Item 1.01 Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On June 29, 2009, BioSante Pharmaceuticals, Inc. ("BioSante") entered into an agreement and plan of merger (the "Merger Agreement") with Cell Genesys, Inc. ("Cell Genesys"). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, Cell Genesys will merge with and into BioSante (the "Merger"), with BioSante continuing as the surviving company.

Subject to the terms and conditions of the Merger Agreement, at the effective time of and as a result of the Merger, each share of common stock of Cell Genesys issued and outstanding immediately prior to the effective time of the Merger will be converted into the right to receive 0.1615 of a share of BioSante common stock (the "Exchange Ratio"). The Exchange Ratio is subject to potential adjustment as described in the Merger Agreement depending upon the amount of net cash of Cell Genesys, less certain expenses and liabilities, 10 calendar days prior to the anticipated closing date of the Merger. BioSante expects to issue in the aggregate approximately 17.7 million shares of BioSante common stock in the Merger, and, upon completion of the Merger, the former Cell Genesys stockholders are expected to own approximately 39.6 percent of the outstanding shares of BioSante, and the BioSante stockholders prior to the Merger are expected to own approximately 60.4 percent of the outstanding shares of BioSante. No fractional shares of BioSante common stock will be issued in connection with the Merger, and holders of Cell Genesys common stock will be entitled to receive cash in lieu thereof.

In addition, as of a date mutually agreed upon by both parties, but in no event less than 30 days prior to the effective time of the Merger, all options to purchase shares of Cell Genesys common stock, other than certain designated options held by Cell Genesys' current officers (the "Specified Company Stock Options"), will become fully vested and exercisable until immediately prior to the effective time of the Merger. Upon the effective time of the Merger, such unexercised options other than the Specified Company Stock Options will terminate. The Specified Company Stock Options will be assumed by BioSante and will remain outstanding following the Merger, but will be converted into and become options to purchase shares of BioSante common stock on terms substantially identical to those in effect prior to the Merger, except for adjustments to the underlying number of shares and the exercise price based on

the Exchange Ratio, as such ratio may be adjusted pursuant to the terms of the Merger Agreement. Other stock-based equity awards of Cell Genesys outstanding immediately prior to the effective time of the Merger that are unvested or subject to risk of forfeiture will become fully vested and no longer subject to any such restriction, and at the effective time of the Merger, will be exchanged for fully-vested shares of BioSante common stock based on the Exchange Ratio, as such ratio may be adjusted pursuant to the terms of the Merger Agreement.

Other than the warrant subject to a certain warrant exchange agreement dated May 17, 2009, which will be cashed out pursuant to the terms thereof prior to the Merger, all warrants to purchase shares of Cell Genesys common stock which by their terms will survive the Merger will be assumed by BioSante, but will be converted into and become warrants to purchase shares of BioSante common stock on terms substantially identical to those in effect prior to the Merger, except for adjustments to the underlying number of shares and the exercise price based on the Exchange Ratio, as such ratio may be adjusted pursuant to the terms of the Merger Agreement.

Consummation of the Merger is subject to a number of conditions, including, but not limited to (i) the adoption and approval of the Merger Agreement by both BioSante's and Cell Genesys' stockholders and the approval of the issuance of shares of BioSante common stock in the Merger by BioSante's stockholders; (ii) the effectiveness of a Form S-4 registration statement to be filed by BioSante with the

2

Securities and Exchange Commission (the "SEC") to register the shares of BioSante common stock to be issued in connection with the Merger, which will contain a joint proxy statement/prospectus; (iii) Cell Genesys' net cash, less certain expenses and liabilities, being a specified minimum amount as of 10 calendar days prior to the anticipated closing date of the Merger, which amount varies depending upon the closing date of the Merger; (iv) the execution by BioSante of a supplemental indenture with the trustee under both the indenture dated as of October 20, 2004 for the 3.125% convertible senior notes due in November 2011 issued by Cell Genesys and under the indenture dated as of June 24, 2009 for the 3.125% convertible senior notes due in May 2013 issued by Cell Genesys (together, the "Indentures"); and (v) other customary closing conditions. The Merger is not intended to qualify as a tax-free reorganization for U.S. federal income tax purposes.

Each of Cell Genesys and BioSante have made customary representations, warranties and covenants in the Merger Agreement, including among others, covenants that (i) each party will conduct its business in the ordinary course consistent with past practice during the interim period between the execution of the Merger Agreement and the consummation of the Merger; (ii) each party will not engage in certain kinds of transactions or take certain actions during such period; (iii) Cell Genesys will convene and hold a meeting of its stockholders for the purpose of considering the adoption and approval of the Merger Agreement, (iv) BioSante will convene and hold a meeting of its stockholders for the purpose of considering the adoption and approval of the Merger Agreement and the approval of the issuance of shares of BioSante common stock in the Merger, (v) the board of directors of Cell Genesys will recommend that its stockholders adopt and approve the Merger Agreement, (vi) the board of directors of BioSante will recommend that its stockholders adopt and approve the Merger Agreement and approve the issuance of shares of BioSante common stock in the Merger, in each case, subject to certain exceptions; and (vii) each party will take certain actions under the Indentures, including the execution by BioSante of supplemental indentures as required under the terms of the Indentures.

Cell Genesys also has agreed not to (i) solicit proposals relating to alternative business combination transactions or (ii) subject to certain exceptions, including the receipt of a "superior proposal" by Cell Genesys, enter into discussions or an agreement concerning or provide confidential information in connection with any proposals for alternative business combination transactions.

The Merger Agreement contains certain termination rights for both BioSante and Cell Genesys in certain circumstances. If the Merger Agreement is terminated due to certain triggering events specified in the Merger Agreement, Cell Genesys or BioSante will be required to pay the other party a termination fee of \$1.0 million. The Merger Agreement also provides that under specified circumstances, Cell Genesys or BioSante may be required to reimburse the other party up to \$500,000 for the other party's expenses in connection with the transaction. Any expenses paid by such party will be credited against the termination fee if the termination fee subsequently becomes payable by such party.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to a full text of the Merger Agreement, which is attached as Exhibit 2.1 to this current report on Form 8-K and is incorporated herein by reference. The Merger Agreement and related description are intended to provide you with information regarding the terms of the Merger Agreement and are not intended to modify or supplement any factual disclosures about BioSante or Cell Genesys in their respective public reports filed with the SEC. In particular, the Merger Agreement and related description are not intended to be, and should not be relied upon as, disclosures regarding any facts and circumstances relating to BioSante or Cell Genesys. The representations and warranties have been negotiated with the principal purpose of not establishing matters of fact, but rather as a risk allocation method establishing the circumstances in which a party may have the right not to close the Merger if the representations and warranties of the other party prove to be untrue due to a change in

3

circumstance or otherwise. The representations and warranties also may be subject to a contractual standard of materiality different from those generally applicable under the securities laws.

Voting Agreements

Concurrently and in connection with the execution of the Merger Agreement, Cell Genesys' Chairman of the Board and Chief Executive Officer, Stephen A. Sherwin, M.D., who holds less than one percent of the outstanding shares of Cell Genesys common stock as of the close of business on June 29, 2009, entered into a voting agreement with BioSante (the "Cell Genesys Voting Agreement"), pursuant to which he agreed to vote his shares of Cell Genesys common stock in favor of the Merger, the Merger Agreement and the transactions contemplated by the Merger Agreement and against certain transactions or certain actions that would delay, prevent or nullify the Merger or the transaction contemplated by the Merger Agreement.

In addition, certain of BioSante's directors and officers, who collectively hold approximately 9.5 percent of the outstanding shares of BioSante common stock as of the close of business on June 29, 2009, entered into a voting agreement with Cell Genesys, in substantially the form of Exhibit 10.2 hereto (the "BioSante Voting Agreement"), pursuant to which each stockholder agreed to vote its shares of Company common stock in favor of the Merger, the Merger Agreement and the transactions contemplated by the Merger Agreement, including the issuance of shares of BioSante common stock in the

Merger, and against certain transactions or certain actions that would delay, prevent or nullify the Merger or the transaction contemplated by the Merger Agreement.

Both the Cell Genesys Voting Agreement and the BioSante Voting Agreement (collectively, the "Voting Agreements") will terminate upon the earlier of the consummation of the Merger or the termination of the Merger Agreement.

