject to either a civil penalty assessed pursuant to Sections 409 or 502(i) of ERISA or a Tax imposed pursuant to Sections 4975 or 4976 of the Code.

(i) Each ANI Benefit Plan and related trust intended to qualify under Sections 401 and 501(a) of the Code is subject to a current favorable determination or opinion letter from the Internal Revenue Service (“**IRS**”) and, to ANI’s knowledge, nothing has occurred that is reasonably likely to result in the revocation of such letter. ANI and its Subsidiaries have not sponsored, maintained or contributed to or had any liability with respect to any qualified pension plan which, during the preceding two (2) years, has been terminated, including by way of merger with or into an ANI Benefit Plan or another plan.

(j) Except as set forth in Section 3.9(j) of the ANI Disclosure Schedule, ANI and its Subsidiaries do not contribute to, have or could have any liability with respect to retiree medical coverage or other medical, health, life or other welfare benefits for present or future terminated employees or their spouses or dependents other than as required by Part 6 of Subtitle B of Title I of ERISA (“**COBRA**”) or any comparable state Applicable Law.

None of ANI, its Subsidiaries or its ERISA Affiliates is a party to any agreement, or otherwise obligated under any ANI Benefit Plan, to provide for a gross up of Taxes imposed by Section 409A of the Code. Each Subsidiary of ANI is a corporation or other entity duly organized, validly existing and, in the case of corporations, in good standing under the laws of its jurisdiction of formation, has all requisite power and authority to own, lease and operate its properties and to carry on its business as now being conducted, and is duly qualified and in good standing to do business in each jurisdiction in which the nature of its business or the ownership or leasing of its properties makes such qualification necessary and where the failure so to qualify would have a material effect on ANI. All of the shares of capital stock of each of

26

the Subsidiaries held by ANI or by another ANI Subsidiary are fully paid and nonassessable and are owned by ANI or a Subsidiary of ANI free and clear of any material Lien, except for ANI Permitted Liens. 3.12 **Board Approval.** The board of directors of ANI (the “**ANI Board**”), by resolutions duly adopted at a meeting duly called and held has: (a) approved and adopted, and declared the advisability of, this Agreement and the transactions contemplated hereby, including the Merger; (b) determined that this Agreement and the transactions contemplated hereby, including the Merger, are fair to and in the best interests of ANI and ANI’s stockholders; and (c) subject to Section 5.3(d), resolved to make and maintain the ANI Board Recommendation.

3.13 **Takeover Statutes.** ANI has taken all action necessary to exempt or exclude this Agreement and the transactions contemplated hereby, including the Merger, from: (i) the restrictions on business combinations set forth in Section 203 of the DGCL; and (ii) any other similar antitakeover law, statute or regulation (each, a “**Takeover Statute**”). 27

trust, security interests or other encumbrances on title related to indebtedness reflected in the ANI Financial Statements and which have been or will be satisfied and released at or prior to the Closing Date, and (iv) rights granted to any non-exclusive licensee of any ANI Intellectual Property in the ordinary

(vi) “**Registered IP**” means all Intellectual Property Rights that are registered, filed, or issued under the authority of any Government Authority, including all Patents, registered copyrights and registered trademarks and all applications for any of the foregoing.

(b) Section 3.15(b) of the ANI Disclosure Schedule accurately identifies and describes each proprietary product or service currently developed, manufactured, marketed, performed or sold by or on behalf of ANI or any of the ANI Subsidiaries, including products or services currently designated as development candidates with a unique internal name by ANI or any of ANI Subsidiaries.

(e) No Person has been granted by ANI or any of ANI Subsidiaries any license under, or otherwise has received or acquired any right (whether or not currently exercisable) or interest in, any ANI Owned IP. Neither ANI nor any of ANI Subsidiaries are bound by, and no ANI Owned IP is subject to, any Contract containing any covenant or other provision that in any way limits or restricts the ability of ANI or any of ANI Subsidiaries to use, exploit, assert or enforce any ANI Owned IP anywhere in the world,

29

except field and geographical restrictions in applicable licenses to ANI Owned IP granted to ANI.

(f) ANI has provided to the Company an accurate and complete copy of each standard form of any Contract to which ANI or any of the ANI Subsidiaries is a party or by which ANI or any of the ANI Subsidiaries is bound, if any, that contains any assignment or license of, covenant not to assert or enforce or granting of any other rights in, any Intellectual Property Right, including any ANI Owned IP or other Intellectual Property developed by, with, or for ANI or any of the ANI Subsidiaries (an “**ANI IP Contract**”) that has been used by ANI or any of the ANI Subsidiaries at any time since January 1, 2010, including each standard form of: (i) employee agreement containing any intellectual property assignment or license

(vii) neither the execution of this Agreement nor the consummation of any transaction contemplated hereby will terminate, suspend or modify any of the ANI's rights with respect to any ANI Owned IP or material ANI Licensed IP.

No current or former stockholder, officer, director, employee, consultant or contractor of ANI or any of ANI Subsidiaries has any claim, right (whether or not currently exercisable) or interest to or in any ANI Owned IP. To ANI's knowledge, no employee of ANI or any of ANI Subsidiaries is: (x) bound by or otherwise subject to any Contract restricting him or her from performing his or her duties for ANI or ANI Subsidiaries; or (y) in breach of any Contract with any former employer or other Person concerning Intellectual Property Rights or confidentiality obligations. Since January 1, 2010, neither ANI nor any of the ANI Subsidiaries have assigned or otherwise transferred ownership of, or agreed to assign or otherwise transfer ownership of, any Intellectual Property Right to any other Person.

Except as set forth in Section 3.16(a) of the ANI Disclosure Schedule, ANI and the ANI Subsidiaries hold all material licenses, permits, franchises, variances, registrations, exemptions, orders and other governmental authorizations, consents, approvals and clearances, and have submitted all material notices to, all Government Authorities,

Except as set forth in Section 3.16(a) of the ANI Disclosure Schedule all such ANI Permits are valid and in full force and effect. Except as set forth in Section 3.16(a) of the ANI Disclosure

Schedule, none of such ANI Permits will be terminated or impaired or become terminable, in whole or in part, as a result of the transactions contemplated by this Agreement. ANI and the ANI Subsidiaries are the sole and exclusive owner of the ANI Permits and the associated filings and applications with the FDA, including any biologics license application, new drug application, abbreviated new drug application, drug master files, biologics master files, master files for devices, 510(k) submission, premarket approval, investigational new drug or investigational device exemption application, comparable regulatory application or filing made or held by or issued to ANI and the ANI Subsidiaries (collectively, the “**ANI Regulatory Filings**”) and hold all right, title and interest in and to all ANI Regulatory Filings free and clear of any Lien. ANI and the ANI Subsidiaries have not granted any third party any right or license to use, access or reference any of the ANI Regulatory Filings, including any of the know-how contained in any of the ANI Regulatory Filings or rights (including any regulatory exclusivities) associated with each such ANI Regulatory Filing.

(b) Except as set forth in Section 3.16(b) of the ANI Disclosure Schedule, since January 1, 2010, there has not occurred any breach or violation of, default (with or without notice or lapse of time or both) under or event giving rise to any right of termination, amendment or cancellation of (with or without notice or lapse of time or both), any ANI Permit. Except as set forth in Section 3.16(b) of the ANI Disclosure Schedule, ANI and the ANI Subsidiaries are in compliance in all material respects with the terms of all ANI Permits, and no event has occurred and no facts or circumstances exist that, to the knowledge of ANI, would reasonably be expected to result in the revocation, cancellation, non-renewal or adverse modification of any material ANI Permit.

(c) Except as set forth in Section 3.16(c) of the ANI Disclosure Schedule, since January 1, 2010, all material applications, submissions, information and data used by ANI or the ANI Subsidiaries as the basis for, or submitted by or, to the knowledge of ANI, on behalf of ANI or the ANI Subsidiaries in connection with, any and all requests for ANI Permits when submitted to the FDA or other ANI Regulatory Agency, were, to ANI’s knowledge, accurate and complete in all material respects as of the date of submission, and any updates, changes, corrections or modifications to such applications, submissions, information and data required under Applicable Law have been submitted to the FDA or other ANI Regulatory Agency.

32

(d) Since January 1, 2010, neither ANI nor any of the ANI Subsidiaries has committed any act, made any statement or failed to make any statement that would reasonably be expected to provide a basis for the FDA or any other ANI Regulatory Agency to invoke its policy with respect to “Fraud, Untrue Statements of Material Facts, Bribery, and Illegal Gratuities” or similar policies under Applicable Law. Except as set forth in Section 3.16(d) of the ANI Disclosure Schedule, neither ANI nor any of its ANI Subsidiaries nor, to the knowledge of ANI, any agent, subcontractor, director, officer, employee or other Person associated with or acting on behalf of ANI has been convicted of any crime or engaged in any conduct which has resulted or could result in debarment or disqualification by the FDA or any other Government Authority, and there are no proceedings pending or threatened that reasonably might be expected to result in criminal or civil liability or debarment or disqualification by the FDA or any other Government Authority.

(e) Neither ANI nor any of the ANI Subsidiaries nor, to the knowledge of ANI, any director, officer, agent, employee or other Person associated with or acting on behalf of ANI or any of the ANI Subsidiaries has: (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity; (ii) made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds; (iii) violated or is in violation of any provision of the Foreign Corrupt Practices Act of 1977, as amended (the “**FCPA**”), or any similar Applicable Law; or (iv) made any bribe, rebate, payoff, influence payment, kickback or other unlawful payment. There are no pending or, to the knowledge of ANI, threatened filings against ANI or any ANI Subsidiary of an action relating to the federal Anti-kickback Statute (42 U.S.C. § 1320a-7b(b)).

ANI has at all times and is currently distributing, marketing, promoting, labeling and selling its products in accordance with the FDCA and Prescription Drug Marketing Act of 1987. There are no pending or, to the knowledge of ANI, threatened regulatory Actions (other than non-material routine or periodic inspections or reviews) against ANI or its Subsidiaries. Since January 1, 2010 there have been no written notices, reports, FDA Form 483 observations that have not been disclosed by ANI, warning letters, or untitled letters alleging or asserting noncompliance in any material respect with any Applicable Law relating to ANI or any ANI Subsidiary or any ANI Product or any subpoenas or investigative demands or other written inquiries that would

33

reasonably be interpreted as raising a compliance concern sent or delivered by any Government Authority with regard to any ANI Product.

(h) The manufacture of the ANI Products is being conducted in compliance in all material respects with current “good manufacturing practices,” as defined by the FDA. ANI has been in material compliance with FDA’s registration and listing requirements to the extent required by FDA.

(i) ANI and its Subsidiaries are and have been in compliance in all material respects with all Applicable Laws requiring the maintenance or submission of reports or records under requirements administered by the FDA or any other Government Authority, including Adverse Experiences, Serious Adverse Events, and Serious Injuries. Except as set forth in Section 3.16(i) of the ANI Disclosure Schedule, there have been no Serious Adverse Events or Serious Injuries associated with the use (including in clinical trials) of any ANI Products that have not been reported to the FDA in accordance with Applicable Law.

(j) To the knowledge of ANI, all studies, tests, and preclinical and clinical research being conducted by ANI and ANI Subsidiaries, and to the knowledge of ANI, on behalf of ANI and ANI Subsidiaries, are being, and at all times have been, conducted in compliance in all material respects with all Applicable Laws, including, as applicable, good laboratory practice regulations set forth in 21 C.F.R. Part 58, good clinical practices, as defined or recognized by the FDA, including the ICH Tripartite Guideline for Good Clinical Practice, other applicable provisions of the FDCA and its applicable implementing regulations at 21 C.F.R. Parts 50, 54, 56, 58, 312 and 812, and comparable laws of any other Government Authority. No clinical trial conducted by ANI or any ANI Subsidiary or, to the knowledge of ANI, on behalf of ANI or any ANI Subsidiary has been terminated or suspended prior to completion for safety or non-compliance reasons, and neither the FDA nor any other Government Authority, clinical investigator or institutional review board that has or had jurisdiction over or participated in any such clinical trial has initiated, or, to the knowledge of ANI, threatened to initiate, any action to place a clinical hold order on, or otherwise terminate, materially delay or suspend, any such ongoing clinical trial, or to disqualify, restrict or debar any clinical investigator or other Person or entity involved in any such clinical trial.

(k) Neither ANI nor any ANI Subsidiary nor any officer, director, managing employee (as those terms are defined in 42 C.F.R. § 1001.1001) of ANI or any ANI Subsidiary, nor, to the knowledge of ANI, any agent (as such term is defined in 42 C.F.R. § 1001.1001(a)(1)(ii)) of ANI or any ANI Subsidiary is a party to, or bound by, any order, individual integrity agreement, corporate integrity agreement, monitoring agreement, consent decree, settlement order, deferred prosecution agreement or other formal or informal agreement with any Government Authority concerning compliance with the laws governing any “**Federal Health Care Program**” (which means Medicare (Title XVIII of the Social Security Act), Medicaid (Title XIX of the Social Security Act) and any other state or federal health care program). ANI meets all the requirements of participation and payment of Medicare, Medicaid, and any other governmental health care programs and third party payment programs to the extent in which it participates

34

(collectively, “**Programs**”). There is no action pending, received or, to ANI’s knowledge, threatened against ANI which relates in any way to a violation of any health care laws or which could result in the imposition penalties against or the exclusion of ANI from participation in any Programs. Neither ANI nor any ANI Subsidiary nor officer, director, managing employee have engaged in any activities which are cause for civil penalties or mandatory or permissive exclusion from any Program. To ANI’s knowledge, there is no pending, proposed or final Medicare national or local coverage determination that, if finalized, would restrict coverage for ANI’s Products. ANI will, and will cause ANI Subsidiaries and its and their respective Representatives to, immediately cease and cause to be terminated all discussions or negotiations with any Person previously conducted with respect to any Acquisition Proposal. ANI will promptly deny to any third party access to any data room (virtual or actual) containing any confidential information previously furnished to any such third party relating to any Acquisition Proposal.

(b) For purposes of this Agreement, an “**Acquisition Proposal**” means, with respect to any Party, any offer, proposal or indication of interest (other than an offer,

68

proposal or indication of interest by another Party) contemplating or otherwise relating to any transaction or series of related transactions involving any:

(i) merger, consolidation, share exchange, business combination, issuance of securities, direct or indirect acquisition of securities, recapitalization, tender offer, exchange offer or other similar transaction in which: (i) a Person or “group” (as defined in the Exchange Act and the rules promulgated thereunder) of Persons directly or indirectly acquires beneficial or record ownership of securities representing 15% or more of the outstanding shares of any class of voting securities of such Party; or (ii) such Party issues securities representing 15% or more of the outstanding shares of any class of voting securities of such Party;

(ii) sale, lease, exchange, transfer or disposition of any assets that constitute or account for: (i) 15% or more of the consolidated net revenues of such Party, consolidated net income of such Party or consolidated book value of such Party; or (ii) 15% or more of the fair market value of the assets of such Party; or

(iii) liquidation or dissolution of such Party.

(c) ANI will promptly, but in no event later than twenty four (24) hours, notify the Company in writing if any proposal, offer or inquiry is received by, or any discussions or negotiations are sought to be initiated or continued with, ANI in respect of any Acquisition Proposal. Such notice will indicate the identity of the Person making such proposal, offer, inquiry or other contact and the material terms and conditions of any

proposals or offers (and will include with such notice copies of any written materials received from or on behalf of such Person relating to such proposal, offer, inquiry or other request), and ANI thereafter will promptly keep the Company informed of all material developments affecting the status and the material terms of any such proposal, offer, inquiry or other request (including providing the Company with any additional written materials received relating to such proposal, offer, inquiry or other request).

(d) Unless a Change in Company Board Recommendation has occurred, the Company has taken any of the actions permitted under Section 5.4(b), or ANI has terminated the Agreement pursuant to Article VII, the ANI Board will not: (i) fail to make ANI Board Recommendation to ANI's stockholders in accordance with Section 5.8(b); (ii) withhold, withdraw, amend, qualify or modify in a manner adverse to the Company, or publicly propose to withhold, withdraw, amend, qualify or modify in a manner adverse to ANI, ANI Board Recommendation; (iii) adopt, approve, recommend, endorse or otherwise declare advisable the adoption of any Acquisition Proposal; or (iv) resolve, agree or publicly propose to take any such actions (each such foregoing action or failure to act in clauses (i) through (iv) being referred to as a "**Change in ANI Board Recommendation**").

5.4 No Solicitation by the Company.

(a) Subject to Section 5.4(b) and Section 5.4(d), during the Interim Period, the Company will not, nor will it authorize or permit any of the Company Subsidiaries or any

69

of its or their respective Representatives to, directly or indirectly, except as otherwise provided below: (i) solicit, initiate or encourage or facilitate (including by way of furnishing any non-public information relating to the Company or any the Company Subsidiary), or induce or take any other action which would reasonably be expected to lead to the making, submission or announcement of, any proposal or inquiry that constitutes, or is reasonably likely to lead to, an Acquisition Proposal; (ii) other than informing Persons of the provisions contained in this Section 5.4, enter into, continue or participate in any discussions or any negotiations regarding any Acquisition Proposal or otherwise take any action to facilitate or induce any effort or attempt to make or implement an Acquisition Proposal (including any Acquisition Proposal received prior to the date of this Agreement); (iii) approve, endorse or recommend an Acquisition Proposal or any letter of intent, memorandum of understanding or Contract contemplating an Acquisition Proposal or requiring the Company to abandon or terminate its obligations under this Agreement, or enter into any of the foregoing; or (iv) agree, resolve or commit to do any of the foregoing. The Company will, and will cause the Company Subsidiaries and its and their respective Representatives to, immediately cease and cause to be terminated all discussions or negotiations with any Person previously conducted with respect to any Acquisition Proposal. The Company will promptly deny to any third party access to any data room (virtual or actual) containing any confidential information previously furnished to any such third party relating to any Acquisition Proposal.

(b) Notwithstanding anything in this Section 5.4 to the contrary, at any time prior to obtaining Company Stockholder Approval, in response to an unsolicited written Acquisition Proposal that the Company Board determines in good faith (after consultation with its financial advisor and outside legal counsel) constitutes or would reasonably be expected to result in a Superior Proposal (and that did not result from a violation of Section 5.4(a)), the Company may, upon a good faith determination by the Company Board (after receiving the advice of its outside counsel) that failure to take such action would be inconsistent with the Company's board of directors' fiduciary duties to the Company's stockholders under Applicable Law: (x) furnish information with respect to the Company to the Person making such Acquisition Proposal (and such Person's Representatives), provided that the Company and such Person first enter into a confidentiality agreement with confidentiality provisions that are not less restrictive to such Person than the provisions of the Confidentiality Agreement are to ANI and that would not prohibit compliance by the Company with the provisions of this Section 5.4, and provided further that all such information will have been previously provided to ANI or is concurrently provided to ANI at the same time that it is provided to such Person; and (y) participate in discussions or negotiations with the Person making such Acquisition Proposal (and such Person's Representatives) regarding such Acquisition Proposal.

For purposes of this Agreement, "**Superior Proposal**" means a bona fide written Acquisition Proposal (provided that, for purposes of this definition, references to 15% in the definition of "Acquisition Proposal" are deemed to be references to 50%) which the board of directors of the Party that is the subject of the Acquisition Proposal determines in good faith (after consultation with its financial advisor): (i) to be reasonably likely to be consummated if accepted; and (ii) to be more favorable to such Party's stockholders

70

from a financial point of view than the Merger, in each case, taking into account at the time of determination all relevant circumstances, including the various legal, financial and regulatory aspects of the proposal, all the terms and conditions of such proposal and this Agreement, any changes to the terms of this Agreement offered by the other party in response to such Acquisition Proposal and the ability of the Person making such Acquisition Proposal to consummate the transactions contemplated by such Acquisition Proposal (based upon, among other things, expectation of obtaining required approvals).

(c) The Company will promptly, but in no event later twenty four (24) hours, notify ANI in writing if any proposal, offer or inquiry is received by, or any discussions or negotiations are sought to be initiated or continued with, the Company in respect of any Acquisition Proposal. Such notice will advise ANI in writing of the Company's intention to participate or engage in discussions or negotiations with, or furnish non-public information to, such Person and will, in any such notice to ANI, indicate the identity of the Person making such proposal, offer, inquiry or other contact and the material terms and conditions of any proposals or offers (and will include with such notice copies of any written materials received from or on behalf of such Person relating to such proposal, offer, inquiry or other request), and thereafter will promptly keep ANI informed of all material developments affecting the status and the material terms of any such proposal, offer, inquiry or other request and of the status of any such discussions or negotiations relating thereto (including providing ANI with any additional written materials received relating to such proposal, offer, inquiry or other request).

(d) The Company Board will not: (i) fail to make the Company Board Recommendation to the Company's stockholders in accordance with Section 5.7(b); (ii) withhold, withdraw, amend, qualify or modify in a manner adverse to ANI, or publicly propose to withhold, withdraw, amend, qualify or modify in a manner adverse to ANI, the Company Board Recommendation; (iii) adopt, approve, recommend, endorse or otherwise declare advisable the adoption of any Acquisition Proposal; or (iv) resolve, agree or publicly propose to take any such actions (each such foregoing

action or failure to act in clauses (i) through (iv) being referred to as a “**Change in Company Board Recommendation**”). Notwithstanding the foregoing, the Company Board may, at any time prior to obtaining Company Stockholder Approval, take any of the actions set forth in Section 5.4(d)(i)-(ii) below, provided that prior to taking any such action, the Company complies with Sections 5.4(e) and 7.3 of this Agreement:

- (i) effect a Change in Company Board Recommendation in response to an Acquisition Proposal if the Company Board concludes in good faith: (A) after consultation with outside counsel, that the failure to take such action would be inconsistent with its fiduciary duties to the Company’s stockholders under Applicable Law; and (B) after consultation with the Company’s financial advisor and outside counsel, that the Acquisition Proposal constitutes a Superior Proposal; and
- (ii) following such a Change in Board Recommendation, terminate this Agreement for the purpose of causing the Company to enter into an acquisition agreement with respect to such Acquisition Proposal; provided, however, that the

71

Company has paid the ANI Termination Fee prior to or concurrently with such termination of this Agreement in accordance with Section 7.3.

(e) Notwithstanding anything to the contrary set forth in Section 5.4(d), the Company Board will not be entitled to make a Change in Company Board Recommendation as contemplated by Section 5.4(d)(i) or terminate this Agreement and enter into another acquisition agreement as contemplated by Section 5.4(d)(ii) unless: (i) the Company has first provided prior written notice to ANI that it intends to take any of the foregoing actions (a “**Company Notice**”), which Company Notice will contain a description of the material terms and conditions of such Superior Proposal, including a copy of the definitive acquisition agreement in the form to be entered into (it being understood and agreed that the delivery of such Company Notice will not, in and of itself, be deemed to be a Change in Company Board Recommendation); and (ii) ANI does not make, within three (3) Business Days after the receipt of such Company Notice, a proposal that would, in the good faith judgment of the Company Board (after consultation with outside counsel and its financial advisor), cause the Acquisition Proposal previously constituting a Superior Proposal to no longer constitute a Superior Proposal, as the case may be, provided, however, that (x) any amendment to any material term of such Superior Proposal or (y) with respect to any previous Change in Company Board Recommendation, any material change in the principal stated rationale by the Company Board for such previous Change in Company Board Recommendation, will, in the case of either (x) or (y), require a new Company Notice and a new three (3) Business Day period.

(f) Nothing contained in this Section 5.4 or elsewhere in this Agreement will prohibit the Company or the Company Board from: (i) taking and disclosing to the Company’s stockholders a position contemplated by Rule 14d-9, Rule 14e-2(a) or Item 1012(a) of Regulation M-A promulgated under the Exchange Act; or (ii) making any disclosure to the Company’s stockholders if, in the good faith judgment of the Company Board, after consultation with outside counsel, the failure to make such disclosure would be inconsistent with the Company’s board of directors’ fiduciary duties to the Company’s stockholders under Applicable Law; provided, however, that this Section 5.4(f) will not affect the obligations of the Company and the Company Board and the rights of ANI under Section 5.4(d) and Section 5.4(e) to the extent applicable to such disclosure (it being understood that neither any “stop, look and listen” letter or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act, nor any accurate disclosure of factual information (other than the Company or the Company Board taking any action set forth in Section 5.4(d) and Section 5.4(e) of this Agreement) to the Company’s stockholders that is required to be made to such stockholders under Applicable Law or in satisfaction of the Company’s board of directors’ fiduciary duties under Applicable Law, will be deemed to be a Change in Company Board Recommendation).

5.5 **Access to Information.** During the Interim Period, each of the Company and ANI will, and will cause its respective Representatives to, upon reasonable notice and request: (i) furnish to each other and each other’s Representatives reasonable access during normal business hours to its offices, properties, personnel, books and records; and (ii) furnish to each other and each other’s Representatives such financial and operating data and other information as may be

72

reasonably requested. Any investigation pursuant to this Section 5.5 will be conducted in a manner so as not to interfere unreasonably with the conduct of the business of the Company or the Company Subsidiaries or ANI or ANI Subsidiaries, as applicable. In addition, nothing contained in this Section 5.5 will require the Company or the Company Subsidiaries or ANI or the ANI Subsidiaries to take any action that would, in the good faith judgment of the Company or ANI, as applicable, constitute a waiver of the attorney-client or similar privilege or trade secret protection held by the Company or the Company Subsidiaries or ANI or ANI Subsidiaries, as applicable, or violate confidentiality obligations owing to third parties; provided, however, that each of the Company and ANI will make a good faith effort to accommodate any request from the other for access or information pursuant to this Section 5.5 in a manner that does not result in such a waiver or violation. All information furnished pursuant to this Section 5.5 will be subject to the Confidentiality Agreement, dated as of July 19, 2012, between the Company and ANI (the “**Confidentiality Agreement**”).

5.6 **Registration Statement; Related Matters.**

(a) As soon as reasonably practicable following the date hereof, the Company will, with the assistance and approval of ANI (such approval not be unreasonably withheld, conditioned or delayed), prepare and file with the SEC the Registration Statement containing the Joint Proxy Statement/Prospectus (which Registration Statement and Joint Proxy Statement/Prospectus will comply in all material respects with the rules and regulations promulgated by the SEC). Each of the Company and ANI will cooperate and consult with each other in the preparation of the Registration Statement and Joint Proxy Statement/Prospectus and use its reasonable best efforts to (i) have the Registration Statement containing the Joint Proxy Statement/Prospectus declared effective by the SEC as promptly as practicable thereafter and (ii) keep the Registration Statement containing the Joint Proxy Statement/Prospectus effective through the Effective Time in order to permit the consummation of the Merger. In connection with the foregoing, the Company will promptly notify ANI of the receipt of all comments of the SEC with respect to the Registration Statement containing the Joint Proxy Statement/Prospectus and of any request by the SEC for any amendment or supplement thereto or for additional information and will promptly provide to ANI copies of all correspondence between the Company and/or any of its Representatives and the SEC with respect to the Registration Statement containing the Joint Proxy Statement/Prospectus. ANI and its Representatives will be given a reasonable opportunity to be involved in the drafting of the Registration Statement containing the Joint Proxy Statement/Prospectus and any amendment or

supplement thereto and any such correspondence prior to its filing with the SEC. Each of the Company and ANI will use its reasonable best efforts to resolve all SEC comments and provide responses to the SEC as promptly as practicable with respect to all comments received on the Registration Statement containing the Joint Proxy Statement/Prospectus from the SEC and to cause the Registration Statement containing the Joint Proxy Statement/Prospectus to be mailed to the Company's stockholders and ANI's stockholders as soon as practicable after the Registration Statement containing the Joint Proxy Statement/Prospectus is declared effective by the SEC, and the Company and ANI will use their reasonable best efforts to cause such mailing to occur prior to December 15, 2012. ANI will provide the Company with the information relating to it required by the Securities Act and the Exchange Act

and the respective rules and regulations promulgated thereunder to be set forth in the Registration Statement and Joint Proxy Statement/Prospectus and each of the Company and ANI will promptly furnish to each other all other information, and take all such other actions (including using its reasonable best efforts to obtain any required consents of their respective independent auditors), as may reasonably be requested in connection with any action by any of them in connection with the preceding sentences of this Section 5.6(a). Each of ANI and the Company agrees to correct any information provided by it for use in Registration Statement containing the Joint Proxy Statement/Prospectus that has become false or misleading. Whenever any Party learns of the occurrence of any event or the existence of any fact which is required to be set forth in an amendment or supplement to the Registration Statement containing the Joint Proxy Statement/Prospectus pursuant to Applicable Law, such Party will promptly inform the other of such event or fact and comply with all of its obligations pursuant to this Section 5.6(a) relating to effecting such amendment or supplement to the Registration Statement containing the Joint Proxy Statement/Prospectus.

(b) Prior to the Effective Time, the Company will use its reasonable best effort to obtain all regulatory approvals needed to ensure that Company Common Stock to be issued pursuant to the Merger will, to the extent required, be registered or qualified or otherwise exempt from registration or qualification under the securities law of every state of the United States in which any holder of ANI Series D Preferred Stock as of immediately prior to the Effective Time has an address of record.

5.7 ANI Special Meeting; ANI Board Recommendation.

(a) Following the date hereof and provided that a Change in the Company Board Recommendation has not occurred, ANI will take all action necessary in accordance with the DGCL and its Certificate of Incorporation and By-laws to duly call, give notice of, convene and hold as promptly as practicable a special meeting of ANI's stockholders (the "**ANI Special Meeting**") to seek ANI Stockholder Approval, including mailing the Joint Proxy Statement/Prospectus to its stockholders as promptly as reasonably practicable after the Registration Statement is declared effective under the Securities Act. ANI's obligation to call, convene and hold ANI Special Meeting will not be affected by a Change in ANI Board Recommendation, unless this Agreement is terminated pursuant to Article VII. ANI, subject to Section 5.3, will use its reasonable best efforts to solicit from its stockholders proxies in favor of the adoption of this Agreement and the approval of the transactions contemplated hereby, including the Merger, and will take all other action necessary or advisable to obtain ANI Stockholder Approval. Notwithstanding anything to the contrary contained in this Agreement, ANI may adjourn or postpone ANI Special Meeting to the extent necessary to ensure that any necessary supplement or amendment to the Joint Proxy Statement/Prospectus (as determined by ANI in good faith and upon the advice of outside counsel) is provided to ANI's stockholders a reasonable time in advance of ANI Special Meeting (or at any adjournment or postponement thereof), or if as of the time for which ANI Special Meeting (or any adjournment or postponement thereof) is scheduled there are insufficient shares of ANI Common Stock represented in person or by proxy to constitute a quorum

necessary to conduct the business of ANI Special Meeting or to adopt this Agreement and approve the transactions contemplated hereby, including the Merger.

(b) Except as permitted by Section 5.3: (i) the ANI Board will recommend that ANI's stockholders vote in favor of (A) the adoption of this Agreement and (B) the approval of the transactions contemplated by this Agreement, including the Merger, at the ANI Special Meeting (or any adjournment or postponement thereof) (the "**ANI Board Recommendation**"); and (ii) the Joint Proxy Statement/Prospectus will include the ANI Board Recommendation.