The foregoing description of the Voting Agreements does not purport to be complete and is qualified in its entirety by reference to a full text of the Voting Agreement with Stephen A. Sherwin, M.D. and the form of BioSante Voting Agreement, which are attached as Exhibits 10.1 and 10.2 to this current report on Form 8-K, respectively, and are incorporated herein by reference.

THE MERGER

SECTION 2.01. *The Merger.* At the Effective Time, upon the terms and subject to the conditions of this Agreement and in accordance with the DGCL, the Company shall be merged with and into BioSante. As a result of the Merger, the separate corporate existence of the Company shall cease and BioSante shall continue as the surviving corporation of the Merger (the “*Surviving Corporation*”), and the separate corporate existence of BioSante with all its rights, privileges, immunities, powers and franchises shall continue as contemplated hereby.

SECTION 2.02. *Effective Time; Closing.* As promptly as practicable after the satisfaction or, if permissible, waiver of the conditions set forth in *Article VIII*, the parties hereto shall cause the Merger to be consummated by filing a certificate of merger (the “*Certificate of Merger*”) with the Secretary of State of the State of Delaware in such form as is required by, and executed in accordance with, the relevant provisions of the DGCL (the date and time of such filing of the Certificate of Merger (or such later time as may be agreed by each of the parties hereto and specified in the Certificate of Merger) being the “*Effective Time*”). Immediately prior to such filing of the Certificate of Merger, a closing of the Merger (the “*Closing*”) shall be held at the offices of O’Melveny & Myers LLP, 2765 Sand Hill Road, Menlo Park, California 94025, or such other place as the parties shall agree, for the purpose of confirming the satisfaction or waiver, as the case may be, of the conditions set forth in *Article VIII*. The date of the Closing is referred to as the “*Closing Date*.”

SECTION 2.03. *Effect of the Merger.* The effect of the Merger at and following the Effective Time shall be as provided in the applicable provisions of the DGCL and this Agreement.

SECTION 2.04. *Conversion of Securities.*

(a) *Conversion of Company Common Stock.* Subject to *Section 3.01(e)*, at the Effective Time, by virtue of the Merger and without any action on the part of BioSante or the Company, or any holder of any Shares (as defined herein), each share of common stock, par value \$0.001 per share, of the Company (“*Company Common Stock*”) (all shares of Company Common Stock being collectively referred to as the “*Shares*”) issued and outstanding

12

immediately prior to the Effective Time (other than Shares to be canceled in accordance with *Section 2.04(b)*) shall be converted into the right to receive a number of validly issued, fully paid and non-assessable BioSante Common Shares equal to the Exchange Ratio (the “*Per Share Merger Consideration*”).

(b) *Cancellation of Certain Shares.* At the Effective Time, by virtue of the Merger and without any action on the part of BioSante or the Company, all Shares owned by the Company or BioSante or any direct or indirect wholly owned subsidiary of the Company or BioSante immediately prior to the Effective Time shall, by virtue of the Merger, and without any action on the part of the holder thereof, automatically be canceled without any conversion thereof and retired and shall cease to exist and no consideration shall be delivered in exchange therefor, and each holder of a certificate or certificates representing any such Shares shall cease to have any rights with respect thereto.

(c) *Capital Stock of BioSante.* At the Effective Time, by virtue of the Merger and without any action on the part of BioSante or the Company, each BioSante Common Share issued and outstanding immediately prior to the Effective Time shall become one duly authorized, validly issued, fully paid and non-assessable share of common stock of the Surviving Corporation and each Special Share issued and outstanding immediately prior to the Effective Time shall become one duly authorized, validly issued, fully paid and non-assessable share of Class C Special Shares, \$0.0001 par value, of the Surviving Corporation.

SECTION 2.05. *Company Stock Options.*

(a) At a time mutually agreed upon by BioSante and the Company, but in no event less than 30 days prior to the Effective Time, the administrator of the Amended and Restated 1998 Incentive Stock Option Plan, the 2001 Nonstatutory Option Plan, the 2001 Non-Employee Directors Stock Option Plan and the 2005 Equity Incentive Plan (collectively, as amended, supplemented or modified, the “*Company Stock Option Plans*”) shall provide appropriate notice to holders of all options outstanding under the Company Stock Option Plans (the “*Company Stock Options*”) that such Company Stock Options other than the Company Stock Options listed on Schedule 2.05(a) hereto (the “*Specified Company Stock Options*”), whether or not vested and whether or not exercisable, shall be fully vested and exercisable until immediately prior to the Effective Time. Upon the Effective Time, all Company Stock Options other than the Specified Company Stock Options shall terminate. The Specified Company Stock Options, whether or not vested, shall by virtue of the Merger be assumed by BioSante and shall remain outstanding following the Effective Time. Each such Specified Company Stock Option so assumed by BioSante will continue to have, and be subject to, the same terms and conditions of such options immediately prior to the Effective Time (including, without limitation, any vesting provisions), except that: (i) each Specified Company Stock Option will be solely exercisable (or will become exercisable in accordance with its terms) for that number of whole BioSante Common Shares equal to the product of the number of shares of Company Common Stock that were issuable upon exercise of such Specified Company Stock Option immediately prior to the Effective Time multiplied by the Exchange Ratio, rounded down to the nearest whole number of BioSante Common Shares; and (ii) the per share exercise price for the BioSante Common Shares issuable upon exercise of such assumed Specified Company Stock Option will be equal to the quotient determined by dividing the exercise price per share of Company

13

Common Stock at which such Specified Company Stock Option was exercisable immediately prior to the Effective Time by the Exchange Ratio, rounded up to the nearest whole cent. BioSante shall comply with the terms of all such Specified Company Stock Options and use its reasonable best efforts to ensure, to the extent required by, and subject to the provisions of, the Company Stock Option Plans and permitted under the Code, that any Specified Company Stock Options that qualified for tax free treatment under Section 422 of the Code prior to the Effective Time continue to so qualify after the Effective Time. BioSante shall take all corporate actions necessary to reserve for issuance a sufficient number of BioSante Common Shares for delivery upon exercise of all Specified Company Stock Options pursuant to the terms set forth in this Section 2.05(a). From and after the Effective Time, all references to the Company in the Company Stock Option Plans and the applicable stock option agreements issued thereunder shall be deemed to refer to BioSante, which shall assume the Company Stock Options Plans as of the Effective Time by virtue of this Agreement and without any further action. Prior to the Effective Time, the Company shall take all actions necessary to effect the transactions contemplated by this Section 2.05(a). The Company will not take any action to accelerate the vesting, change the exercisability or extend the expiration date of any Specified Company Stock Options beyond what is contractually required as of April 1, 2009 (including those change of control agreements and arrangements with current executive officers identified in Section 4.10(a) of the Company Disclosure Schedule), and will take any action that is permitted to take so that the vesting, exercisability and expiration date of such Specified Company Stock Options is not accelerated or changed, and each Specified Company Stock Option shall be exercisable for a period of time determined in strict compliance with such contractual requirements.

(b) Each outstanding and unexercised warrant existing on the date of this Agreement (the “*Warrants*”) shall be treated in accordance with the terms of the Warrants as set forth in *Section 4.03(2)* of the Company Disclosure Schedule, and the contractual obligations thereunder shall, by virtue of the Merger, be assumed by BioSante to the extent such obligations would survive a Merger under the terms of the Warrants as set forth in *Section 4.03(2)* of the Company Disclosure Schedule; provided, however, that pursuant to the Warrant Exchange Agreement, dated as of May 17, 2009, by

and between the Company and Capital Ventures International (the “*Warrant Exchange Agreement*”), the Company shall pay or cause to be paid the Company Call Consideration (as defined in the Warrant Exchange Agreement) at least three (3) Business Days prior to the anticipated Closing Date if Capital Ventures International (“*CVI*”) so consents (which the Company will use commercially reasonable efforts to obtain as promptly as practicable after the date hereof) or, if CVI does not so consent, immediately prior to the Closing with respect to the outstanding portion of the Remainder Warrant (as defined in the Warrant Exchange Agreement) and, upon such payment, the Remainder Warrant shall not be assumed by BioSante and shall be cancelled.