5.8 Company Special Meeting; Company Board Recommendation.

(a) Following the date hereof, the Company will take all action necessary in accordance with the DGCL and its Certificate of Incorporation and By-laws to duly call, give notice of, convene and hold as promptly as practicable a special meeting of the Company's stockholders (the "**Company Special Meeting**") to seek Company Stockholder Approval, including mailing the Joint Proxy Statement/Prospectus to its stockholders as promptly as reasonably practicable after the Registration Statement is declared effective under the Securities Act. The Company's obligation to call, convene and hold the Company Special Meeting will not be affected by a Change in Company Board Recommendation, unless this Agreement is terminated pursuant to Article VII. The Company, subject to Section 5.4, will use its reasonable best efforts to solicit from its stockholders proxies in favor of the approval of the issuance of shares of Company Common Stock pursuant to this Agreement, and will take all other action necessary or advisable to obtain Company Stockholder Approval. Notwithstanding anything to the contrary contained in this Agreement, the Company may adjourn or postpone the Company Special Meeting to the extent necessary to ensure that any necessary supplement or amendment to the Joint Proxy Statement/Prospectus (as determined by the Company in good faith and upon the advice of outside counsel) is provided to the Company's stockholders a reasonable time in advance of the Company Special Meeting (or at any adjournment or postponement thereof), or if as of the time for which the Company Special Meeting (or any adjournment or postponement thereof) is scheduled there are insufficient shares of Company Common Stock represented in person or by proxy to constitute a quorum necessary to conduct the business of the Company Special Meeting or to adopt this Agreement and approve the transactions contemplated hereby, including the Merger; provided, however, that the Company Special Meeting may not be adjourned for more than thirty (30) days in the aggregate from the date originally set forth in the initial Joint Proxy Statement/Prospectus without the prior consent of ANI, not to be unreasonably withheld, conditioned or delayed.

(b) Except as permitted by Section 5.4: (i) the Company Board will recommend that the Company's stockholders vote in favor of (A) the adoption of the Company Charter Amendments and this Agreement and (B) the approval of the transactions contemplated by this Agreement,

5.9 Reasonable Best Efforts.

(a) The Company and ANI will each: (i) cooperate and coordinate with the other in the making of any filings or submissions that are required to be made under any Applicable Laws or requested to be made by any Government Authority in connection with the transactions contemplated by this Agreement, including the Merger; (ii) supply the other or its Representatives with any material information that may be required or requested by any Government Authority in connection with such filings or submissions; (iii) use their reasonable best efforts to cause the expiration or termination of the applicable waiting periods under any Applicable Laws as soon as reasonably practicable; and (iv) use their reasonable best efforts to take, or cause to be taken, all actions and do, or cause to be done, all things necessary, proper or advisable to consummate and make effective the transactions contemplated hereby, including the Merger, including by taking all such actions and doing all such things necessary to resolve such objections, if any, as any Government Authority or Person may assert under any Applicable Laws and to avoid or eliminate each and every impediment under any Applicable Law that may be asserted by any Government Authority so as to enable the transactions contemplated hereby, including the Merger, to be consummated as soon as expeditiously possible.

(b) The Company and ANI will each use reasonable best efforts to structure the Merger to qualify as a reorganization under the provisions of Section 368 of the Code. Both prior to and after the Effective Time, each Party’s books and records will be maintained, and all federal, state and local income tax returns and schedules thereto will be filed, in a manner consistent with the Merger being qualified as a reorganization under Section 368(a) of the Code (and comparable provisions of any applicable state or local laws), except to the extent the Merger is determined in a final administrative or judicial decision not to qualify as a reorganization within the meaning of Section 368(a) of the Code.

5.10 **Public Announcements.** Before issuing any news release or otherwise making any public statement with respect to any of the transactions contemplated hereby, including the Merger, the Company and ANI agree to consult with each other as to its form and substance, and agree not to issue any such news release or general communication to employees or make any public statement prior to obtaining the prior written consent of the other (which consent will not be unreasonably withheld, delayed or conditioned), except to the extent that the Company or ANI, as the case may be, is advised by outside counsel that such public statement is required by Applicable Law. Notwithstanding the foregoing, promptly following the date of this Agreement, the Company and ANI will issue a joint news release, in form and substance reasonably acceptable to each of the Company and ANI, with respect to this Agreement and the transactions contemplated hereby, including the Merger.

5.11 **Notification of Certain Matters.** ANI will give prompt notice to the Company of: (i) the occurrence or nonoccurrence of any event which would be likely to cause the failure of either of the conditions set forth in Section 6.3(a) or Section 6.3(b) to be met as of any time during the Interim Period; (ii) ANI’s or any ANI Subsidiary’s receipt of any notice or other communication from any third party alleging that the consent of such third party is or may be required in connection with the transactions contemplated by this Agreement, including the

Merger (unless such consent has been previously identified in Section 3.3 of the ANI Disclosure Schedule); (iii) the institution of any Action not previously identified in Section 3.6 of the ANI Disclosure Schedule; or (iv) the existence of any facts or circumstances that would reasonably be expected to result in a Material Adverse Effect on ANI. The Company will give prompt notice to ANI of: (w) the occurrence or nonoccurrence of any event which would be likely to cause the failure of either of the conditions set forth in Section 6.2(a) or Section 6.2(b) to be met as of any time during the Interim Period; (x) the Company’s or any Company Subsidiary’s receipt of any notice or other communication from any third party alleging that the consent of such third party is or may be required in connection with the transactions contemplated by this Agreement, including the Merger (unless such consent has been previously identified on Section 4.3 of the Company Disclosure Schedule); (y) the institution of any Action not previously identified in Section 4.6 of the Company Disclosure Schedule; or (z) the existence of any facts or circumstances that would reasonably be expected to result in a material change to the most recent calculation of Net Cash, delivered pursuant to Section 5.22 or in a Material Adverse Effect on the Company. The delivery of any notice pursuant to this Section 5.11 will not limit or otherwise affect the remedies available hereunder to the Party receiving such notice nor be deemed to have amended any of the disclosures set forth in the ANI Disclosure Schedule or the Company Disclosure Schedule, as applicable, to have qualified the representations and warranties contained herein or to have cured any misrepresentation or breach of a representation or warranty that otherwise might have existed hereunder by reason of such material development. No disclosure after the date of this Agreement of the untruth of any representation and warranty made in this Agreement will operate as a cure of any breach of the failure to disclose the information, or of any untrue representation or warranty made herein.

5.12 Indemnification of Company Directors and Officers.

(a) From and after the Effective Time, the Company will continue to indemnify and hold harmless each present and former director or officer of the Company or any Company Subsidiary (each, together with such Person’s heirs, executors or administrators, a “**Company Indemnified Person**”) against any loss, damage, injury, liability, claim, demand, settlement, judgment, award, fine, penalty, Tax, fee (including reasonable attorneys’ fees), charge, cost (including costs of investigation) or expense of any nature (“**Damages**”) incurred in connection with any Action arising out of or pertaining to matters existing or occurring at or prior to the Effective Time or any Action instituted by any Company Indemnified Person to enforce this Section 5.12 or any other indemnification or advancement right of such Company Indemnified Person, whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent that the Company is currently permitted to indemnify such Company Indemnified Person under Applicable Law and under its certificate of incorporation and bylaws as in effect on the date of this Agreement (including the advancing of expenses to the fullest extent permitted under Applicable Law); provided, however, that the Company Indemnified Person to whom such expenses are advanced will be required to provide an undertaking to the Company to repay such advances if it is ultimately determined that such Company Indemnified Person is not entitled to indemnification.

(b) From and after the Effective Time, the Company will continue to honor and fulfill all obligations of the Company or any the Company Subsidiary pursuant to any

written indemnification agreements with any Company Indemnified Persons in effect as of the date hereof.

(c) Prior to the Effective Time, the Company will purchase, and for a period of six (6) years following the Effective Time the Company will continue in effect, a directors' and officers' liability "tail" insurance policy or policies (the "**Company Tail Policies**") covering the Company Indemnified Persons for events occurring at or prior to the Effective Time, which insurance will be of at least the same coverage and amounts and contain terms and conditions which are no less advantageous to the Company Indemnified Persons than the coverage, amounts, terms and conditions of the directors' and officers' liability insurance policy maintained by the Company as of the date of this Agreement. The cost of the Company Tail Policy will be included as a Liability for purposes of calculating Net Cash.

(d) The rights of each Company Indemnified Person hereunder will be in addition to, and not in limitation of, any other rights such Company Indemnified Person may have under the certificate of incorporation and bylaws of the Company or any other similar organizational documents of the Company or any of its Subsidiaries, any other indemnification agreement or arrangement, the DGCL or otherwise. This Section 5.12 will survive the consummation of the Merger, and is intended to be for the benefit of, and will be enforceable by, the Company Indemnified Persons, their heirs and personal representatives, will be binding on the Company and its successors and assigns and may not be amended, altered or repealed after the Effective Time without the prior written consent of the affected Company Indemnified Persons. In the event that the Company or any of its successors or assigns: (i) consolidates with or merges into any other Person and will not be the continuing or surviving corporation or entity in such consolidation or merger; or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in each case, proper provision will be made so that the successors and assigns of the Company are obligated to honor the indemnification obligations set forth in this Section 5.12. Nothing in this Agreement is intended to, will be construed to or will release, waive or impair any rights to directors' and officers' insurance claims under any policy that is or has been in existence with respect to the Company or any of the Company Subsidiaries or their respective officers, directors and employees, it being understood and agreed that the indemnification provided for in this Section 5.12 is not prior to, or in substitution for, any such claims under any such policies.

5.13 Indemnification of ANI Directors and Officers.

(a) the Company agrees that all rights to exculpation, indemnification and advancement of expenses for acts or omissions occurring at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, now existing in favor of the current or former directors, officers or employees, as the case may be, of ANI or its Subsidiaries as provided in their respective certificates of incorporation or by-laws or other organization documents or in any agreement will survive the Merger and will continue in full force and effect. The Company will maintain in effect any and all exculpation, indemnification and advancement of expenses provisions of ANI's and any of its Subsidiaries' certificate of incorporation and by-laws or similar organization

78

documents in effect immediately prior to the Effective Time or in any indemnification agreements of ANI or its Subsidiaries with any of their respective current or former directors, officers or employees in effect as of the date hereof, and will not amend, repeal or otherwise modify any such provisions in any manner that would adversely affect the rights thereunder of any individuals who at the Effective Time were current or former directors, officers or employees of ANI or any of its Subsidiaries, and all rights to indemnification in respect of any Action pending or asserted or any claim made within such period will continue until the disposition of such Action or resolution of such claim.

(b) From and after the Effective Time, the Company will continue to indemnify and hold harmless each present and former director, officer or employee of ANI or any of its Subsidiaries (each, together with such Person's heirs, executors or administrators, a "**ANI Indemnified Person**") against any Damages incurred in connection with any Action arising out of or pertaining to any action or omission occurring or alleged to have occurred whether before or after the Effective Time (including acts or omissions in connection with such Persons serving as an officer, director or other fiduciary in any entity if such service was at the request or for the benefit of ANI) or any Action instituted by any ANI Indemnified Person to enforce this Section 5.13, including, in each case, the advancing of expenses to the fullest extent permitted under Applicable Law; provided, however, that the ANI Indemnified Person to whom such expenses are advanced will be required to provide an undertaking to the Company to repay such advances if it is ultimately determined that such ANI Indemnified Person is not entitled to indemnification.

(c) Prior to the Effective Time, the Company will purchase, and for a period of six (6) years following the Effective Time the Company will continue in effect, a directors' and officers' liability "tail" insurance policy or policies covering ANI's directors and officers for events occurring at or prior to the Effective Time, which insurance will be of at least the same coverage and amounts and contain terms and conditions which are no less advantageous to ANI's directors and officers than the coverage, amounts, terms and conditions of the directors' and officers' liability insurance policy maintained by ANI as of the date of this Agreement.

(d) The rights of each ANI Indemnified Person hereunder will be in addition to, and not in limitation of, any other rights such ANI Indemnified Person may have under the certificate of incorporation and bylaws of ANI or any other similar organizational documents of ANI or any of its Subsidiaries or the Company, any other indemnification agreement or arrangement, the DGCL or otherwise. This Section 5.13 will survive the consummation of the Merger, and is intended to be for the benefit of, and will be enforceable by, ANI Indemnified Persons, their heirs and personal representatives, will be binding on the Company and its successors and assigns and may not be amended, altered or repealed after the Effective Time without the prior written consent of the affected ANI Indemnified Persons. In the event that the Company or any of its successors or assigns: (i) consolidates with or merges into any other Person and will not be the continuing or surviving corporation or entity in such consolidation or merger; or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in each case, proper provision will be made so that the successors and assigns of the

79

Company are obligated to honor the indemnification obligations set forth in this Section 5.13. Nothing in this Agreement is intended to, will be construed to or will release, waive or impair any rights to directors' and officers' insurance claims under any policy that is or has been in existence

with respect to ANI or any of its Subsidiaries or their respective officers, directors and employees, it being understood and agreed that the indemnification provided for in this Section 5.13 is not prior to, or in substitution for, any such claims under any such policies.

5.14 **Composition of the Company Board; Officers.**

(a) Prior to the Effective Time, the Company will take all action necessary:

(i) to cause the number of members of the Company Board to be fixed at seven (7);

(ii) to cause, concurrently with the Effective Time, five (5) of such directors to be persons designated by ANI (who are identified as such on Schedule III to this Agreement as such schedule may be amended by ANI at any time prior to a date five (5) Business Days before the Registration Statement is expected to be declared effective) (one (1) of whom will be the Chief Executive Officer of the Surviving Corporation) (the “**ANI Director Designees**”) and two (2) of such directors to be persons designated by the current Company Board from the list of persons identified as Company designees on Schedule III to this Agreement (one (1) of whom will be Stephen M. Simes, unless Mr. Simes’ status as a non-independent director for purposes of the NASDAQ Global Market causes the Company not to comply with NASDAQ listing requirements, it being understood that three of the five persons designated by ANI (including the Chief Executive Officer) will not likely qualify as independent directors in accordance with the applicable NASDAQ Global Market rules and NASDAQ listing requirements (the “**Company Director Designees**”);

(iii) to obtain the necessary resignations of the directors of the Company serving immediately prior to the Effective Time who are among the directors designated above, which resignations will be effective concurrently with the effectiveness of the elections referred to in clauses (i) and (ii); and

(iv) to cause the officers of the Company to be as of the Effective Time those persons identified as such on Schedule III to this Agreement.

If any Company Director Designee is, prior to the Effective Time, unable or unwilling to hold office beginning concurrently with the Effective Time, the current Company Board will designate another to be appointed as a director in his or her place; provided such person so designated will qualify as an independent director in accordance with the applicable NASDAQ Global Market rules and NASDAQ listing requirements.

If any ANI Director Designee is, prior to the Effective Time, unable or unwilling to hold office beginning concurrently with the Effective Time, the

80

current ANI Board will designate another to be appointed as a director in his or her place; provided that two of the total number of persons designated by the ANI Board will qualify as independent directors in accordance with the applicable NASDAQ Global Market rules and NASDAQ listing requirements.

(b) It is understood and agreed that both of the Company Director Designees (other than Stephen M. Simes in the circumstances set forth above) and two (2) of the directors identified on Schedule III to this Agreement will be independent for purposes of the listing requirements of the NASDAQ Global Market. It is further understood and agreed that pursuant to the terms of its Voting Agreement, Meridian Venture Partners II, L.P. will vote in favor of the Company Director Designees at the first annual meeting of the stockholders following the consummation of the Merger, which will be held no earlier than May 1, 2013.