SECTION 2.06. *Restricted Awards.* Immediately prior to the Effective Time, any restricted stock, restricted stock units, other equity-based awards or any other outstanding rights of any kind to acquire or receive Company Common Stock (other than Company Stock Options) (each, a “*Company Restricted Award*”) outstanding immediately prior to the Effective Time that are unvested or subject to risk of forfeiture, restrictions on transfer or other restrictions or conditions under the Company Stock Option Plans, any applicable award agreement or any other agreement with the Company, shall be fully vested and no longer subject to any restriction or other condition to which the applicable Company Restricted Award was subject. At the

14

Effective Time, such fully vested Company Restricted Awards or, as the case may be, the number of shares of Company Common Stock subject to such Company Restricted Award, shall be exchanged for fully-vested BioSante Common Shares pursuant to *Section 2.04*.

SECTION 3.01. *Exchange of Certificates.*

(a) *Exchange Agent.* From and after the Effective Time, BioSante shall deposit, or shall cause to be deposited, with Computershare or another bank or trust company selected by BioSante and reasonably acceptable to and approved in advance by the Company (the "Exchange Agent"), for the benefit of the holders of Shares, (i) for exchange in accordance

16

with this *Article III* through the Exchange Agent, certificates or, at BioSante's option, evidence of shares in book entry form, representing BioSante Common Shares issuable to holders of Shares in the Merger pursuant to *Section 2.04* as of the Effective Time, (ii) immediately available funds, from time to time as required to make payments in lieu of any fractional shares pursuant to *Section 3.01(e)* and (iii) any cash or other consideration from time to time as required for any dividends or other distributions pursuant to *Section 3.01(c)* (such cash and certificates (or, as the case may be, evidence of book entry form) for BioSante Common Shares, together with any dividends or distributions with respect thereto, being hereinafter referred to as the "Exchange Fund"). The Exchange Agent shall, pursuant to irrevocable instructions, deliver the BioSante Common Shares contemplated to be issued pursuant to *Section 2.04*, dividends or other distributions contemplated to be delivered pursuant to *Section 3.01(c)* and the cash in lieu of fractional shares contemplated to be paid pursuant to *Section 3.01(e)* out of the Exchange Fund. Except as contemplated by *Section 3.01(g)* hereof, the Exchange Fund shall not be used for any other purpose.

(b) *Exchange Procedures.*

(i) As promptly as practicable after the Effective Time, BioSante shall cause the Exchange Agent to mail to each person who was, at the Effective Time, a holder of record of Shares whose Shares were converted into the right to receive the Per Share Merger Consideration pursuant to *Section 2.04(a)*: (A) a letter of transmittal (which shall be in customary form reasonably agreed upon by BioSante and Company, and shall specify that delivery shall be effected, and risk of loss and title to the certificates evidencing such Shares (the "Certificates") shall pass, only upon proper delivery of the Certificates (or an affidavit of loss in lieu thereof) to the Exchange Agent); and (B) instructions for use in effecting the surrender of the Certificates (or an affidavit of loss in lieu thereof) pursuant to such letter of transmittal.

(ii) Upon surrender to the Exchange Agent of a Certificate (or an affidavit of loss in lieu thereof) for cancellation, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may reasonably be required pursuant to such instructions, the holder of such Certificate shall be entitled to receive in exchange therefor (A) a certificate or, at BioSante's option, evidence of shares in book entry form, representing that number of whole BioSante Common Shares which such holder has the right to receive in respect of the Shares formerly represented by such Certificate (after taking into account all Shares then held by such holder), (B) cash in lieu of any fractional BioSante Common Shares to which such holder is entitled pursuant to *Section 3.01(e)*, and (C) any dividends or other distributions to which such holder is entitled pursuant to *Section 3.01(c)*, and the Certificate (or an affidavit of loss in lieu thereof) so surrendered shall forthwith be canceled. In the event of a transfer of ownership of Shares that is not registered in the transfer records of the Company, a certificate representing the proper number of BioSante Common Shares, cash in lieu of any fractional BioSante Common Shares to which such holder is entitled pursuant to *Section 3.01(e)* and any dividends or other distributions to which such holder is entitled pursuant to *Section 3.01(c)* may be delivered to a transferee if the Certificate (or an affidavit of loss in lieu thereof) representing such Shares is presented to the Exchange Agent, accompanied by all documents required to evidence and effect such transfer and by evidence that any applicable stock transfer Taxes have been paid. Until surrendered as contemplated by this *Section 3.01*, each Certificate shall be deemed at all times after the Effective Time to represent

17

only the right to receive upon such surrender the certificate representing BioSante Common Shares, cash in lieu of any fractional BioSante Common Shares to which such holder is entitled pursuant to *Section 3.01(e)* and any dividends or other distributions to which such holder is entitled pursuant to *Section 3.01(c)*.

(c) *Distributions with Respect to Unexchanged BioSante Common Shares.* No dividends or other distributions declared or made after the Effective Time with respect to the BioSante Common Shares with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to the BioSante Common Shares represented thereby, and no cash payment in lieu of any fractional shares shall be paid to any such holder pursuant to *Section 3.01(e)*, until the holder of such Certificate shall surrender such Certificate (or an affidavit of loss in lieu thereof). Subject to the effect of escheat or other applicable Laws, following surrender of any such Certificate, there shall be paid to the holder of the certificates representing whole BioSante Common Shares issued in exchange therefor, without interest, (i) the amount of any cash payable with respect to any fractional BioSante Common Shares to which such holder is entitled pursuant to *Section 3.01(e)* and the amount of dividends or other distributions with a record date after the Effective Time and theretofore paid with respect to such whole BioSante Common Shares, and (ii) at the appropriate payment date, the amount of dividends or other distributions, with a record date after the Effective Time but prior to surrender and a payment date occurring after surrender, payable with respect to such whole BioSante Common Shares.

(d) *No Further Rights in Company Common Stock.* All BioSante Common Shares issued upon surrender of a Certificate in accordance with the terms of this *Article III* and any cash paid pursuant to *Section 3.01(c)* or *Section 3.01(e)* shall be deemed to have been issued in full satisfaction of all rights pertaining to the Shares formerly represented by such Certificate.

(e) *No Fractional Shares.* No certificates or scrip representing fractional BioSante Common Shares shall be issued upon the surrender for exchange of Certificates, and such fractional share interests will not entitle the owner thereof to vote or to any other rights of a stockholder of

BioSante. Each holder of a fractional share interest (after aggregating all fractional BioSante Common Shares issuable to such holder) shall be paid an amount in cash (without interest, rounded to the nearest whole cent equal to the product obtained by multiplying (i) such fractional share interest to which such holder (after taking into account all fractional share interests then held by such holder) would otherwise be entitled by (ii) the BioSante Share Value. As promptly as practicable after the determination of the amount of cash, if any, to be paid to holders of fractional share interests, the Exchange Agent shall so notify BioSante, and BioSante shall deposit such amount with the Exchange Agent and shall cause the Exchange Agent to forward payments to such holders of fractional share interests subject to and in accordance with the terms of *Section 3.01(b)* and *Section 3.01(c)*.

(f) *Adjustments of Exchange Ratio.* If, between the date of this Agreement and the Effective Time, there is a reorganization, recapitalization, reclassification, stock split, reverse stock split, stock dividend or distribution (including any dividend or distribution of securities convertible into BioSante Common Shares or Company Common Stock), extraordinary cash dividend, subdivision, issuer tender or exchange offer, combination, exchange of shares or other similar change with respect to, or rights issued in respect of, the BioSante

18

Common Shares or Company Common Stock (each, an “*Adjustment*”), the Exchange Ratio shall be adjusted accordingly, without duplication, to provide the holders of Shares with the same economic effect as contemplated by this Agreement prior to such Adjustment.

(g) *Termination of Exchange Fund.* Any portion of the Exchange Fund that remains undistributed to the holders of the Shares for nine months after the Effective Time shall be delivered to BioSante, upon demand, and any holders of Shares who have not theretofore complied with this *Article III* shall thereafter look only to BioSante (subject to abandoned property, escheat or other similar laws) for the Per Share Merger Consideration, any cash in lieu of fractional BioSante Common Shares to which they are entitled pursuant to *Section 3.01(e)* and any dividends or other distributions with respect to the BioSante Common Shares to which they are entitled pursuant to *Section 3.01(c)*. Neither BioSante nor the Surviving Corporation shall be liable to any holder of Shares for any Per Share Merger Consideration (or dividends or distributions with respect to BioSante Common Shares), or other cash properly delivered to a public official pursuant to any abandoned property, escheat or similar Law.

(h) *Withholding Rights.* Each of the Company, the Surviving Corporation and BioSante shall be entitled to deduct and withhold from the consideration or other amounts payable pursuant to this Agreement to any holder of Shares, Company Stock Options, Company Restricted Awards or other interests in the Company such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code, or any provision of state, local or foreign Law relating to Taxes. To the extent that amounts are so withheld by the Company, the Surviving Corporation or BioSante, as the case may be, and paid to the appropriate taxing authority, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the Shares, Company Stock Options, Company Restricted Awards or other interests in the Company in respect of which such deduction and withholding was made by the Company, the Surviving Corporation or BioSante, as the case may be.

(i) *Lost, Stolen, Destroyed or Unissued Certificates.* If any Certificate shall have been lost, stolen or destroyed, or was never issued, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen, destroyed or unissued and, if required by the Surviving Corporation in its reasonable discretion, the posting by such person of a bond, in such reasonable amount as the Surviving Corporation may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen, destroyed or unissued Certificate the whole number of BioSante Common Shares, any cash in lieu of fractional BioSante Common Shares to which the holders thereof are entitled pursuant to *Section 3.01(e)* and any dividends or other distributions to which the holders thereof are entitled pursuant to *Section 3.01(c)*.

SECTION 3.02. *Stock Transfer Books.* At the Effective Time, the stock transfer books of the Company shall be closed and there shall be no further registration of transfers of Shares that were outstanding immediately prior to the Effective Time thereafter on the records of the Company. From and after the Effective Time, the holders of Certificates representing Shares outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such Shares, except as otherwise provided in this Agreement or by Law.

19

On or after the Effective Time, any Certificates presented to the Exchange Agent or BioSante for any reason shall be canceled and converted in accordance with the terms of this *Article III*.

SECTION 3.03. *No Appraisal Rights.* In accordance with Section 262 of the DGCL, no appraisal rights shall be available to holders of Shares in connection with the Merger.

The Company and each Subsidiary is duly qualified or licensed as a foreign corporation to do business, and is in good standing (with respect to jurisdictions where such concept is applicable), in each jurisdiction where the character of the properties owned, leased or operated by it or the nature of its business makes such qualification or licensing necessary or desirable, except for such failures to be so qualified or licensed and in good standing that, individually or in the aggregate, would not have a Company Material Adverse Effect.

20

(b) *Section 4.01(b)* of the Company Disclosure Schedule sets forth all of the Subsidiaries of the Company in existence as of the date of this Agreement, together with the jurisdiction of incorporation or organization of each such Subsidiary and the percentage of the outstanding capital stock or other equity interests of each such Subsidiary owned by the Company and its other Subsidiaries. There are no outstanding contractual obligations of the Company or any Subsidiary to repurchase, redeem or otherwise acquire, or register under any securities Law, any Shares or any capital stock of any Subsidiary or to provide funds to, or make any investment (in the form of a loan, capital contribution or otherwise) in, the Company or any Subsidiary.

SECTION 4.02. *Certificate of Incorporation and Bylaws.* The Company has heretofore furnished to BioSante a complete and correct copy of the certificate of incorporation and the bylaws or equivalent organizational documents, each as amended to date, of the Company and each of the Subsidiaries. Neither the Company nor any Subsidiary is in violation of any of the provisions of its certificate of incorporation, bylaws or equivalent organizational documents.

SECTION 4.03. *Capitalization.*

There are no options, warrants, convertible debt or other convertible instruments or other rights, agreements, arrangements or commitments relating to the issued or unissued capital stock of any Subsidiary or obligating the Company or any Subsidiary to issue or sell any shares of capital stock of, or other equity interests in, any Subsidiary. Neither the Company nor any of its Subsidiaries owns any capital stock of, or other equity interest in, any third party (other than the Company’s ownership of capital stock of its Subsidiaries).

The execution and delivery of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby have been duly and validly authorized by all necessary corporate action, and no other corporate proceedings on the part of the Company are necessary to authorize this Agreement or to consummate the transactions contemplated hereby (other than, with respect to the Merger, obtaining the Company Stockholder Approval and the filing and recordation of appropriate merger documents as required by the DGCL). This Agreement has been duly and validly executed and delivered by the Company and, assuming the due authorization, execution and delivery by BioSante, constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except to the extent that its enforceability may be subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar Laws affecting the enforcement of creditors' rights generally and by general equitable principles. The Company Board has approved this Agreement and the transactions contemplated hereby and such approvals are sufficient so that the restrictions on business combinations set forth in Section 203(a) of the DGCL shall not apply to the Merger or any of the transactions contemplated hereby, and such approvals have not been withdrawn or modified. No other state "moratorium," "control share," "fair price" or other takeover statute or regulation is applicable to the Company with respect to the Merger or the other transactions contemplated by this Agreement.

23

SECTION 4.05. No Conflict; Required Filings and Consents.

(a) The execution and delivery of this Agreement by the Company does not, and the performance of this Agreement by the Company will not, (i) conflict with or violate the certificate of incorporation or bylaws or any equivalent organizational documents, each as amended to date, of the Company or any Subsidiary, (ii) assuming that all consents, approvals, authorizations and other actions described in *Section 4.05(b)* have been obtained, that all filings and obligations described in *Section 4.05(b)* have been made and that the Company Stockholder Approval has been obtained, conflict with or violate any United States or non-United States (including without limitation any state, local, international or foreign) statute, law, ordinance, regulation, rule, code, writ, executive order, injunction, judgment, decree or other order ("Law") applicable to the Company or any Subsidiary or by which any property or asset of the Company or any Subsidiary is bound or affected, or (iii) result in any breach of, loss of any benefit under, or constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, or give to others any right of termination, amendment, acceleration or cancellation of, or result in the creation of a lien or other encumbrance on any property or asset of the Company or any Subsidiary pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which the Company or any Subsidiary is a party or by which the Company or any Subsidiary or any property of any of them is bound or affected, except, with respect to clauses (ii) and (iii) above, for any such conflicts, violations, breaches, defaults or other occurrences that, individually or in the aggregate, would not have a Company Material Adverse Effect.

(d) The Company has heretofore furnished or made available to BioSante complete and correct copies of all material amendments and modifications that have not been filed by the Company with the SEC to all Company Material Contracts (except for such amendments or modifications as would not affect the surviving provisions of such Company Material Contracts as in effect on the date of this Agreement).

(h) There has not been any non-exempt prohibited transaction (within the meaning of Section 406 of ERISA or Section 4975 of the Code) with respect to any Company Plan that would reasonably be expected to result in a material penalty, excise tax or liability. BioSante and each BioSante Significant Subsidiary is duly qualified or licensed as a foreign corporation to do business, and is in good standing (with respect to jurisdictions where such concept is applicable), in each jurisdiction where the character of the properties owned, leased or operated by it or the nature of its business makes such qualification or licensing necessary or desirable, except for such failures to be so qualified or licensed and in good standing that, individually or in the aggregate, would not have a BioSante Material Adverse Effect.

All BioSante Common Shares subject to issuance as aforesaid, upon issuance on the terms and conditions specified in the instruments pursuant to which they are issuable, will be duly authorized, validly issued, fully paid and non-assessable.

(b) (i) The BioSante Common Shares to be issued pursuant to the Merger in accordance with *Section 2.04* will be duly authorized, validly issued, fully paid and non-assessable and not subject to preemptive rights created by statute, BioSante's certificate of incorporation or bylaws or any agreement to which BioSante is a party or is bound, and (ii) the issuance of such BioSante Common Shares will be registered under the Securities Act and the Exchange Act and registered or exempt from registration under applicable Blue Sky Laws.