5.15 **Listing of Shares.** The Company will use its reasonable best efforts to maintain its existing listing on The NASDAQ Global Market and to cause the shares of Company Common Stock to be issued in the Merger to be approved for listing (subject to notice of issuance) on The NASDAQ Global Market or The NASDAQ Capital Market at or prior to the Effective Time. ANI will promptly furnish to the Company all information concerning ANI that may be required or reasonably requested in connection with such listing.

5.16 **Convertible Notes.** The Company will take such reasonable actions as may be reasonably necessary so that upon the Effective Time, the Company will be in compliance with the terms of the Indenture. The Company agrees to give the notice required under Section 9.6 of the Indenture and any other notice required under the Indenture to be given by the Company prior to the Effective Time with respect to the Merger.

5.17 **Employee Benefit Matters.**

(a) Subject to the remaining provisions of this Section 5.17, as of and immediately following the Effective Time the Company will (i) continue Company Benefit Plans in effect immediately prior to the Effective Time, (ii) adopt ANI Benefit Plans, (iii) adopt new Benefit Plans or (iv) a combination of clauses (i), (ii) and (iii). The Company and ANI group health plans in effect from and after the Effective Time will provide COBRA group health plan continuation coverage to any qualified beneficiary entitled to coverage under such group health plans (which coverage will be no less favorable taken as a whole than the coverage provided under the ANI group health plans in effect as of the date hereof), regardless of whether such qualified beneficiary’s qualifying event occurred on, before or after the Effective Time. The terms “qualified beneficiary,” “qualifying event” and “group health plan” have the meanings ascribed to them in COBRA.

(b) Following the Effective Time, the Company will honor the terms of the employment agreements with each Company employee or officer listed on Section 5.17(b) of the Company Disclosure Schedule (individually and collectively referred to herein as the “**Company Executives**”). Prior to the Determination Date, the Company will obtain quotes for and determine the costs for (i) an individual health insurance policy

81

that provides coverage that is not materially less than the Company Executive's coverage under such the Company group medical plan and (ii) an individual dental insurance policy that provides coverage that is not materially less than coverage under the Company's group dental plan in effect on the Effective Time, (iii) an individual life insurance policy that provides coverage that is not materially less than the Company Executive's coverage under the Company's life insurance plan in effect on the Effective Time, plus (iv) an additional amount equal to the Federal, State and any other income, employment and other taxes (calculated at the highest rates applicable to the Company Executive) such Company Executive will owe on such amounts (including on the tax gross-up payment itself), it being intended that the individual retain (on an after-tax basis) an amount equal to the monthly premium, which sum of the amounts set forth in clauses (i) to (iv) will be included as a Liability in the calculation of Net Cash (pursuant to and with such adjustments as may be permitted pursuant to Section 2.2(a)(vii)(A)). If within the Applicable Period following the Effective Time, the Company and all its Affiliates cease to provide any group medical, dental and/or life insurance plan to employees such that the Company cannot otherwise honor the provisions in the employment agreement relating to group medical, dental and life insurance coverage during the remainder of the "continuation period" under each Company Executive's employment agreement, then the Company will provide each such Company Executive with the monthly cash payments for the remainder of the continuation period as provided for in such Executive's employment agreement with the Company and the Company's Officer Severance Policy, as applicable. As used herein, "**Applicable Period**" means as to a Company Executive, the required continuation period as provided for in such Executive's employment agreement with the Company or the Company's Officer Severance Policy, as applicable.

(c) On and after the Effective Time, the Company will honor the terms of the employment agreements with each ANI employee or officer listed on Section 5.17(c) of the ANI Disclosure Schedule (individually and collectively referred to herein as the "**ANI Executives**") and the terms of the Company's Officer Severance Policy as it applies to Company employees terminated on or prior to the Closing Date.

(d) Set forth on Section 5.17(d) of the Company Disclosure Schedule is a calculation by the Company of the severance amounts owed in connection with the Merger that the Company Executives included on such list may not receive until six (6) months following the date they terminate employment with the Company in order to comply with Code Section 409A (the "**Delayed Severance Amounts**"). During the Interim Period, the Company will (i) adopt a grantor trust (substantially in the form of a trust agreement already provided to ANI), of which the Company is the grantor, within the meaning of subpart E, Part I, subchapter J, chapter 1, subtitle A of the Code (the "**Rabbi Trust**") and (ii) deposit an amount equal to the Delayed Severance Amounts in such Rabbi Trust. The Rabbi Trust will be revocable during the Interim Period and will become irrevocable at the Effective Time. The principal of the Rabbi Trust, and any earnings thereon, will be held separate and apart from other funds of the Company and used exclusively for the purpose of making payments to the Company Executives of the Delayed Severance Amounts at the end of the six (6) month suspension period and in accordance with the terms of their employment agreements and will be included as a Liability in the calculation of Net Cash; provided, however, that any assets held by the

82

Rabbi Trust will be subject to the claims of the Company's general creditors under federal and state law in the event of the Company's insolvency (as defined under such Rabbi Trust agreement).

(e) The Company will cease contributions to and terminate each Company Plan qualified under Code Section 401(k) (the "**Company 401(k) Plan**"), and adopt written resolutions and a plan amendment terminating the Company Plan, such cessation of contributions and termination to be effective no later than one (1) Business Day preceding the Effective Time; provided, however, that such Company 401(k) Plan termination may be made contingent upon the consummation of the transactions contemplated by this Agreement.

(f) Subject to the obligations set forth in Section 5.17(d) and Section 5.7(e), nothing in this Section 5.17 will (i) constitute or be treated as an amendment of any Company Benefit Plan or ANI Benefit Plan (or an undertaking to amend any such plan), (ii) prohibit ANI or the Company from amending, modifying or terminating any ANI Benefit Plan or Company Benefit Plan pursuant to, and in accordance with, the terms thereof, or (iii) confer any rights or benefits on any Person other than ANI and the Company. Notwithstanding the foregoing, the Company will honor, in accordance with the terms as in effect immediately prior to the Effective Time, the employment agreements between the Company and the Company Executives and between ANI and the ANI Executives, as well as the Company's Officer Severance Policy for the individuals set forth in Section 5.17(f) of the Company Disclosure Schedule who are entitled to severance in accordance therewith.

(g) Immediately prior to the Effective Time, the Company will terminate all of its employees, except those as to whom ANI has delivered written notice that they should not be terminated, if any.

(h) Following the Effective Time, the Surviving Corporation will use commercially reasonable efforts to provide retiree group medical and dental coverage to the individuals listed on Section 4.9(j) of the Company Disclosure Schedule and the Company Executives listed on Section 5.17(b) of the Company Disclosure, in accordance with the group medical and dental plans of the Surviving Corporation in effect from time to time. The premiums for any such retiree group medical and dental coverage, if not required to be paid by the Company pursuant to the terms of an employment agreement of an employee or officer listed on Section 5.17(b) of the Disclosure Schedule, will be payable by the covered individual.

5.18 **Takeover Statutes.** At all times prior to the Effective Time, each of the Company and ANI will: (i) take all reasonable action necessary to ensure that no Takeover Statute is or becomes applicable to this Agreement or the transactions contemplated hereby, including the Merger; and (ii) if any Takeover Statute becomes applicable to this Agreement or the transactions contemplated hereby, including the Merger, take all reasonable action necessary to ensure that the transactions contemplated by this Agreement, including the Merger, may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise to minimize the effect of such Takeover Statute on this Agreement or the transactions contemplated hereby, including the Merger.

83

5.19 **Further Assurances.** At and after the Effective Time, the officers and directors of the Company will be authorized to execute and deliver, in the name and on behalf of ANI, any deeds, bills of sale, assignments or assurances and to take and do, in the name and on behalf of ANI, any other actions and things to vest, perfect or confirm of record or otherwise in the Surviving Corporation any and all right, title and interest in, to and under any of the rights, properties or assets of ANI acquired or to be acquired by the Company as a result of, or in connection with, the Merger.

5.20 **Stockholder Litigation.** The Company will give ANI the opportunity to participate in, and the Company and ANI will reasonably cooperate with respect to, the defense or settlement of any stockholder litigation against the Company and/or its directors or executive officers relating to the Merger, this Agreement or any transaction contemplated by this Agreement, whether commenced prior to or after the execution and delivery of this Agreement, will provide ANI with copies of all applicable pleadings, motions and other filings (as well as transcripts of depositions) and give ANI the reasonable opportunity to comment thereon, together with copies of any underlying documents relevant thereto and will not settle or offer to settle any such litigation without the prior written consent of ANI.

5.21 **Net Cash.** The Company will deliver to ANI a calculation of Net Cash (in the form previously delivered as Section 4.4(d) of the Company Disclosure Schedule) as follows: (a) no less than ten (10) days after the end of each calendar month, with respect to Net Cash as of the last day of the preceding month, (b) at least (3) calendar days prior to the mailing of the Joint Proxy Statement/Prospectus, with respect to estimated Net Cash as of the date of such mailing, and (c) at least (3) calendar days prior to the Closing Date, with respect to estimated Net Cash as of Closing Date. For purposes of determining Net Cash as of the Closing Date, the Parties agree that if ANI shall dispute such calculation as of the Closing Date and assert that the Minimum Net Cash condition to Closing set forth in Section 6.2(f) of the Agreement will not be satisfied, then the process set forth in Section 2.2(c) above will be followed in order to determine whether or not the Minimum Net Cash condition to Closing in Section 6.2(f) has been satisfied, subject to the timing set forth in clause (c) above. In the event a final determination of the Net Cash has not been made on the scheduled Closing Date, the Parties agree that the Closing Date will be adjourned to the second (2nd) Business Day following final determination of the Net Cash in accordance with Section 2.2(c)(vi) of the Agreement (assuming the above referenced Minimum Net Cash covenant referenced above has either been satisfied or waived by ANI).

5.22 **Amending Party.** The Company agrees to use commercially reasonable efforts to enter into an amendment to the Company Contract with the party (the “**Amending Party**”) set forth in Section 5.2 of the Company Disclosure Schedule prior to the Closing Date, in substantially the form provided to ANI prior to the date hereof. In the event that such amendment, in substantially the form presented to ANI prior to the date hereof, is entered into and is in full force and effect (without default thereunder) on the Determination Date, then ANI agrees that any amounts received by the Company pursuant to paragraph 2 of such amendment and Section 7(c)(i) as added by such amended agreement on December 31, 2012, may be included as “Net Cash” for purposes of the calculation of Net Cash as of the Determination Date under Section 2.2(a)(vii) of the Agreement, even if the Determination Date occurs prior to December 31, 2012.

84

5.23 **Asset Letter of Intent.** The Parties agree that the Company may enter into negotiations relating to the sale of the assets referred to in the non-binding letter of intent dated as of October 5, 2012 in the form provided to ANI prior to the date hereof and may execute such letter of intent (as executed, the “**Letter of Intent**”) and a definitive agreement related thereto; provided, however, that ANI shall have the right to review the execution copy of the Letter of Intent and the right to approve any material changes therein from the form previously provided to ANI and to review the definitive agreement in respect thereto and to the extent any provision of that definitive agreement was not specifically set forth in the Letter of Intent, ANI shall have the right to approve such provision, which approval is not to be unreasonably withheld. ANI agrees that any amounts received by the Company prior to the Determination Date pursuant to such definitive agreement may be included as Net Cash for purposes of the calculation of Net Cash under Section 2.2(a)(vii).

5.24 **Hart-Scott-Rodino.** If the Parties mutually determine that any filing is required by the Hart Scott Rodino Antitrust Improvements Act of 1976, as amended (the “**HSR Act**”), then each of the Parties agrees to file as promptly as practicable with the Federal Trade Commission and the Antitrust Division of the Department of Justice all requisite documents and notifications relating to this Agreement and the transactions contemplated hereby, including the Merger and supply any additional information that may be required or requested in connection therewith as promptly as practicable. The Parties further agree that any filing fee payable in connection therewith will be paid by the Company, however, only 50% thereof will be include in the calculation of Net Cash.

5.25 **ANI Warrants.** ANI agrees to use commercially reasonable efforts to obtain cancellation and termination agreements from all holders of the ANI Warrants prior to the Effective Time, pursuant to which each such holder will agree that all ANI Warrants held by such holder immediately prior to the Effective Time and that have not been validly exercised prior thereto will be cancelled and terminated as of the Effective Time without any consideration therefor.

The issuance of such opinions will be conditioned upon the receipt by such counsel of customary representation letters from each of the Company and ANI, in each case, in form and substance reasonably satisfactory to such counsel. Each such representation letter has been dated on or before the date of such opinion and has not been withdrawn or modified in any material respect.

(e) by the Company or ANI if the ANI Special Meeting has been held and completed (including any adjournments or postponements thereof), ANI’s stockholders have taken a final vote on a proposal to adopt this Agreement and approve the transactions contemplated hereby, including the Merger, and the ANI Stockholder Approval has not been obtained; provided, however, that a Party will not be permitted to

88

7.2 Notice of Termination; Effect of Termination. A Party desiring to terminate this Agreement pursuant to Section 7.1 (other than Section 7.1(a)) must give written notice of such termination to the other Party in accordance with Section 8.4, specifying the provision or provisions hereof pursuant to which such termination is being effected. In the event of the valid termination of this Agreement as provided in Section 7.1, except as set forth in this Section 7.2 or in Section 7.3, each of which will survive the termination of this Agreement, this Agreement will forthwith become void and have no effect, without any liability on the part of any Party other than liability for any breach of this Agreement occurring prior to such termination. No termination of this Agreement will affect the obligations of the parties contained in the Confidentiality Agreement, all of which obligations will survive termination of this Agreement in accordance with their terms.

7.3 Fees and Expenses.

(a) Except as set forth in this Section 7.3, all fees and expenses incurred in connection with this Agreement and the transactions contemplated hereby, including the Merger, will be paid by the Party incurring such Expenses if the Merger is not consummated; provided, however, that the Surviving Corporation will pay the Expenses of each Party if the Merger is consummated. Notwithstanding the foregoing, if this Agreement is terminated (i) by ANI pursuant to Section 7.1(f), Section 7.1(i) or Section 7.1(j) or (ii) the Company pursuant to Section 7.1(e) or Section 7.1(g), then the Company will reimburse ANI for all of ANI's Expenses; provided, however, that the amount required to be reimbursed in respect of Expenses by the Company will not exceed five hundred thousand dollars (\$500,000). In addition, in the event of a termination of this Agreement as set forth in clause (i) or (ii) above where another transaction otherwise constituting an Acquisition Proposal (except all references to "15%" in such definition will be deemed to be references to "30%," instead) is consummated within twelve (12) months or, in the case of a termination by the Company pursuant to Section 7.1(e), two (2) months following such termination, an additional termination fee would be paid by the Company to ANI which, when combined with the foregoing Expense reimbursement previously paid to ANI, would equal a total of one million dollars (\$1,000,000) (the "**ANI Termination Fee**"). If the Agreement is terminated by the Company pursuant to Section 7.1(h), then ANI will to pay to the Company a termination fee of seven hundred fifty thousand dollars (\$750,000) (the "**Company Termination Fee**" and, together with the ANI Termination Fee, the "**Termination Fees**"). As used herein "**Expenses**" includes all reasonable out-of-pocket expenses (including all fees and expenses of counsel, accountants, investment bankers, experts and consultants to a Party or its Affiliates) incurred by a Party or on its behalf in connection with, or related to, the authorization, preparation, negotiation and performance of this Agreement and the other documents and agreements required hereby.

(b) Any Expenses or Termination Fee required to be paid by the Company pursuant to this Section 7.3 will be paid by the Company pursuant to a wire transfer of immediately available funds to an account designated by ANI in writing, concurrently with any notice of termination by the Company, or within two (2) Business Days of any notice of termination given by ANI, in the case of Expenses and concurrently with the consummation of any Acquisition Proposal, in the case of a termination fee.

90

(c) Any Termination Fee required to be paid by ANI pursuant to this Section 7.3 will be paid by ANI pursuant to a wire transfer of immediately available funds to an account designated by the Company in writing, concurrently with any notice of termination by the Company.