42

SECTION 5.05. *No Conflict; Required Filings and Consents.*

(a) The execution and delivery of this Agreement by BioSante does not, and the performance of this Agreement by BioSante will not, (i) conflict with or violate the certificate of incorporation or bylaws, each as amended to date, of BioSante, (ii) assuming that all consents, approvals, authorizations and other actions described in *Section 5.05(b)* have been obtained, that all filings and obligations described in *Section 5.05(b)* have been made and that the BioSante Stockholder Approval has been obtained, conflict with or violate any Law applicable to BioSante or by which any property or asset of BioSante is bound or affected, or (iii) result in any breach of, loss of benefit under, or constitute a default (or an event which, with notice or lapse of time or

(a) BioSante has filed all forms, reports, statements, schedules and other documents required to be filed by it with the SEC since December 31, 2005 (collectively, the "*BioSante SEC Reports*"). The BioSante SEC Reports (i) at the time they were filed or, if amended, as of the date of such amendment, complied in all material respects with all applicable requirements of the Securities Act, or the Exchange Act, as the case may be, and the rules and regulations promulgated thereunder, each as in effect on the date so filed, except to the extent updated, amended, restated or corrected by a subsequent BioSante SEC Report filed with or furnished to the SEC by BioSante, and in either case, publicly available prior to the date of this Agreement and (ii) did not, at the time they were filed, or, if amended, as of the date of such amendment, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, except to the extent updated, amended, restated or corrected by a subsequent BioSante SEC Report. No subsidiary of BioSante is required to file any form, report or other document with the SEC. There are no outstanding comments from the Staff of the SEC with respect to any of the BioSante SEC Reports.

(c) Except as and to the extent set forth on the consolidated balance sheet of BioSante and its consolidated subsidiaries as at December 31, 2008, including the notes thereto, or disclosed in the BioSante 10-K or other Current BioSante SEC Reports filed subsequent to the date of the BioSante 10-K, neither BioSante nor any of its subsidiaries has any liability or obligation of any nature (whether accrued, absolute, contingent or otherwise), except for liabilities and obligations, (i) incurred in the ordinary course of business consistent with past practice since December 31, 2008, (ii) relating to payment or performance obligations under contracts that are either (1) disclosed in the BioSante Disclosure Schedule or (2) not required to be so disclosed by the terms of this Agreement (and including any of the foregoing types of contracts that are entered into or obtained after the date of this Agreement, as long as such action does not result in a breach of this Agreement) in accordance with the terms and conditions thereof which are not required by GAAP to be reflected on a regularly prepared balance sheet or (iii) incurred in connection with the performance by BioSante of its obligations under this Agreement.

(d) BioSante has timely filed all certifications and statements required by (x) Rule 13a-14 or Rule 15d-14 under the Exchange Act or (y) 18 U.S.C. Section 1350 (Section 906 of the Sarbanes-Oxley Act of 2002) with respect to any BioSante SEC Report.

(e) The records, systems, controls, data and information of BioSante and its subsidiaries are recorded, stored, maintained and operated under means that are under the exclusive ownership and direct control of BioSante and its subsidiaries or accountants (including all means of access thereto and therefrom), except for any non-exclusive ownership and non-direct control that would not reasonably be expected to have a material adverse effect on the system of internal accounting control described below in this Section 5.06(e). BioSante maintains disclosure controls and procedures required by Rule 13a-15 or Rule 15d-15 under the Exchange Act; such controls and procedures are designed to ensure that all material information concerning BioSante and any of its subsidiaries that is required to be disclosed in BioSante SEC Reports and other public disclosures is made known on a timely basis to the individuals responsible for the preparation of BioSante's SEC filings and other public disclosure documents.

BioSante and the Company each shall use their reasonable best efforts to cause the Registration Statement to become effective as promptly as practicable and, prior to the effective date of the Registration Statement, BioSante shall use reasonable best efforts to take all or any action required under any applicable federal or state securities Law or requirement of NASDAQ in connection with the BioSante Share Issuance. (c) Except as provided in *Section 7.03(c)*, BioSante covenants that neither the BioSante Board nor any committee thereof shall withdraw, qualify, modify or amend, or publicly propose to withdraw, qualify, modify or amend, in any manner adverse to the Company, the approval or recommendation by the BioSante Board or any committee thereof of this Agreement or the BioSante Share Issuance (the “*BioSante Recommendation*”), or take any action, or make any public statement, filing or release inconsistent with the BioSante Recommendation (any such actions being a “*Change in BioSante Recommendation*”), and the Joint Proxy Statement shall include the recommendation of the BioSante Board to the stockholders of BioSante in favor of adoption of this Agreement and approval of the BioSante Share Issuance.

(d) No amendment or supplement to the Joint Proxy Statement or the Registration Statement (including information incorporated by reference from reports filed under the Exchange Act, although not including any portions of reports filed subsequent to the date hereof under the Exchange Act not related to the Merger) will be made by BioSante or the Company without the approval of the other party (such approval not to be unreasonably withheld

52

or delayed) and without providing a reasonable opportunity to review and comment thereof provided that either party in connection with a Change in Company Recommendation or a Change in BioSante Recommendation, may amend or supplement the Joint Proxy Statement or Registration Statement (including by incorporation by reference) if such party has the right pursuant to the terms of this Agreement to change such recommendation. BioSante and the Company each will advise the other, promptly after they receive notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, of the issuance of any stop order, of the suspension of the qualification of the BioSante Common Shares issuable in connection with the Merger for offering or sale in any jurisdiction, or of any request by the SEC for amendment of the Joint Proxy Statement or the Registration Statement or comments thereon and responses thereto or requests by the SEC for additional information, and BioSante and the Company shall cooperate to prepare appropriate responses to the SEC to such comments and make such modifications for the Registration Statement as shall be reasonably appropriate and to the extent required by applicable Law.

All documents that BioSante is responsible for filing with the SEC in connection with the Merger or the other transactions contemplated by this Agreement will comply as to form and substance in all material aspects with the applicable requirements of the Securities Act and the rules and regulations thereunder and the Exchange Act and the rules and regulations thereunder.

If, at any time prior to the Effective Time, any event or circumstance relating to the Company or any Subsidiary, or their respective officers or directors, should be discovered by the Company which is required by applicable Law to be set forth in an amendment or a supplement to the Registration Statement, Joint Proxy Statement or any Regulation M-A Filing, the Company shall promptly inform BioSante. All documents that the Company is responsible for filing with the SEC in connection with the Merger or the other transactions contemplated by this Agreement will comply as to form and substance in all material respects with the applicable requirements of the Securities Act and the rules and regulations thereunder and the Exchange Act and the rules and regulations thereunder.

SECTION 7.02. *Company Stockholder Meeting.*

(a) The Company shall call and hold the Company Stockholder Meeting as promptly as practicable for the purpose of voting upon the adoption of this Agreement and the Company shall use its reasonable best efforts to hold the Company Stockholder Meeting as soon as practicable and in any event within 45 days after the date on which the Registration Statement becomes effective and, subject to *Section 7.05(d)(y)*, the Company agrees that this Agreement shall be submitted for adoption at the Company Stockholder Meeting. Notwithstanding anything to the contrary in this Agreement, the Company may, but shall not be required to, adjourn or postpone the Company Stockholder Meeting to the extent necessary to ensure that any necessary supplement or amendment to the Joint Proxy Statement is provided to its stockholders in advance of a vote on the adoption of this Agreement, or, if, as of the time for which the Company Stockholder Meeting is originally scheduled, there are (i) insufficient Shares represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of such meeting or (ii) sufficient Shares represented to constitute a quorum necessary to conduct the business of such a meeting, but there are insufficient Shares represented (either in person or by proxy) to effect the Company Stockholder Approval.

(b) Subject to *Section 7.05(d)* and *Section 7.05(e)*, the Company shall use its reasonable best efforts to solicit from its stockholders proxies in favor of the adoption of this Agreement and shall take all other action necessary or advisable to secure the Company Stockholder Approval. Subject to *Section 7.05(d)(y)*, the obligation of the Company to call, give notice of, convene and hold the Company Stockholder Meeting shall not be limited or otherwise affected by the commencement, disclosure, announcement or submission to it of any Acquisition Proposal, or by any Change in Company Recommendation.