(d) Subject to the Parties' right to specifically enforce the terms of this Agreement pursuant to Section 8.7 prior to the valid termination of this Agreement, but notwithstanding any other provision of this Agreement to the contrary, each of ANI and the Company agree that (i) such Party's right to receive the payment of a Termination Fee (and, if applicable, the reimbursement of Expenses), as and when set forth in Section 7.3(a), will be the sole and exclusive remedy of such Party against the other Party, any of such other Party's Subsidiaries or any of their respective former, current or future Representatives, stockholders, general or limited partners, members, managers, directors, officers, employees, agents, assignees or Affiliates (collectively, the "**Other Parties**") for all losses and damages suffered as a result of the failure of the Merger or the other transactions contemplated by this Agreement to be consummated or for any other breach or failure to perform hereunder or otherwise, and (ii) none of the Other Parties will have any liability or obligation, in any such case (clause (i) or (ii)) relating to, arising out of or with respect to this Agreement or any of the transactions contemplated hereby (whether relating to, arising out of or with respect to any matter(s) forming the basis for such termination or otherwise). Without limitation of the foregoing, neither Party nor any of its respective Affiliates or any other Person will be entitled to bring or maintain any proceeding, claim, suit or action against, or seek damages from, any of the Other Parties in contravention of the preceding sentence.

(e) Each of the Parties hereto acknowledges that (i) the agreements contained in this Section 7.3 are an integral part of the transactions contemplated hereby, (ii) any Termination Fee is not a penalty, but constitutes liquidated damages, in a reasonable amount that will compensate the Company or ANI, as the case may be, in the circumstances in which the Termination Fee is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated hereby, which amount would otherwise be impossible to calculate with precision, and (iii) without these agreements, the Parties would not enter into this Agreement. If either the Company or ANI fails to pay a Termination Fee or reimburse Expenses when due, and, in order to obtain such payment, the other Party commences a suit that results in a judgment against the defaulting party for such Termination Fee or Expense reimbursement, the defaulting Party will pay to the other Party its reasonable costs and expenses (including reasonable attorneys' fees and expenses) incurred in connection with such suit, together with interest on the amount of the Termination Fee or Expense reimbursement from the date such payment was required to be made until the date of payment at the prime rate of Citibank N.A. in effect on the date such payment was required to be made.

ARTICLE VIII. General Provisions

8.1 **Non-Survival of Representations, Warranties, Covenants and Agreements.** None of the representations, warranties, covenants and agreements in this Agreement or in any instrument delivered pursuant to this Agreement, including any rights arising out of any breach of such representations, warranties, covenants and agreements, will survive the Effective Time, except for (a) those covenants and agreements contained herein that by their terms apply or are to be performed in whole or in part after the Effective Time, and (b) this Article VIII.

8.2 **Amendment and Modification.** This Agreement may be amended, modified or supplemented only by the written agreement of the Company and ANI at any time prior to the Effective Time; provided, however, that after either Company Stockholder Approval or the ANI Stockholder Approval is obtained no amendment or waiver that, pursuant to Applicable Law, requires further Company Stockholder Approval or ANI Stockholder Approval, as applicable, will be effective without the receipt of such further Company Stockholder Approval or ANI Stockholder Approval, as applicable.

8.3 **Waiver of Compliance; Consents.** Any failure of the Company or ANI to comply with any obligation, covenant, agreement or condition herein may be waived by ANI (with respect to any failure by the Company) or by the Company (with respect to any failure by ANI), respectively, only by a written instrument signed by the Party granting such waiver, but such waiver or failure to insist upon strict compliance with such obligation, covenant,

agreement or condition will not operate as a waiver of, or estoppel with respect to, any subsequent or other failure. Whenever this Agreement requires or permits consent by or on behalf of any Party, such consent will be deemed effective when given in a manner consistent with the requirements for a waiver of compliance as set forth in this [Section 8.3](#).

8.4 **Notices.** All notices, requests, demands, claims and other communications that are required to be or may be given under this Agreement must be in writing and will be deemed to have been effectively given: (i) upon personal delivery to the recipient; (ii) when sent by confirmed facsimile, if sent during normal business hours of the recipient; if not, then on the next Business Day; or (iii) one (1) Business Day after deposit with a nationally recognized overnight courier, specifying next-day delivery, with written verification of receipt, in each case to the intended recipient at the following addresses:

8.5 **Assignment; Third-Party Beneficiaries.** Neither this Agreement nor any right, interest or obligation hereunder may be assigned by any of the Parties without the prior written consent of the other Party. This Agreement will be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. This Agreement is not intended to confer any rights or remedies upon any Person other than: (i) the Parties; (ii) the Company Indemnified Persons only after the Effective Time and only with respect to [Section 5.12](#); (iii) the ANI Indemnified Persons only after the Effective Time and only with respect to [Section 5.13](#); (iv) Company Director Designees only after the Effective Time and only with respect to [Section 5.14](#) and (v) the Company Executives and other benefit plan participants only after the Effective Time and only with respect to [Section 5.17](#).

8.6 **Governing Law.** This Agreement will be governed by the laws of the State of Delaware without reference to principles of conflicts of laws that would result in the application of the laws of any other jurisdiction.

8.7 **Other Remedies; Specific Enforcement; Consent to Jurisdiction.** Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the

93

exercise of any other remedy. The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy would occur in the event that the Parties do not perform their obligations pursuant to this Agreement in accordance with its specified terms or otherwise breach such terms. Accordingly, the Parties acknowledge and agree that the Parties will be entitled to an injunction, specific performance and other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the Parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief as provided herein on the basis that: (i) any Party has an adequate remedy at law; or (ii) an award of specific performance is not an appropriate remedy for any reason at law or in equity. In addition, each of the Parties: (x) consents to submit itself to the personal jurisdiction of any federal court located in the State of Delaware or any state court located in the State of Delaware in the event that any dispute arises out of this Agreement or the transactions contemplated hereby, including the Merger; (y) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave

from any such court; and (z) agrees that it will not bring any action relating to this Agreement or the transactions contemplated hereby, including the Merger, in any court other than a federal court located in the State of Delaware or a state court located in the State of Delaware.

8.8 **Counterparts.** This Agreement may be executed in any number of counterparts and by facsimile signatures, any one of which need not contain the signatures of more than one Party and each of which will be an original, but all such counterparts taken together will constitute one and the same instrument. The exchange of copies of this Agreement or amendments thereto and of signature pages by facsimile transmission or by e-mail transmission in portable digital format (or similar format) will constitute effective execution and delivery of such instrument(s) as to the Parties and may be used in lieu of the original Agreement or amendment for all purposes. Signatures of the Parties transmitted by facsimile or by e-mail transmission in portable digital format (or similar format) will be deemed to be their original signatures for all purposes.

8.9 **Severability.** Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction will not affect the validity or enforceability of the remaining terms and provisions of this Agreement or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the Parties agree that the court making such determination will have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement will be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

94

8.10 **Interpretation.**

(a) For purposes of this Agreement, whenever the context requires, the singular number will include the plural, and vice versa, the masculine gender will include the feminine and neuter genders, the feminine gender will include the masculine and neuter genders, and the neuter gender will include masculine and feminine genders.

(b) When calculating the time period before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is referenced in calculating such period will be excluded (for example, if an action is to be taken within two (2) days of a triggering event and such event occurs on a Tuesday, then the action must be taken by Thursday). If the last day of such period is a non-Business Day, the period in question will end on the next succeeding Business Day.

(c) As used in this Agreement, the words “include” and “including” and variations thereof, will not be deemed to be terms of limitation, but rather will be deemed to be followed by the words “without limitation”.

(d) Except as otherwise expressly indicated, all references in this Agreement to a “Section”, “Article”, “Preamble”, “Recitals” or “Exhibit” are intended to refer to a Section, Article, the Preamble, the Recitals or an Exhibit of this Agreement, and all references to a “Schedule” are intended to refer to a Section of the ANI Disclosure Schedule or the Company Disclosure Schedule, as applicable.

(e) As used in this Agreement, the terms “hereof”, “hereunder”, “herein” and words of similar import will refer to this Agreement as a whole and not to any particular provision, Section, Exhibit or Schedule of this Agreement.

(f) The phrases “known” or “**knowledge**” mean, (i) with respect to an individual, that such individual is actually aware of the relevant fact or such individual would reasonably be expected to know such fact in the ordinary course of the performance of the individual’s employment or professional responsibility, and (ii) with respect to any Person, that any officer of such Person is actually aware of the relevant fact or such officer would reasonably be expected to know after due inquiry with respect to such officer’s areas of primary responsibility .

(g) Each Party has participated in the drafting of this Agreement, which each Party acknowledges is the result of extensive negotiations among the Parties. Consequently, this Agreement will be interpreted without reference to any rule or precept of Applicable Law that states that any ambiguity in a document be construed against the drafter.

(h) Any reference in this Agreement to “\$” or “dollars” will mean U.S. dollars.

(i) All references to any section of any law include any amendment of, and/or successor to, that section.

95

(j) The table of contents and Article and Section headings contained in this Agreement are for reference purposes only and do not limit or otherwise affect any of the substance of this Agreement.

(k) All terms defined in this Agreement will have such defined meanings when used in the Company Disclosure Schedule or the ANI Disclosure Schedule or any certificate or other document made or delivered pursuant hereto or thereto unless otherwise defined therein.

8.11 **Entire Agreement.** This Agreement and the Confidentiality Agreement, including the exhibits hereto and the documents and instruments referred to herein (including the Company Disclosure Schedule and the ANI Disclosure Schedule), embody the entire agreement and understanding of the Parties in respect of the subject matter contained herein. There are no representations, promises, warranties, covenants, or undertakings, other than those expressly set forth or referred to herein and therein.

8.12 **Deliveries.** Each Party agrees and acknowledges that all documents or other items included in the electronic dataroom used in connection with the Merger or otherwise delivered to the other Party or its representatives (including legal counsel and accountants) will be deemed to be delivered, provided or made available to the other Party for all purposes under this Agreement.

8.13 **Arbitration Concerning Litigation Reserve.** The Parties agree that any dispute arising out of or relating to the determination of the reserve in Section 2.2(a)(vii)(G) prior to November 15, 2012 (including any dispute regarding the arbitrability thereof), will be resolved through expedited, binding and confidential arbitration conducted before a single arbitrator pursuant to the then-current Expedited Procedures of the Commercial Arbitration Rules and Mediation Procedures of the American Arbitration Association, unless the parties mutually agree in writing otherwise. Any arbitration hearing will be conducted in Chicago, Illinois. The arbitration hearing will be concluded within thirty (30) days of selection of the arbitrator and the arbitrator will rule within seven (7) days following the closing of the hearing, unless the parties mutually agree in writing otherwise. The arbitrator's award and decision will be limited to a determination of the amount of the litigation reserve to be included in the calculation of Net Cash pursuant to Section 2.2(a)(vii)(G). The Parties mutually waive any and all rights to challenge the arbitration decision in any state or federal court.

8.14 **WAIVER OF JURY TRIAL.** THE COMPANY AND ANI EACH HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY, INCLUDING THE MERGER.

VOTING AGREEMENT

This VOTING AGREEMENT (this “**Agreement**”), dated as of October 3, 2012, is by and between, BioSante Pharmaceuticals, Inc., a Delaware corporation (the “**Company**”), and the undersigned stockholder (“**Stockholder**”) of ANIP Acquisition Company, a Delaware corporation (“**ANI**”) identified on the signature page hereto.

A. The Company and ANI are entering into an Agreement and Plan of Merger (as amended from time to time, the “**Merger Agreement**”), dated as of the date hereof, providing for, among other things, the merger of ANI with and into the Company, with the Company continuing as the surviving corporation (the “**Merger**”);

B. As of the date hereof, Stockholder is the Beneficial Owner (as defined below) of, and has the sole right to vote and dispose of, that number of shares of common stock, Series A Preferred Stock, Series B Preferred Stock, Class C Preferred Stock and Series D Preferred Stock (the “**ANI Shares**”) of ANI set forth beside Stockholder’s name on Schedule A hereto; and

C. Concurrently with the entry by the Company and ANI into the Merger Agreement, and as a condition and inducement to the willingness of the Company to enter into the Merger Agreement and incur the obligations set forth therein, the Company has required that Stockholder enter into this Agreement;

Accordingly, and in consideration of the foregoing and the mutual representations, warranties, covenants and agreements contained herein, the parties hereto, intending to be legally bound, hereby agree as follows:

ARTICLE I. Definitions

Capitalized terms used but not defined in this Agreement are used in this Agreement with the meanings given to such terms in the Merger Agreement. In addition, for purposes of this Agreement:

“**Affiliate**” means, with respect to any specified person, a person who, at the time of determination, directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such specified person. For purposes of this Agreement, with respect to Stockholder, “**Affiliate**” does not include ANI and the persons that directly, or indirectly through one or more intermediaries, are controlled by ANI. For the avoidance of doubt, no officer or director of ANI will be deemed an Affiliate of another officer or director of ANI by virtue of his or her status as an officer or director of ANI.

“**Beneficially Owned**” or “**Beneficial Ownership**” with respect to any securities means having beneficial ownership of such securities (as determined pursuant to Rule 13d-3 under the Exchange Act, disregarding the phrase “within 60 days” in paragraph (d)(1)(i) thereof), including pursuant to any agreement, arrangement or understanding, whether or not in writing. Without duplicative counting of the same securities, securities Beneficially Owned by a person include securities Beneficially Owned by (i) all Affiliates of such person, and (ii) all other persons with

whom such person would constitute a “group” within the meaning of Section 13(d) of the Exchange Act and the rules promulgated thereunder.

“**Beneficial Owner**” with respect to any securities means a person that has Beneficial Ownership of such securities.

“**person**” has the meaning ascribed thereto in the Merger Agreement.

“**Subject Shares**” means, with respect to Stockholder, without duplication, (i) the ANI Shares owned by Stockholder on the date hereof as described on Schedule A, and (ii) any additional ANI Shares acquired by Stockholder or over which Stockholder acquires Beneficial Ownership from and after the date hereof, whether pursuant to existing stock option agreements, warrants or otherwise. Without limiting the other provisions of this Agreement, in the event that ANI changes the number of ANI Shares issued and outstanding prior to the Expiration Date as a result of a reclassification, stock split (including a reverse stock split), stock dividend or distribution, combination, recapitalization, subdivision, or other similar transaction, the number of Subject Shares subject to this Agreement will be equitably adjusted to reflect such change.

“**Transfer**” means, with respect to a security, the sale, transfer, pledge, hypothecation, encumbrance, assignment or disposition of such security or the Beneficial Ownership thereof, and each option, agreement, arrangement or understanding, whether or not in writing, to effect any of the foregoing. As a verb, “**Transfer**” has a correlative meaning.

ARTICLE II. Covenants of Stockholder

2.1 **Irrevocable Proxy.** Concurrently with the execution of this Agreement, Stockholder agrees to deliver to the Company a proxy in the form attached hereto as Exhibit A (the “**Proxy**”), which will be irrevocable to the extent provided in Section 212 of the Delaware General Corporation Law (the “**DGCL**”), with respect to the Subject Shares referred to therein.

2.2 **Agreement to Vote.**

(a) At any meeting of the stockholders of ANI held prior to the Expiration Date (as defined in Section 5.14), however called, and at every adjournment or postponement thereof prior to the Expiration Date, or in connection with any written consent of, or any other action by, the stockholders of the Company given or solicited prior to the Expiration Date, Stockholder will vote, or provide a consent with respect to, all of the Subject Shares entitled to vote or to consent thereon (i) in favor of the adoption of the Merger Agreement, and any actions required in furtherance thereof, and (ii) against any Acquisition Proposal (other than the Merger), against any amendment of ANI’s certificate of incorporation or bylaws or any other proposal or transaction involving ANI, the purpose of which amendment or other proposal or transaction is to delay, prevent or nullify the Merger or the transaction contemplated by the Merger Agreement or change in any manner the voting rights of any capital stock of ANI, and against

any other action or agreement that would result in a breach in any material respect of any covenant, representation or warranty or any other obligation or agreement of ANI under the Merger Agreement.

2

(b) Stockholder will not enter into any agreement with any person (other than the Company) prior to the Expiration Date (with respect to periods prior to or after the Expiration Date) directly or indirectly to vote, grant any proxy or give instructions with respect to the voting of, the Subject Shares in respect of the matters described in Section 2.2 hereof, or the effect of which would be inconsistent with or violate any provision contained in this Section 2.2. Any vote or consent (or withholding of consent) by Stockholder that is not in accordance with this Section 2.2 will be considered null and void, and the provisions of the Proxy will be deemed to take immediate effect.

2.3 **Revocation of Proxies; Cooperation.** Stockholder agrees as follows:

(a) Stockholder hereby represents and warrants that any proxies heretofore given in respect of the Subject Shares with respect to the matters described in Section 2.2(a) hereof are not irrevocable, and Stockholder hereby revokes any and all prior proxies with respect to such Subject Shares as they relate to such matters. Prior to the Expiration Date, Stockholder will not directly or indirectly grant any proxies or powers of attorney with respect to the matters set forth in Section 2.2(a) hereof (other than to the Company), deposit any of the Subject Shares or enter into a voting agreement (other than this Agreement) with respect to any of the Subject Shares relating to any matter described in Section 2.2(a).

(b) Stockholder will (i) use all reasonable efforts to cooperate with the Company and ANI in connection with the transactions contemplated by the Merger Agreement, and (ii) provide any information reasonably requested by the Company or ANI for any regulatory application or filing sought for such transactions.

2.4 **No Solicitation.** Stockholder acknowledges that ANI is subject to the non-solicitation prohibitions set forth in Section 5.3 of the Merger Agreement and that the Stockholder has read and understands the terms thereof. Stockholder will not, directly or indirectly, (a) solicit, initiate or knowingly encourage or knowingly facilitate (including by way of furnishing any non-public information relating to ANI or any of its Subsidiaries), or knowingly induce or knowingly take any other action which would reasonably be expected to lead to the making, submission or announcement of, any proposal or inquiry that constitutes, or is reasonably likely to lead to, an Acquisition Proposal; (b) other than informing Persons of the provisions contained in Section 5.3 of the Merger Agreement, enter into, continue or participate in any discussions or any negotiations regarding any Acquisition Proposal or otherwise take any action to knowingly facilitate or knowingly induce any effort or attempt to make or implement an Acquisition Proposal (including any Acquisition Proposal received prior to the date of this Agreement); (iii) approve, endorse or recommend an Acquisition Proposal or any letter of intent, memorandum of understanding or Contract contemplating an Acquisition Proposal or requiring ANI to abandon or terminate its obligations under the Merger Agreement, or enter into any of the foregoing; or (iv) agree, resolve or commit to do any of the foregoing.

3

2.5 **No Transfer of Subject Shares; Publicity.** Stockholder agrees that:

(a) Stockholder (i) will not Transfer or agree to Transfer any of the Subject Shares or, with respect to any matter described in Section 2.2(a), grant any proxy or power-of-attorney with respect to any of the Subject Shares, (ii) will take all action reasonably necessary to prevent creditors in respect of any pledge of the Subject Shares from exercising their rights under such pledge, and (iii) will not take any action that would make in a material respect any of its representations or warranties contained herein untrue or incorrect or would have the effect of preventing or disabling the Stockholder from performing any of its material obligations hereunder. Notwithstanding the foregoing, Stockholder may Transfer and agree to Transfer any of the Subject Shares provided that each person to which any such Subject Shares are Transferred has (x) executed a counterpart of this Agreement and a Proxy in the form attached hereto as Exhibit A (with such modifications as the Company may reasonably request), and (y) agreed in writing to hold such Subject Shares subject to all of the terms and conditions set forth in this Agreement.

(b) Unless required by Applicable Law or permitted by the Merger Agreement, Stockholder will not, and will not authorize or direct any of its Affiliates or Representatives to, make any press release or public announcement with respect to this Agreement or the Merger Agreement or the transactions contemplated hereby or thereby, without the prior written consent of the Company in each instance.

ARTICLE III. Representations, Warranties and Additional Covenants of Stockholder

Stockholder represents, warrants and covenants to the Company that:

3.1 **Ownership.** Stockholder is the sole Beneficial Owner and the record and legal owner of the Subject Shares identified on Schedule A and such shares constitute all of the capital stock of ANI Beneficially Owned by Stockholder. Stockholder has good and valid title to all of the Subject Shares, free and clear of all Liens, claims, options, proxies, voting agreements and security interests and has the sole right to such Subject Shares and there are no restrictions on rights of disposition or other Liens pertaining to such Subject Shares. Except pursuant to that certain Third Amended and Restated Stockholders' Agreement, dated January 28, 2011, between ANI and certain holders of its capital stock (the "**Stockholders' Agreement**"), none of the Subject Shares is subject to any voting trust or other contract with respect to the voting thereof, and no proxy, power of attorney or other authorization has been granted with respect to any of such Subject Shares.

ARTICLE IV. Representations, Warranties and Covenants of the Company

The Company represents, warrants and covenants to Stockholder that, assuming due authorization, execution and delivery of this Agreement by Stockholder, this Agreement constitutes the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except (i) to the extent limited by applicable bankruptcy, insolvency or similar laws affecting creditors' rights and (ii) the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought. other filing made by the Company and/or ANI with the SEC relating to the Merger Agreement or the transactions contemplated thereby. Stockholder agrees to notify the Company promptly of any additional shares of capital stock of ANI of which Stockholder becomes the record or beneficial owner after the date of this Agreement.

6.5 **Entire Agreement and Modification.** This Agreement, the Proxy and any other documents delivered by the parties in connection herewith constitute the entire agreement between the parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, between the parties with respect to its subject matter and constitute (along with the documents delivered pursuant to this Agreement) a complete and exclusive statement of the terms of the agreement between the parties with respect to its subject matter. This Agreement may not be amended, supplemented or otherwise modified except by a written document executed by the party against whose interest the modification will operate. The parties will not enter into any other agreement inconsistent with the terms and conditions of this Agreement and the Proxy, or that addresses any of the subject matters addressed in this Agreement and the Proxy.

6.6 **Drafting and Representation.** The parties agree that the terms and language of this Agreement were the result of negotiations between the parties and, as a result, there will be no presumption that any ambiguities in this Agreement will be resolved against any party. Any controversy over construction of this Agreement will be decided without regard to events of authorship or negotiation.

6.7 **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without affecting the validity or enforceability of the remaining provisions hereof. Any such prohibition or unenforceability in any jurisdiction will not invalidate or render unenforceable such provision in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision will be interpreted to be only so broad as is enforceable.

6.8 **No Third-Party Rights.** Stockholder may not assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the Company, except as permitted pursuant to Section 2.5(a). The Company may not assign any of its rights or delegate any of its obligations under this Agreement with respect to Stockholder without the prior written consent of Stockholder. This Agreement will apply to, be binding in all respects upon, and inure to the benefit of each of the respective successors, personal or legal representatives, heirs, distributees, devisees, legatees, executors, administrators and permitted assigns of Stockholder and the successors and permitted assigns of the Company. Nothing expressed or referred to in this Agreement will be construed to give any person, other than the parties to this Agreement, any legal or equitable right, remedy or claim under or with respect to this Agreement or any provision of this Agreement except such rights as may inure to a successor or permitted assignee under this Section.

6.9 **Enforcement of Agreement.** Stockholder acknowledges and agrees that the Company could be damaged irreparably if any of the provisions of this Agreement are not performed in accordance with their specific terms and that any breach of this Agreement by

Stockholder could not be adequately compensated by monetary damages. Accordingly, Stockholder agrees that, (a) it will waive, in any action for specific performance, the defense of adequacy of a remedy at law, and (b) in addition to any other right or remedy to which the Company may be entitled, at law or in equity, the Company will be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without posting any bond or other undertaking.

6.10 **Waiver.** The rights and remedies of the parties to this Agreement are cumulative and not alternative. Neither any failure nor any delay by a party in exercising any right, power or privilege under this Agreement, the Proxy or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by Applicable Law, (a) no claim or right arising out of this Agreement, the Proxy or any of the documents referred to in this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in a written document signed by the other party, (b) no waiver that may be given by a party will be applicable except in the specific instance for which it is given, and (c) no notice to or demand on one party will be deemed to be a waiver of any obligation of that party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement, the Proxy or the documents referred to in this Agreement.

6.11 **Governing Law.** This Agreement and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto will be governed by, construed under and interpreted in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts or choice of law.

6.12 **Consent to Jurisdiction.** Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement, the Proxy or the transactions contemplated hereby or thereby will be brought exclusively in the United States District Court for the District of Delaware or, if such court does not have jurisdiction over the subject matter of such proceeding or if such jurisdiction is not available, in the Court of Chancery of the State of Delaware, County of New Castle, and each of the parties hereby consents to the exclusive jurisdiction of those courts (and of the appropriate appellate courts therefrom) in any suit, action or proceeding and irrevocably waives, to the fullest extent permitted by Applicable Law, any objection which it may now or hereafter have to the laying of the venue of any suit, action or proceeding in any of those courts or that any suit, action or proceeding which is brought in any of those courts has been brought in an inconvenient forum. Process in any suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any of the named courts. Without limiting the foregoing, each party agrees that service of process on it by notice as provided in Section 5.3 will be deemed effective service of process. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR

RELATING TO THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY.

6.13 **Counterparts.** This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original, but all of which, taken together, will constitute one and the same instrument. This Agreement may be executed by facsimile signature (including signatures in Adobe PDF or similar format).

6.14 **Expenses.** Except as otherwise provided in this Agreement, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby will be paid by the party incurring such expenses.

6.15 **Headings; Construction.** The headings contained in this Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Agreement. In this Agreement (a) words denoting the singular include the plural and vice versa, (b) "it" or "its" or words denoting any gender include all genders and (c) the word "including" means "including without limitation," whether or not expressed.

VOTING AGREEMENT

This VOTING AGREEMENT (this “**Agreement**”), dated as of October 3, 2012, is by and between, BioSante Pharmaceuticals, Inc., a Delaware corporation (the “**Company**”), and the undersigned stockholder (“**Stockholder**”) of ANIP Acquisition Company, a Delaware corporation (“**ANI**”) identified on the signature page hereto.

A. The Company and ANI are entering into an Agreement and Plan of Merger (as amended from time to time, the “**Merger Agreement**”), dated as of the date hereof, providing for, among other things, the merger of ANI with and into the Company, with the Company continuing as the surviving corporation (the “**Merger**”);

B. As of the date hereof, Stockholder is the Beneficial Owner (as defined below) of, and has the sole right to vote and dispose of, that number of shares of common stock, Series A Preferred Stock, Series B Preferred Stock, Class C Preferred Stock and Series D Preferred Stock (the “**ANI Shares**”) of ANI set forth beside Stockholder’s name on Schedule A hereto; and

C. Concurrently with the entry by the Company and ANI into the Merger Agreement, and as a condition and inducement to the willingness of the Company to enter into the Merger Agreement and incur the obligations set forth therein, the Company has required that Stockholder enter into this Agreement;

Accordingly, and in consideration of the foregoing and the mutual representations, warranties, covenants and agreements contained herein, the parties hereto, intending to be legally bound, hereby agree as follows:

ARTICLE I. Definitions

Capitalized terms used but not defined in this Agreement are used in this Agreement with the meanings given to such terms in the Merger Agreement. In addition, for purposes of this Agreement:

“**Affiliate**” means, with respect to any specified person, a person who, at the time of determination, directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such specified person. For purposes of this Agreement, with respect to Stockholder, “**Affiliate**” does not include ANI and the persons that directly, or indirectly through one or more intermediaries, are controlled by ANI. For the avoidance of doubt, no officer or director of ANI will be deemed an Affiliate of another officer or director of ANI by virtue of his or her status as an officer or director of ANI.

“**Beneficially Owned**” or “**Beneficial Ownership**” with respect to any securities means having beneficial ownership of such securities (as determined pursuant to Rule 13d-3 under the Exchange Act, disregarding the phrase “within 60 days” in paragraph (d)(1)(i) thereof), including pursuant to any agreement, arrangement or understanding, whether or not in writing. Without duplicative counting of the same securities, securities Beneficially Owned by a person include securities Beneficially Owned by (i) all Affiliates of such person, and (ii) all other persons with

whom such person would constitute a “group” within the meaning of Section 13(d) of the Exchange Act and the rules promulgated thereunder.

“**Beneficial Owner**” with respect to any securities means a person that has Beneficial Ownership of such securities.

“**person**” has the meaning ascribed thereto in the Merger Agreement.

“**Subject Shares**” means, with respect to Stockholder, without duplication, (i) the ANI Shares owned by Stockholder on the date hereof as described on Schedule A, and (ii) any additional ANI Shares acquired by Stockholder or over which Stockholder acquires Beneficial Ownership from and after the date hereof, whether pursuant to existing stock option agreements, warrants or otherwise. Without limiting the other provisions of this Agreement, in the event that ANI changes the number of ANI Shares issued and outstanding prior to the Expiration Date as a result of a reclassification, stock split (including a reverse stock split), stock dividend or distribution, combination, recapitalization, subdivision, or other similar transaction, the number of Subject Shares subject to this Agreement will be equitably adjusted to reflect such change.

“**Transfer**” means, with respect to a security, the sale, transfer, pledge, hypothecation, encumbrance, assignment or disposition of such security or the Beneficial Ownership thereof, and each option, agreement, arrangement or understanding, whether or not in writing, to effect any of the foregoing. As a verb, “**Transfer**” has a correlative meaning.

ARTICLE II. Covenants of Stockholder

2.1 **Irrevocable Proxy.** Concurrently with the execution of this Agreement, Stockholder agrees to deliver to the Company a proxy in the form attached hereto as Exhibit A (the “**Proxy**”), which will be irrevocable to the extent provided in Section 212 of the Delaware General Corporation Law (the “**DGCL**”), with respect to the Subject Shares referred to therein.

2.2 **Agreement to Vote.**

(a) At any meeting of the stockholders of ANI held prior to the Expiration Date (as defined in Section 5.14), however called, and at every adjournment or postponement thereof prior to the Expiration Date, or in connection with any written consent of, or any other action by, the stockholders of the Company given or solicited prior to the Expiration Date, Stockholder will vote, or provide a consent with respect to, all of the Subject Shares entitled to vote or to consent thereon (i) in favor of the adoption of the Merger Agreement, and any actions required in furtherance thereof, and (ii) against any Acquisition Proposal (other than the Merger), against any amendment of ANI’s certificate of incorporation or bylaws or any other proposal or transaction involving ANI, the purpose of which amendment or other proposal or transaction is to delay, prevent or nullify the Merger or the transaction contemplated by the Merger Agreement or change in any manner the voting rights of any capital stock of ANI, and against

(b) From the Effective Time until immediately following the first annual meeting of the stockholders of the Company following the consummation of the Merger (the “**Annual Meeting**”), Stockholder agrees that, provided that prior to the Annual Meeting the Company Director Nominees: (1) have nominated Robert E. Brown, Jr. and Thomas A. Penn to the Company Board and (2) have nominated Robert E. Brown, Jr. to be the Chairman of the Board, then it will vote, or cause to be voted, any securities of the Company that entitle holders thereof to vote for members of the Board of Directors of the Company (the “**Company Board**”), including all shares of common stock of the Company, \$0.0001 par value per share (the “**Common Stock**”), received by Stockholder in consideration of its capital stock of ANI, by whatever name called, now owned or subsequently acquired by the Stockholder, however acquired, whether through stock splits, stock dividends, reclassifications, recapitalizations, similar events or otherwise, owned by the Stockholder, or over which the Stockholder has voting control:

(i) in favor of the election of the Company Director Nominees (as defined in the Merger Agreement) to the Company Board at the Annual Meeting or any prior special meeting of the Company’s stockholders at which an election of directors is held or pursuant to any written consent of the stockholders (a “**Prior Election Meeting or Consent**”); and

(ii) against any motion to remove any of the Company Director Nominees from the Company Board.