SECTION 7.03. *BioSante Stockholder Meeting; BioSante Board Recommendation.*

(a) BioSante shall call and hold the BioSante Stockholder Meeting as promptly as practicable for the purpose of voting upon the adoption of this Agreement and approval of the BioSante Share Issuance and BioSante shall use its reasonable best efforts to hold the BioSante Stockholder Meeting as soon as practicable and in any event within 45 days

after the date on which the Registration Statement becomes effective and BioSante agrees that this Agreement and the BioSante Share Issuance shall be submitted for adoption and approval at the BioSante Stockholder Meeting. Notwithstanding anything to the contrary in this Agreement, BioSante may, but shall not be required to, adjourn or postpone the BioSante Stockholder Meeting to the extent necessary to ensure that any necessary supplement or amendment to the Joint Proxy Statement is provided to its stockholders in advance of a vote on the adoption of this Agreement and approval of the BioSante Share Issuance, or, if, as of the time for which the BioSante Stockholder Meeting is originally scheduled, there are (i) insufficient BioSante Common Shares represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of such meeting or (ii) there are sufficient BioSante Common Shares to constitute a quorum necessary to conduct the business of such a meeting, but there are insufficient BioSante Common Shares represented (either in person or by proxy) to effect the BioSante Stockholder Approval.

(b) Subject to *Section 7.03(c)*, BioSante shall use its reasonable best efforts to solicit from its stockholders proxies in favor of the adoption of this Agreement and approval of the BioSante Share Issuance and shall take all other action necessary or advisable to secure the BioSante Stockholder Approval. The obligation of BioSante to call, give notice of, convene and hold the BioSante Stockholder Meeting shall not be limited or otherwise affected by any Change in BioSante Recommendation.

(c) Notwithstanding anything to the contrary contained in this Section 7.03, at any time prior to the BioSante Stockholder Approval, the BioSante Board may make a Change in BioSante Recommendation if the BioSante Board determines, in its good faith judgment prior to the time of the BioSante Stockholder Meeting and after consultation with outside legal counsel, that failure to make a Change in BioSante Recommendation would be inconsistent with the directors' exercise of their fiduciary obligations to BioSante and its stockholders under applicable Law and BioSante's certificate of incorporation, in which event the BioSante Board may make a Change in BioSante Recommendation, but only after (i) providing written notice to the Company advising the Company of its intention to make a Change in BioSante Recommendation at least five (5) business days prior to effecting such Change in BioSante Recommendation and (ii) negotiating, and causing its financial advisors and outside counsel to negotiate, with the Company in good faith during such five (5)-day period (to the extent the Company desires to and in fact does negotiate in good faith) to make such adjustments in the terms and conditions of this Agreement so that the failure to make a Change in BioSante Recommendation would no longer be inconsistent with the directors' exercise of their fiduciary obligations to BioSante and its stockholders under applicable Law and BioSante's certificate of incorporation.

SECTION 7.04. *Access to Information; Confidentiality.*

(a) Except as otherwise prohibited by applicable Law or the terms of any contract or agreement (*provided* that each party shall use all reasonable best efforts to promptly obtain any consent required under any such contract or agreement in order that it may comply with the terms of this Section 7.04), from the date of this Agreement until the Effective Time, each of BioSante and the Company shall, and shall cause its respective subsidiaries to, (i) provide to the other party and the other party's officers, directors, employees, accountants,

55

consultants, legal counsel, agents and other representatives access at reasonable times during normal business hours upon prior notice to the officers, employees, agents, properties, offices and other facilities of such party and its subsidiaries and to the books and records thereof, and (ii) furnish promptly to the other party such information concerning the business, properties, contracts, assets, liabilities, personnel and other aspects of such party and its subsidiaries as the other party or its representatives may reasonably request; *provided, however*, that neither BioSante nor the Company shall be required to provide access to or disclose information where such access or disclosure would violate or prejudice the rights of its customers, jeopardize the attorney-client privilege of the person in possession or control of such information or contravene any Law, order, judgment, decree or agreement to which such party or any of its subsidiaries is a party or is subject.

(b) All information obtained by the parties pursuant to this Section 7.04 shall be kept confidential in accordance with the Confidentiality Agreement, dated February 19, 2009 (the "*Confidentiality Agreement*"), between BioSante and the Company.

(c) No investigation pursuant to this Section 7.04 shall affect any representation or warranty in this Agreement of any party hereto or any condition to the obligations of the parties hereto.

SECTION 7.05. *No Solicitation of Transactions.*

(a) The Company agrees that neither it nor any Subsidiary will, and the Company shall cause their respective directors, officers, employees, agents, investment bankers, attorneys, accountants, other advisors or representatives (such persons, together with Subsidiaries, collectively, the "*Company Representatives*") not to (i) solicit, initiate or knowingly encourage (including by way of furnishing non-public information), or take any other action to knowingly facilitate the making of any Acquisition Proposal, (ii) enter into, continue or otherwise engage or participate in any discussions or negotiations regarding, or furnish to any person, any non-public information with respect to, or otherwise knowingly cooperate, encourage or facilitate any effort or attempt to make or implement any proposal or inquiry that constitutes, or could reasonably be expected to result in, an Acquisition Proposal, (iii) approve, endorse or recommend, or propose publicly to approve, endorse or recommend, any Acquisition Proposal, or (iv) submit to a vote of its stockholders, approve, endorse or recommend, or publicly announce an intention to approve, endorse or recommend, or enter into, any letter of intent, agreement in principle, merger agreement, acquisition agreement, option agreement amalgamation agreement, scheme of arrangement or other similar agreement relating to any Acquisition Proposal (other than a Qualifying Confidentiality Agreement in accordance with Section 7.05(b)). The Company immediately shall cease and cause to be terminated all existing discussions or negotiations with any parties conducted heretofore with respect to an Acquisition Proposal. The Company shall not, and shall cause its Subsidiaries not to, release any third party from, or waive any provision of, any confidentiality or standstill agreement to which it is a party, and will immediately take all steps necessary to terminate any express approval that may have heretofore been given under any such confidentiality or standstill agreements authorizing any third party to make an Acquisition Proposal.

56

(b) Notwithstanding anything to the contrary in this Section 7.05, if the Company or any of the Company Representatives receives an unsolicited written Acquisition Proposal from any person or group of persons at any time prior to the Company Stockholder Meeting, the Company and Company Representatives may (i) contact such person or group of persons to clarify the terms and conditions thereof, and (ii) if the Company Board (or any committee thereof) has (A) determined, in its good faith judgment (after consultation with the Company's financial advisors and outside legal counsel), that such Acquisition Proposal constitutes or could reasonably be expected to lead to a Superior Proposal, and (B) obtained from such person a Qualifying Confidentiality Agreement, furnish information to, and enter into discussions and negotiations with, such person or group of persons; *provided*, that the Company shall have provided written notice to BioSante of its intent to furnish information or enter into discussions or negotiations with such person or group of persons at least two (2) business days prior to taking any such action.

(c) Promptly (but in no event more than one (1) business day) following receipt thereof, the Company shall advise BioSante in writing of the receipt of any Acquisition Proposal, or the receipt of any inquiry, or of any request to enter into, continue or otherwise engage or participate in any discussions or negotiations, with respect to any Acquisition Proposal and, to the extent not inconsistent with the terms of any confidentiality obligations existing as of the date of this Agreement, a summary of the material terms and conditions of such Acquisition Proposal and the Company shall promptly provide to BioSante a copy of any Acquisition Proposal made in writing provided to the Company and copies of any written materials received by the Company in connection therewith. The Company agrees that it shall keep BioSante reasonably informed of the status of any discussions or negotiations with respect to any Acquisition Proposal. The Company agrees that it shall simultaneously provide to BioSante any non-public information concerning the Company that may be provided (pursuant to Section 7.05(b)) to any other person or group of persons in connection with any Acquisition Proposal which was not previously provided to BioSante.