(c) Stockholder will not enter into any agreement with any person (other than the Company) prior to the Expiration Date (with respect to periods prior to or after the Expiration Date) directly or indirectly to vote, grant any proxy or give instructions with respect to the voting of, the Subject Shares in respect of the matters described in Section 2.2 hereof, or the effect of which would be inconsistent with or violate any provision contained in this Section 2.2. Any vote or consent (or withholding of consent) by Stockholder that is not in accordance with this Section 2.2 will be considered null and void, and the provisions of the Proxy will be deemed to take immediate effect.

2.3 Revocation of Proxies; Cooperation. Stockholder agrees as follows:

(a) Stockholder hereby represents and warrants that any proxies heretofore given in respect of the Subject Shares with respect to the matters described in Section 2.2(a) hereof are not irrevocable, and Stockholder hereby revokes any and all prior proxies with respect to such Subject Shares as they relate to such matters. Prior to the Expiration Date, Stockholder will not directly or indirectly grant any proxies or powers of attorney with respect to the matters set forth in Section 2.2(a) hereof (other than to the Company), deposit any of the Subject Shares or enter into a voting agreement (other than this Agreement) with respect to any of the Subject Shares relating to any matter described in Section 2.2(a).

(b) Stockholder will (i) use all reasonable efforts to cooperate with the Company and ANI in connection with the transactions contemplated by the Merger

Agreement, and (ii) provide any information reasonably requested by the Company or ANI for any regulatory application or filing sought for such transactions.

2.4 No Solicitation. Stockholder acknowledges that ANI is subject to the non-solicitation prohibitions set forth in Section 5.3 of the Merger Agreement and that the Stockholder has read and understands the terms thereof. Stockholder will not, directly or indirectly, (a) solicit, initiate or knowingly encourage or knowingly facilitate (including by way of furnishing any non-public information relating to ANI or any of its Subsidiaries), or knowingly induce or knowingly take any other action which would reasonably be expected to lead to the making, submission or announcement of, any proposal or inquiry that constitutes, or is reasonably likely to lead to, an Acquisition Proposal; (b) other than informing Persons of the provisions contained in Section 5.3 of the Merger Agreement, enter into, continue or participate in any discussions or any negotiations regarding any Acquisition Proposal or otherwise take any action to knowingly facilitate or knowingly induce any effort or attempt to make or implement an Acquisition Proposal (including any Acquisition Proposal received prior to the date of this Agreement); (iii) approve, endorse or recommend an Acquisition Proposal or any letter of intent, memorandum of understanding or Contract contemplating an Acquisition Proposal or requiring ANI to abandon or terminate its obligations under the Merger Agreement, or enter into any of the foregoing; or (iv) agree, resolve or commit to do any of the foregoing.

2.5 No Transfer of Subject Shares; Publicity. Stockholder agrees that:

(a) Stockholder (i) will not Transfer or agree to Transfer any of the Subject Shares or, with respect to any matter described in Section 2.2(a), grant any proxy or power-of-attorney with respect to any of the Subject Shares, (ii) will take all action reasonably necessary to prevent creditors in respect of any pledge of the Subject Shares from exercising their rights under such pledge, and (iii) will not take any action that would make in a material respect any of its representations or warranties contained herein untrue or incorrect or would have the effect of preventing or disabling the Stockholder from performing any of its material obligations hereunder. Notwithstanding the foregoing, Stockholder may Transfer and agree to Transfer any of the Subject Shares provided that each person to which any such Subject Shares are Transferred has (x) executed a counterpart of this Agreement and a Proxy in the form attached hereto as Exhibit A (with such modifications as the Company may reasonably request), and (y) agreed in writing to hold such Subject Shares subject to all of the terms and conditions set forth in this Agreement.

(b) Unless required by Applicable Law or permitted by the Merger Agreement, Stockholder will not, and will not authorize or direct any of its Affiliates or Representatives to, make any press release or public announcement with respect to this Agreement or the Merger Agreement or the transactions contemplated hereby or thereby, without the prior written consent of the Company in each instance.

5

(d) Neither the execution and delivery of this Agreement by Stockholder nor the consummation of the transactions contemplated hereby will directly or indirectly (whether with notice or lapse of time or both) (i) conflict with, result in any violation of or constitute a default by Stockholder under any mortgage, bond, indenture, agreement, instrument or obligation to which Stockholder is a party or by which it or any of the Subject Shares are bound, or violate any permit of any Government Authority, or any Applicable Law or Order to which Stockholder, or any of the Subject Shares, may be subject, or (ii) result in the imposition or creation of any Lien upon or with respect to any of the Subject Shares; except, in each case, for conflicts, violations, defaults or Liens that would not individually or in the aggregate be reasonably expected to prevent or materially impair or delay the performance by the Stockholder of its obligations hereunder.

8

controversy over construction of this Agreement will be decided without regard to events of authorship or negotiation.

6.7 **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without affecting the validity or enforceability of the remaining provisions hereof. Any such prohibition or unenforceability in any jurisdiction will not invalidate or render unenforceable such provision in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision will be interpreted to be only so broad as is enforceable.

6.8 **No Third-Party Rights.** Stockholder may not assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the Company, except as permitted pursuant to Section 2.5(a). The Company may not assign any of its rights or delegate any of its obligations under this Agreement with respect to Stockholder without the prior written consent of Stockholder. This Agreement will apply to, be binding in all respects upon, and inure to the benefit of each of the respective successors, personal or legal representatives, heirs, distributees, devisees, legatees, executors, administrators and permitted assigns of Stockholder and the successors and permitted assigns of the Company. Nothing expressed or referred to in this Agreement will be construed to give any person, other than the parties to this Agreement, any legal or equitable right, remedy or claim under or with respect to this Agreement or any provision of this Agreement except such rights as may inure to a successor or permitted assignee under this Section.

6.9 **Enforcement of Agreement.** Stockholder acknowledges and agrees that the Company could be damaged irreparably if any of the provisions of this Agreement are not performed in accordance with their specific terms and that any breach of this Agreement by Stockholder could not be adequately compensated by monetary damages. Accordingly, Stockholder agrees that, (a) it will waive, in any action for specific performance, the defense of adequacy of a remedy at law, and (b) in addition to any other right or remedy to which the Company may be entitled, at law or in equity, the Company will be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without posting any bond or other undertaking.

6.10 **Waiver.** The rights and remedies of the parties to this Agreement are cumulative and not alternative. Neither any failure nor any delay by a party in exercising any right, power or privilege under this Agreement, the Proxy or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by Applicable Law, (a) no claim or right arising out of this Agreement, the Proxy or any of the documents referred to in this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in a written document signed by the other party, (b) no waiver that may be given by a party will be applicable except in the specific instance for which it is given, and (c) no notice to or demand on one party will be deemed to be a waiver of any obligation of that party or of the right of the party giving such

notice or demand to take further action without notice or demand as provided in this Agreement, the Proxy or the documents referred to in this Agreement.

6.11 **Governing Law.** This Agreement and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto will be governed by, construed under and interpreted in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts or choice of law.

6.12 **Consent to Jurisdiction.** Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement, the Proxy or the transactions contemplated hereby or thereby will be brought exclusively in the United States District Court for the District of Delaware or, if such court does not have jurisdiction over the subject matter of such proceeding or if such jurisdiction is not available, in the Court of Chancery of the State of Delaware, County of New Castle, and each of the parties hereby consents to the exclusive jurisdiction of those courts (and of the appropriate appellate courts therefrom) in any suit, action or proceeding and irrevocably waives, to the fullest extent permitted by Applicable Law, any objection which it may now or hereafter have to the laying of the venue of any suit, action or proceeding in any of those courts or that any suit, action or proceeding which is brought in any of those courts has been brought in an inconvenient forum. Process in any suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any of the named courts. Without limiting the foregoing, each party agrees that service of process on it by notice as provided in Section 5.3 will be deemed effective service of process. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY.

6.13 **Counterparts.** This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original, but all of which, taken together, will constitute one and the same instrument. This Agreement may be executed by facsimile signature (including signatures in Adobe PDF or similar format).

6.14 **Expenses.** Except as otherwise provided in this Agreement, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby will be paid by the party incurring such expenses.

6.15 **Headings; Construction.** The headings contained in this Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Agreement. In this Agreement (a) words denoting the singular include the plural and vice versa, (b) "it" or "its" or words denoting any gender include all genders and (c) the word "including" means "including without limitation," whether or not expressed.

VOTING AGREEMENT

This VOTING AGREEMENT (this “**Agreement**”), dated as of October 3, 2012, is by and between ANIP Acquisition Company, a Delaware corporation (“**ANI**”), and the undersigned stockholder (“**Stockholder**”) of BioSante Pharmaceuticals, Inc., a Delaware corporation (the “**Company**”), identified on the signature page hereto.

A. The Company and ANI are entering into an Agreement and Plan of Merger (as amended from time to time, the “**Merger Agreement**”), dated as of the date hereof, providing for, among other things, the merger of ANI with and into the Company, with the Company continuing as the surviving corporation (the “**Merger**”);

B. As of the date hereof, Stockholder is the Beneficial Owner (as defined below) of, and has the sole right to vote and dispose of, that number of shares of common stock and Class C Special Shares (the “**Company Shares**”) of the Company set forth beside Stockholder’s name on Schedule A hereto; and

C. Concurrently with the entry by the Company and ANI into the Merger Agreement, and as a condition and inducement to the willingness of ANI to enter into the Merger Agreement and incur the obligations set forth therein, ANI has required that Stockholder enter into this Agreement;

Accordingly, and in consideration of the foregoing and the mutual representations, warranties, covenants and agreements contained herein, the parties hereto, intending to be legally bound, hereby agree as follows:

ARTICLE I. Definitions

Capitalized terms used but not defined in this Agreement are used in this Agreement with the meanings given to such terms in the Merger Agreement. In addition, for purposes of this Agreement:

“**Affiliate**” means, with respect to any specified person, a person who, at the time of determination, directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such specified person. For purposes of this Agreement, with respect to Stockholder, “**Affiliate**” does not include the Company and the persons that directly, or indirectly through one or more intermediaries, are controlled by the Company. For the avoidance of doubt, no officer or director of the Company will be deemed an Affiliate of another officer or director of the Company by virtue of his or her status as an officer or director of the Company.

“**Beneficially Owned**” or “**Beneficial Ownership**” with respect to any securities means having beneficial ownership of such securities (as determined pursuant to Rule 13d-3 under the Exchange Act, disregarding the phrase “within 60 days” in paragraph (d)(1)(i) thereof), including pursuant to any agreement, arrangement or understanding, whether or not in writing. Without duplicative counting of the same securities, securities Beneficially Owned by a person include securities Beneficially Owned by (i) all Affiliates of such person, and (ii) all other persons with

whom such person would constitute a “group” within the meaning of Section 13(d) of the Exchange Act and the rules promulgated thereunder.

“**Beneficial Owner**” with respect to any securities means a person that has Beneficial Ownership of such securities.

“**person**” has the meaning ascribed thereto in the Merger Agreement.

“**Subject Shares**” means, with respect to Stockholder, without duplication, (i) the Company Shares owned by Stockholder on the date hereof as described on Schedule A, and (ii) any additional Company Shares acquired by Stockholder or over which Stockholder acquires Beneficial Ownership from and after the date hereof, whether pursuant to existing stock option agreements or otherwise. Without limiting the other provisions of this Agreement, in the event that the Company changes the number of Company Shares issued and outstanding prior to the Expiration Date as a result of a reclassification, stock split (including a reverse stock split), stock dividend or distribution, combination, recapitalization, subdivision, or other similar transaction, the number of Subject Shares subject to this Agreement will be equitably adjusted to reflect such change.

“**Transfer**” means, with respect to a security, the sale, transfer, pledge, hypothecation, encumbrance, assignment or disposition of such security or the Beneficial Ownership thereof, and each option, agreement, arrangement or understanding, whether or not in writing, to effect any of the foregoing. As a verb, “**Transfer**” has a correlative meaning.

ARTICLE II. Covenants of Stockholder

2.1 **Irrevocable Proxy.** Concurrently with the execution of this Agreement, Stockholder agrees to deliver to ANI a proxy in the form attached hereto as Exhibit A (the “**Proxy**”), which will be irrevocable to the extent provided in Section 212 of the Delaware General Corporation Law (the “**DGCL**”), with respect to the Subject Shares referred to therein.

2.2 **Agreement to Vote.**

(a) At any meeting of the stockholders of the Company held prior to the Expiration Date (as defined in Section 5.14), however called, and at every adjournment or postponement thereof prior to the Expiration Date, or in connection with any written consent of, or any other action by, the stockholders of the Company given or solicited prior to the Expiration Date, Stockholder will vote, or provide a consent with respect to, all of the Subject Shares entitled to vote or to consent thereon (i) in favor of the adoption of the Merger Agreement and approval of the issuance of shares of common stock of the Company to the stockholders of ANI pursuant to the Merger Agreement, and any actions required in furtherance thereof, including the BioSante Charter Amendment, and (ii) against any Acquisition Proposal (other than the Merger), against any amendment of the Company’s certificate of incorporation or bylaws or any other proposal or transaction involving the Company, the purpose of which amendment or

the Company, and against any other action or agreement that would result in a breach in any material respect of any covenant, representation or warranty or any other obligation or agreement of the Company under the Merger Agreement.

(b) Stockholder will not enter into any agreement with any person (other than ANI) prior to the Expiration Date (with respect to periods prior to or after the Expiration Date) directly or indirectly to vote, grant any proxy or give instructions with respect to the voting of, the Subject Shares in respect of the matters described in Section 2.2 hereof, or the effect of which would be inconsistent with or violate any provision contained in this Section 2.2. Any vote or consent (or withholding of consent) by Stockholder that is not in accordance with this Section 2.2 will be considered null and void, and the provisions of the Proxy will be deemed to take immediate effect.

2.3 Revocation of Proxies; Cooperation. Stockholder agrees as follows:

(a) Stockholder hereby represents and warrants that any proxies heretofore given in respect of the Subject Shares with respect to the matters described in Section 2.2(a) hereof are not irrevocable, and Stockholder hereby revokes any and all prior proxies with respect to such Subject Shares as they relate to such matters. Prior to the Expiration Date, Stockholder will not directly or indirectly grant any proxies or powers of attorney with respect to the matters set forth in Section 2.2(a) hereof (other than to ANI), deposit any of the Subject Shares or enter into a voting agreement (other than this Agreement) with respect to any of the Subject Shares relating to any matter described in Section 2.2(a).

(b) Stockholder will (i) use all reasonable efforts to cooperate with the Company and ANI in connection with the transactions contemplated by the Merger Agreement, and (ii) provide any information reasonably requested by the Company or ANI for any regulatory application or filing sought for such transactions.