(d) Notwithstanding anything to the contrary contained in *Section 7.02* or this *Section 7.05*, at any time prior to the Company Stockholder Approval, if the Company has received a Superior Proposal (after giving effect to the terms of any revised offer by BioSante pursuant to this *Section 7.05(d)*), the Company Board may (x) in connection with such Superior Proposal, make a Change in Company Recommendation or (y) terminate this Agreement for the purpose of causing the Company to enter into an acquisition agreement with respect to such Superior Proposal (*provided* that the Company shall have paid the Termination Fee prior to or concurrently with such termination of this Agreement in accordance with *Section 9.03(b)*), which the Company shall enter into concurrently with or immediately following such termination, if the Company Board has determined in good faith, after consultation with the Company's financial advisors and outside counsel, that the failure to take such action would be inconsistent with the directors' exercise of their fiduciary obligations to the Company and its stockholders under applicable Law and the Company's certificate of incorporation; *provided, however*, that if the Change in Company Recommendation pursuant to clause (x) or the termination of this Agreement pursuant to clause (y) is to be effected as a result of a Superior Proposal, then the Company Board may not take the actions set forth in clause (x) or (y), as the case may be, unless:

57

(i) the Company shall have provided prior written notice to BioSante at least five (5) business days in advance (the "*Notice Period*") of its intention to take such actions, which notice shall advise BioSante that the Company Board has received a Superior Proposal, specify the material terms and conditions of such Superior Proposal and indicate that the Company Board intends to effect a Change in Company Recommendation or terminate this Agreement and the manner in which it intends (or may intend) to take such action (a "*Notice of Superior Proposal*"), and

(ii) during the Notice Period, the Company shall, and shall cause its financial advisors and outside counsel to, negotiate with BioSante in good faith (to the extent BioSante desires to and in fact does negotiate in good faith) to make such revisions to the terms and conditions of this Agreement so that such Acquisition Proposal ceases to constitute (in the reasonable judgment of the Company Board) a Superior Proposal.

If during the Notice Period any material revisions are made to the Superior Proposal, the Company shall deliver a new written notice to BioSante specifying the details of any such revisions and shall comply with the requirements of this *Section 7.05(d)* with respect to such new written notice, except that the new Notice Period shall be two (2) business days. Any disclosure that the Company Board may be compelled to make with respect to the receipt of a proposal or offer for an Acquisition Proposal or otherwise in order to comply with its fiduciary obligations to the Company and its stockholders under applicable Law and the Company's certificate of incorporation or Rule 14d-9 or 14e-2(a) promulgated under the Exchange Act will not constitute a violation of this Agreement (it being understood that a mere "stop, look and listen" disclosure shall not constitute a Change in Company Recommendation). Any Change in Company Recommendation shall not change the approval of the Company Board for purposes of causing any state law to be inapplicable to the transactions contemplated hereby.

(e) Notwithstanding *Section 7.05(d)*, at any time prior to the Company Stockholder Approval, the Company Board may, other than in response to a Superior Proposal, make a Change in Company Recommendation if the Company Board determines, in its good faith judgment prior to the time of the Company Stockholder Meeting and after consultation with outside legal counsel, that failure to make a Change in Company Recommendation would be inconsistent with the directors' exercise of their fiduciary obligations to the Company and its stockholders under applicable Law and the Company's certificate of incorporation, in which event the Company Board may make a Change in Company Recommendation, but only after (i) providing written notice to BioSante advising BioSante of its intention to make a Change in Company Recommendation at least five (5) calendar days prior to effecting such Change in Company Recommendation and (ii) negotiating, and causing its financial advisors and outside counsel to negotiate, with BioSante in good faith during such five (5)-day period (to the extent BioSante desires to and in fact does negotiate in good faith) to make such adjustments in the terms and conditions of this Agreement so that the failure to make a Change in Company Recommendation would no longer be inconsistent with the directors' exercise of their fiduciary obligations to the Company and its stockholders under applicable Law and the Company's certificate of incorporation.

58

(f) An "*Acquisition Proposal*" means any proposal or offer from any person or group of persons (other than BioSante or its affiliates): (i) for any merger, consolidation, amalgamation, share exchange, business combination, scheme of arrangement, recapitalization, liquidation, dissolution or other similar transaction involving the Company or any Subsidiary pursuant to which such person or group of persons would own 20% or more of the voting power of any class of equity securities of the Company or of any resulting parent of the Company; (ii) for any sale, lease, exchange, transfer or other disposition of assets or businesses that constitute or represent 20% or more of the consolidated revenue, consolidated operating income or consolidated total assets of the Company and the Subsidiaries, taken as a whole; or (iii) for any sale, exchange, transfer or other disposition pursuant to which such person or group of persons would own 20% or more of the voting power of any class of equity securities of the Company, in a single transaction or a series of related transactions, in each case other than the Merger.

(g) A "*Superior Proposal*" means an unsolicited written bona fide offer made by a third party to consummate any of the following transactions: (i) a merger, consolidation, amalgamation, share exchange, business combination, asset purchase, scheme of arrangement, or other similar transaction involving the Company pursuant to which the stockholders of the Company immediately preceding such transaction would hold less than 75% of the voting power of any class of equity securities of the Company or of any resulting entity of such transaction or the Company would sell more than 75% of the consolidated assets of the Company and the Subsidiaries; or (ii) the acquisition by any person or group (including by means of a tender offer or an exchange offer or a two-step transaction involving a tender offer followed with reasonable promptness by a cash-out merger involving the Company), directly or indirectly, of ownership of 100% of the then outstanding shares of stock of the Company, in each case (i) for consideration that is not less than the Per Share Merger Consideration and (ii) otherwise on terms that the Company Board determines, in its good faith judgment (after consultation with the Company's financial advisors), to be more favorable to the Company stockholders than the Merger (after taking into account, among other factors the Company Board may deem relevant, the likelihood of obtaining any financing required to consummate the transaction contemplated by such offer).

SECTION 7.06. *Employee Benefits Matters.*

(a) Subject to the remaining paragraphs of this *Section 7.06*, from and after the Effective Time, BioSante shall cause the Surviving Corporation and the Subsidiaries to honor in accordance with their terms, all contracts, agreements, arrangements, policies, plans and commitments of the Company and the Subsidiaries as in effect immediately prior to the Effective Time that are applicable to any current or former employees or directors of the Company or any Subsidiary; *provided*, that nothing contained herein shall prohibit BioSante or the Surviving Corporation or any of BioSante's subsidiaries from amending, modifying or terminating any such contracts, agreements, arrangements, policies, plans and commitments in accordance with their terms.

(b) Immediately after the date hereof, the Company will dissolve its Subsidiary Comet LLC and rescind the ADP Total Source Client Services Agreement by and between ADP Total Source and Comet LLC, dated June 22, 2009, and any related agreement.

59

(c) If the Company ceases to provide any group health plan to its employees in connection with the Merger, the Company will (before the Merger) or, after the Merger, BioSante will (or will cause the Surviving Corporation to) provide each Executive with cash payments pursuant to the terms of the Executive Release and provide each current non-executive employee or former employee listed on Section 4.11(e) of the Company Disclosure Schedule, for the remainder of the COBRA period for such individual as listed on Section 4.11(e) of the Company Disclosure Schedule, with a monthly cash payment equal to the premiums such individual pays each month for (i) an individual conversion policy with Anthem Blue Cross Blue Shield of California pursuant to the Company's group medical plan or, if such individual conversion policy is unavailable to such individual or provides materially less coverage than the Company's group medical plan, the amount the individual pays each month for an individual health insurance policy that provides coverage that is not materially less than such non-executive employee's or former employee's coverage under the Company's group medical plan and (ii) an individual dental insurance policy that provides coverage that is not materially less than coverage under the Company's group dental plan, plus (iii) an additional amount equal to the Federal, State and any other income, employment and other taxes (calculated at the highest rates applicable to the individual) such individual will owe on such amounts (including on the tax gross-up payment itself), it being intended that the individual retain (on an after-tax basis) an amount equal to the monthly premium; *provided*, the obligation of the Company, BioSante and the Surviving Corporation to make such payments to such individual is subject to the non-executive employee or former employee signing and not rescinding a release in the form reasonably satisfactory to BioSante.