2.4 No Solicitation. Stockholder acknowledges that the Company is subject to the non-solicitation prohibitions set forth in Section 5.4 of the Merger Agreement and that the Stockholder has read and understands the terms thereof. Stockholder will not, directly or indirectly, (a) solicit, initiate or knowingly encourage or knowingly facilitate (including by way of furnishing any non-public information relating to the Company or any of its Subsidiaries), or knowingly induce or knowingly take any other action which would reasonably be expected to lead to the making, submission or announcement of, any proposal or inquiry that constitutes, or is reasonably likely to lead to, an Acquisition Proposal; (b) other than informing Persons of the provisions contained in Section 5.4 of the Merger Agreement, enter into, continue or participate in any discussions or any negotiations regarding any Acquisition Proposal or otherwise take any action to knowingly facilitate or knowingly induce any effort or attempt to make or implement an Acquisition Proposal (including any Acquisition Proposal received prior to the date of this Agreement); (iii) approve, endorse or recommend an Acquisition Proposal or any letter of intent, memorandum of understanding or Contract contemplating an Acquisition Proposal or requiring the Company to abandon or terminate its obligations under the Merger Agreement, or enter into any of the foregoing; or (iv) agree, resolve or commit to do any of the foregoing.

2.5 No Transfer of Subject Shares; Publicity. Stockholder agrees that:

(a) Stockholder (i) will not Transfer or agree to Transfer any of the Subject Shares or, with respect to any matter described in Section 2.2(a), grant any proxy or power-of-attorney with respect to any of the Subject Shares, (ii) will take all action reasonably necessary to prevent creditors in respect of any pledge of the Subject Shares from exercising their rights under such pledge, and (iii) will not take any action that would make in a material respect any of its representations or warranties contained herein untrue or incorrect or would have the effect of preventing or disabling the Stockholder from performing any of its material obligations hereunder. Notwithstanding the foregoing, Stockholder may Transfer and agree to Transfer any of the Subject Shares provided that each person to which any such Subject Shares are Transferred has (x) executed a counterpart of this Agreement and a Proxy in the form attached hereto as Exhibit A (with such modifications as ANI may reasonably request), and (y) agreed in writing to hold such Subject Shares subject to all of the terms and conditions set forth in this Agreement.

(b) Unless required by Applicable Law or permitted by the Merger Agreement, Stockholder will not, and will not authorize or direct any of its Affiliates or Representatives to, make any press release or public announcement with respect to this Agreement or the Merger Agreement or the transactions contemplated hereby or thereby, without the prior written consent of ANI in each instance.

The Stockholder will not be liable for money damages to ANI for any breach of this Agreement and the termination of this Agreement will relieve Stockholder from any liability for any inaccuracy in or breach of any representation, warranty or covenant contained in this Agreement. Notwithstanding the foregoing, Article VI of this Agreement shall survive any termination hereof.

ARTICLE VI. General Provisions

6.1 **Action in Stockholder Capacity Only.** Stockholder is entering into this Agreement solely in Stockholder's capacity as a record holder and beneficial owner, as applicable, of the Subject Shares and not in Stockholder's capacity as a director or officer of the Company. Nothing herein will limit or affect Stockholder's ability to act as an officer or director of the Company.

6.2 **No Ownership Interest.** Nothing contained in this Agreement will be deemed to vest in ANI or any of its Affiliates any direct or indirect ownership or incidents of ownership of or with respect to the Subject Shares. All rights, ownership and economic benefits of and

relating to the Subject Shares will remain and belong to Stockholder, and neither ANI nor any of its Affiliates will have any authority to manage, direct, superintend, restrict, regulate, govern or administer any of the policies or operations of the Company or exercise any power or authority to direct Stockholder in the voting of any of the Subject Shares, except as otherwise expressly provided herein or in the Merger Agreement.

6.4 **Further Actions.** Upon the request of any party to this Agreement, the other party will (a) furnish to the requesting party any additional information, (b) execute and deliver, at their own expense, any other documents and (c) take any other actions as the requesting party may reasonably require to more effectively carry out the intent of this Agreement. Stockholder hereby agrees that the Company and ANI may publish and disclose in the Form S-4 Registration Statement and Joint Proxy Statement/Prospectus (including all documents and schedules filed with the SEC) such Stockholder's identity and ownership of Subject Shares and the nature of such Stockholder's commitments, arrangements, and understandings under this Agreement and may further file this Agreement as an exhibit to the Form S-4 Registration Statement or in any other filing made by the Company with the SEC relating to the Merger Agreement or the transactions contemplated thereby. Stockholder agrees to notify ANI promptly of any additional shares of capital stock of the Company of which Stockholder becomes the record or beneficial owner after the date of this Agreement.

6.5 **Entire Agreement and Modification.** This Agreement, the Proxy and any other documents delivered by the parties in connection herewith constitute the entire agreement between the parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, between the parties with respect to its subject matter and constitute (along with the documents delivered pursuant to this Agreement) a complete and exclusive statement of the terms of the agreement between the parties with respect to its subject matter. This Agreement may not be amended, supplemented or otherwise modified except by a written document executed by the party against whose interest the modification will operate. The parties will not enter into any other agreement inconsistent with the terms and conditions of this Agreement and the Proxy, or that addresses any of the subject matters addressed in this Agreement and the Proxy.

6.6 **Drafting and Representation.** The parties agree that the terms and language of this Agreement were the result of negotiations between the parties and, as a result, there will be no presumption that any ambiguities in this Agreement will be resolved against any party. Any controversy over construction of this Agreement will be decided without regard to events of authorship or negotiation.

6.7 **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without affecting the validity or enforceability of the remaining provisions hereof. Any such prohibition or unenforceability in any jurisdiction will not invalidate or render unenforceable such provision in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision will be interpreted to be only so broad as is enforceable.

6.8 **No Third-Party Rights.** Stockholder may not assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of ANI. ANI may not assign any of its rights or delegate any of its obligations under this Agreement with respect to Stockholder without the prior written consent of Stockholder. This Agreement will apply to, be binding in all respects upon, and inure to the benefit of each of the respective successors, personal or legal representatives, heirs, distributees, devisees, legatees, executors, administrators and permitted assigns of Stockholder and the successors and permitted assigns of ANI. Nothing expressed or referred to in this Agreement will be construed to give any person, other than the parties to this Agreement, any legal or equitable right, remedy or claim under or with respect to this Agreement or any provision of this Agreement except such rights as may inure to a successor or permitted assignee under this Section.

6.9 **Enforcement of Agreement.** Stockholder acknowledges and agrees that ANI could be damaged irreparably if any of the provisions of this Agreement are not performed in accordance with their specific terms and that any breach of this Agreement by Stockholder could not be adequately compensated by monetary damages. Accordingly, Stockholder agrees that, (a) it will waive, in any action for specific performance, the defense of adequacy

or threatened breaches of any of the provisions of this Agreement, without posting any bond or other undertaking.

6.10 **Waiver.** The rights and remedies of the parties to this Agreement are cumulative and not alternative. Neither any failure nor any delay by a party in exercising any right, power or privilege under this Agreement, the Proxy or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by Applicable Law, (a) no claim or right arising out of this Agreement, the Proxy or any of the documents referred to in this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in a written document signed by the other party, (b) no waiver that may be given by a party will be applicable except in the specific instance for which it is given, and (c) no notice to or demand on one party will be deemed to be a waiver of any obligation of that party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement, the Proxy or the documents referred to in this Agreement.

6.11 **Governing Law.** This Agreement and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto will be governed by, construed under and interpreted in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts or choice of law.

6.12 **Consent to Jurisdiction.** Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement, the Proxy or the transactions contemplated hereby or thereby will be brought exclusively in the United States District Court for the District of Delaware or, if such court does not have jurisdiction over the subject matter of such proceeding or if such jurisdiction is not available, in the Court of Chancery of the State of Delaware, County of New Castle, and each of the parties hereby consents to the exclusive jurisdiction of those courts (and of the appropriate appellate courts therefrom) in any suit, action or proceeding and irrevocably waives, to the fullest extent permitted by Applicable Law, any objection which it may now or hereafter have to the laying of the venue of any suit, action or proceeding in any of those courts or that any suit, action or proceeding which is brought in any of those courts has been brought in an inconvenient forum. Process in any suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any of the named courts. Without limiting the foregoing, each party agrees that service of process on it by notice as provided in Section 5.3 will be deemed effective service of process. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY.

6.13 **Counterparts.** This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original, but all of which, taken together, will constitute

one and the same instrument. This Agreement may be executed by facsimile signature (including signatures in Adobe PDF or similar format).

FORM OF LOCK-UP AGREEMENT

October 3, 2012

BioSante Pharmaceuticals, Inc.

 Lincolnshire, Illinois 60069

Ladies and Gentlemen:

Reference is made to the Agreement and Plan of Merger (the "Merger Agreement"), by and between BioSante Pharmaceuticals, Inc., a Delaware corporation ("BioSante"), and ANIP Acquisition Company (d/b/a ANI Pharmaceuticals, Inc.), a Delaware corporation ("ANI"), dated as of the date hereof. Pursuant to the Merger Agreement, BioSante and ANI plan to effect a merger (the "Merger") in which ANI will be merging with and into BioSante, with BioSante being the surviving corporation. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Merger Agreement.

To induce both parties to continue their efforts in connection with the Merger contemplated by the Merger Agreement, the undersigned agrees that, without BioSante's prior written consent, the undersigned will not, for a period commencing on the closing date of the Merger and ending 180 days after such date (the "Lock-Up Period"), directly or indirectly, or publicly announce an intention to (a) offer, sell, contract to sell, grant any option or contract to purchase, purchase any option or contract to sell, or otherwise dispose of any shares of BioSante's common stock, par value \$0.0001 per share, to be received by the undersigned in the Merger (the "Common Stock"), (b) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Common Stock, whether any such transaction described in clause (a) or (b) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise. The foregoing restriction (i) shall not limit the right of the undersigned during the Lock-Up Period to make any demand for or exercise any right with respect to, the registration of any shares of Common Stock or any securities convertible into, exercisable for, or exchangeable for shares of Common Stock so long as there are no sales of such shares of Common Stock during the Lock-Up Period and (ii) shall include, without limitation, any securities issued to the undersigned in the Merger in exchange for securities of ANI.

Any Common Stock acquired by the undersigned in the open market on or after the closing of the Merger will not be subject to this agreement. A transfer of Common Stock to an immediate family member or a trust for the benefit of the undersigned or an immediate family member (including by will or intestacy) or a distribution to partners, members or shareholders of the undersigned may be made, provided that the transferee agrees in writing prior to such transfer to be bound by the terms of this agreement as if it were a party hereto. For purposes of this agreement, "immediate family" means any relationship by blood, marriage or adoption, not more

1

remote than first cousin (including lineal descendants, stepchildren, father, mother, brother or sister of the undersigned or the undersigned's spouse).

The foregoing restriction shall not apply: (1) to bona fide gifts by the undersigned, provided that (a) each resulting transferee of Common Stock executes and delivers to BioSante an agreement certifying that such transferee is bound by the terms of this agreement and has been in compliance with the terms hereof since the date first above written as if it had been an original party hereto and (b) to the extent any interest in Common Stock is retained by the undersigned (or such spouse or family member), such Common Stock shall remain subject to the restrictions contained in this agreement or (2) to sale, transfer or other transaction in or relating to shares of Common Stock in connection with any merger of BioSante with or into any other entity or tender offer by BioSante or any other entity for the Common Stock, in each case which transaction has been approved by at least a majority of BioSante's Board of Directors.

The undersigned agrees and consents to the entry of stop transfer instructions with BioSante's transfer agent and registrar relating to the transfer of the undersigned's shares of Common Stock except in compliance with the restrictions described above and authorizes BioSante, during the Lock-Up Period, to cause BioSante's transfer agent to place a notation on book-entry notations representing the Common Stock.

The undersigned represents and warrants that the undersigned has full power and authority to enter into this agreement, and that, upon request, the undersigned will execute any additional documents reasonably necessary to carry out the transactions contemplated hereby. Any obligations created by this agreement shall be binding upon the heirs, devisees, personal representatives, successors and assigns of the undersigned.

The undersigned agrees that in the event of any breach or threatened breach by the undersigned of any covenant, obligation or other provision contained in this agreement, then BioSante shall be entitled (in addition to any other remedy that may be available to BioSante) to (a) a decree or order of specific performance to enforce the observance and performance of such covenant, obligation or other provision and (b) an injunction restraining such breach or threatened breach.

Any term or provision of this agreement that is invalid or unenforceable under applicable law, such provision shall be excluded from this agreement and the balance of this agreement shall be interpreted as if such provision were so excluded and shall be enforceable in accordance with its terms.

The provisions of this agreement may not be amended or waived by the undersigned party without the prior written consent of BioSante.

This agreement shall be governed by and construed in accordance with the laws of the State of Delaware without regard to such State's principles of conflict of laws. Delivery of a signed copy of this letter by facsimile transmission shall be effective as delivery of the original hereof.

FOR IMMEDIATE RELEASE

NASDAQ: BPAX

**BioSante Pharmaceuticals and ANI Pharmaceuticals
Announce Merger Agreement**

**Combined Company Will Focus on Specialty Branded and Generic
Pharmaceutical Product Development, Manufacturing and Sales**

LINCOLNSHIRE, Illinois and Baudette, Minnesota (October 4, 2012) — BioSante Pharmaceuticals, Inc. (NASDAQ: BPAX) and ANIP Acquisition Company d/b/a ANI Pharmaceuticals, Inc. announced today that they have entered into a definitive merger agreement by which the companies will merge in an all-stock transaction, with BioSante as the surviving company. The merger transaction will bring together BioSante's cash, anticipated future licensing revenues and other assets, including products in development, with ANI's niche branded and generic pharmaceutical products and contract manufacturing operations, which together generated net sales of over \$16 million in 2011. ANI currently generates positive cash flow from operations and has no long-term debt.

Under the terms of the agreement, upon completion of the merger, BioSante will issue to ANI stockholders shares of BioSante common stock such that the former ANI stockholders will own approximately 53 percent of the combined company's shares outstanding, and the former BioSante stockholders will own approximately 47 percent, subject to adjustment as provided in the merger agreement. In addition, immediately prior to the merger, BioSante plans to distribute to its then current stockholders contingent value rights (CVR) providing payment rights arising from a future sale, transfer, license or similar transaction(s) involving BioSante's LibiGel® (female testosterone gel).

Upon completion of the merger, the combined company will be renamed ANI Pharmaceuticals, Inc. and will operate under the leadership of the ANI management team, with Arthur S. Przybyl serving as President and Chief Executive Officer. In addition to Mr. Przybyl, the board of directors of the combined company is expected to have two current directors from BioSante and four current ANI directors.

"Over the years, and in particular since the receipt of data from our LibiGel Phase III efficacy trials, we have evaluated a wide range of strategic alternatives for our company and products, including several merger opportunities. After reviewing various strategic alternatives, engaging in discussions with a number of other potential merger candidates and conducting extensive due diligence on ANI, our board of directors has recommended unanimously a merger with ANI," stated Stephen M. Simes, president and chief executive officer of BioSante. "We found the ANI opportunity to be particularly compelling for our stockholders since it will combine two potentially valuable portfolios of products in development and add a sales and marketing presence, while preserving for our current stockholders the right to realize potential future value from LibiGel in the form of CVRs of up to \$40 million."

"We believe that the strategic combination of our two companies will allow ANI to accelerate our growth strategy and create value for our stockholders with a well-capitalized balance sheet," stated Arthur S. Przybyl, president and chief executive officer of ANI. "Additionally, we believe that potential future license and other royalty fees due to BioSante for its FDA-approved male testosterone gel, licensed to Teva, and other products could generate significant future cash flow for ANI going forward."

The merger transaction has been approved by the boards of directors of both companies and currently is anticipated to close in the first quarter of 2013, subject to customary closing conditions.

Oppenheimer & Co. Inc. is acting as exclusive financial advisor and Oppenheimer Wolff & Donnelly LLP is acting as legal counsel for BioSante. SNR Denton US LLP is acting as legal counsel for ANI.