(d) Nothing contained herein shall be deemed to be a guarantee of employment for any employee of the Company or its respective Subsidiaries, or to restrict the right of the Surviving Corporation, BioSante or any of its subsidiaries to terminate or cause to be terminated any employee of the Company, its Subsidiaries, Surviving Corporation, BioSante or its Subsidiaries at any time for any or no reason with or without notice. Notwithstanding the foregoing provisions of this *Section 7.06*, nothing contained herein, whether express or implied, (i) shall be treated as an amendment or other modification of any employee benefit plan, program or arrangement or the establishment of any employee benefit plan, program or arrangement or (ii) shall limit the right of Surviving Corporation, BioSante or any of its Subsidiaries to amend, terminate or otherwise modify (or cause to be amended, terminated or otherwise modified) any employee benefit plan, program or arrangement following the Closing in accordance with its terms. BioSante and the Company acknowledge and agree that all provisions contained in this *Section 7.06* are included for the sole benefit of BioSante and the Company, and that nothing herein, whether express or implied, shall create any third party beneficiary or other rights (i) in any other person, including any employees, former employees, any participant in any employee benefit plan, program or arrangement (or any dependent or beneficiary thereof), of the Company or any of its affiliates or (ii) to continued employment with BioSante or any of its affiliates or continued participation in any employee benefit plan, program or arrangement.

SECTION 7.07. Notification of Certain Matters. Subject to applicable Law and the requirements of any Governmental Authority, each of the Company and BioSante shall keep the other apprised of the status of matters relating to the completion of the transactions contemplated hereby, including promptly furnishing the other with copies of notices or other communications received by BioSante or the Company, as the case may be, from any third

60

person and/or any Governmental Authority with respect to the Merger and the other transactions contemplated by this Agreement. Neither the Company nor BioSante shall permit any of its officers or any other representatives to participate in any meeting with any Governmental Authority in respect of any filings, investigation or other inquiry relating to this Agreement or the transactions contemplated hereby unless it consults with the other party in advance and, to the extent permitted by such Governmental Authority, gives the other party the opportunity to attend and participate thereat. Each of the Company and BioSante shall provide reasonably prompt written notice to the other party of: (i) any material failure of such party to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder; and (ii) the occurrence or non-occurrence of any event that would reasonably be likely to cause any representation or warranty of such party contained herein to be untrue or inaccurate in any material respect at or prior to the Effective Time, in the case of (i) or (ii) that is intended or may reasonably be expected to result in any of the conditions to the Merger set forth in *Article VIII* not being satisfied.

SECTION 7.08. Further Action; Reasonable Best Efforts. Upon the terms and subject to the conditions of this Agreement, each of the parties hereto shall promptly after the date of this Agreement use its reasonable best efforts to take, or cause to be taken, all appropriate action, and to do, or cause to be done, all things necessary, proper or advisable under applicable Law or otherwise to consummate and make effective the transactions contemplated hereby, including using its reasonable best efforts to obtain all permits, consents, approvals, authorizations, qualifications and orders of Governmental Authorities and parties to contracts with the Company and the Subsidiaries as are necessary for the consummation of the transactions contemplated hereby and to fulfill the conditions to the Merger. In case, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement, the proper officers and directors of each party to this Agreement shall use their reasonable best efforts to take all such action.

SECTION 7.09. Tax Matters. The Company and BioSante shall cooperate in the preparation, execution and filing of all returns, questionnaires, applications or other documents regarding any real property transfer or gains, sales, use, transfer, value added, stock transfer and stamp Taxes, any transfer, recording, registration and other fees and any similar Taxes which become payable by the Company or BioSante in connection with the transactions contemplated by this Agreement (together with any related interest, penalties or additions to Tax, "*Transfer Taxes*"). All Transfer Taxes shall be paid by the Company and expressly shall not be a liability of any holder of BioSante Common Shares or Company Common Shares. Notwithstanding anything to the contrary in this Agreement, neither Company nor BioSante makes any representations or warranties regarding the Tax consequences of the transactions contemplated by this Agreement.

SECTION 7.10. Third-Party Consents and Notices. As soon as reasonably practicable following the date hereof, the Company will use its commercially reasonable efforts to obtain any material consents, approvals and waivers, and to provide the required notices under any of its or its Subsidiaries' respective contracts required to be obtained or provided, as applicable, in connection with the consummation of the transactions contemplated hereby, in each case as set forth in *Section 7.10* of the Company Disclosure Schedule.

61

SECTION 7.11. *NASDAQ Listing.* BioSante shall promptly prepare and submit to NASDAQ a listing application covering the BioSante Common Shares to be issued in the Merger, and shall use its reasonable best efforts to obtain, prior to the Effective Time, approval for the listing of such BioSante Common Shares, subject to official notice of issuance to NASDAQ, and the Company shall cooperate with BioSante with respect to such listing.

SECTION 7.12. *Subsequent Financial Statements.* The Company shall, if practicable, consult with BioSante prior to making publicly available its financial results for any period after the date of this Agreement and prior to filing any report or document with the SEC after the date of this Agreement, it being understood that BioSante shall have no liability by reason of such consultation.

SECTION 7.13. *Public Announcements.* The initial press release relating to this Agreement and the transactions contemplated hereby shall be a joint press release, the text of which has been agreed to by each of BioSante and the Company. Thereafter, unless otherwise required by applicable Law or the requirements of NASDAQ and except to the extent disclosed in or consistent with the Joint Proxy Statement, Registration Statement or Regulation M-A Filing in accordance with the provisions of Section 7.01, each of BioSante and the Company shall use its reasonable best efforts to consult with each other before issuing any press release or otherwise making any public statements with respect to this Agreement, the Merger or any of the other transactions contemplated hereby; *provided*, that this Section 7.13 shall not be applicable to any press release or other public statement made by or on behalf of the Company or BioSante pursuant to Section 7.05(d) or Section 7.05(e) or Section 7.03(c), as applicable.

SECTION 7.14. *Resignation of Directors.* The Company shall use its reasonable best efforts to obtain and deliver to BioSante at the Closing evidence reasonably satisfactory to BioSante of the resignation effective as of the Effective Time, of those directors of the Company or any Subsidiary designated by BioSante to the Company in writing at least two business days prior to the Closing.

SECTION 7.15. *Section 16 Matters.* Prior to the Effective Time, each of BioSante and the Company shall use reasonable best efforts to cause any dispositions of Shares (including derivative securities with respect to Shares) or acquisitions of BioSante Common Shares (including derivative securities with respect to BioSante Common Shares) resulting from the transactions contemplated by this Agreement by each officer and director of the Company who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act.

SECTION 7.16. *Indemnification; Directors' and Officers' Insurance.*

(a) From and after the Effective Time, BioSante shall, and shall cause the Surviving Corporation to, fulfill and honor in all respects the obligations of the Company pursuant to any indemnification and exculpation agreements disclosed in Section 7.16(b) of the Company Disclosure Schedule (and any additional agreements entered into prior to the Effective Time in substantially the same form) between the Company and its directors, officers and employees, including with respect to each person who is now or at any time prior to the Effective Time was a director, officer and employee (the "Indemnified Parties") of the Company and its

62

Subsidiaries, and any indemnification and exculpation provisions under the certificate of incorporation and bylaws of the Company or the equivalent organizational documents of the applicable Subsidiary as in effect on the date of this Agreement including, but not limited to, with respect to matters, acts or omissions occurring in connection with the approval of or entering into this Agreement or the consummation of the transactions contemplated by this Agreement. BioSante shall cause the certificate of incorporation and bylaws of Surviving Corporation to contain provisions with respect to indemnification and exculpation that are at least as favorable to the Indemnified Parties as those contained in the certificate of incorporation and bylaws of the Company as in effect on the date of this Agreement, which provisions will not be amended, repealed or otherwise modified for a period of seven years from the Effective Time in any manner that would adversely affect the rights thereunder of the Indemnified Parties, unless such modification is required by applicable Law.

(b) BioSante and the Company acknowledge that the Company's existing D&O Insurance coverage ("*Existing D&O Insurance*") will, upon notice to the insurance provider and payment of the applicable remaining premium amount, which the Company agrees to do in connection with the Closing, automatically convert into a six-year prepaid "tail" policy for such coverage upon the consummation of the Merger. BioSante shall, and shall cause the Surviving Corporation to, maintain such "tail" policy in full force and effect and continue to honor their respective obligations thereunder for so long as such "tail" policy shall be maintained in full force and effect. If at any time after the date hereof and prior to the expiration of such six-year period, such Existing D&O Insurance expires, is terminated or cancelled, BioSante shall, or cause the Surviving Corporation to, obtain substitute D&O Insurance equivalent in amount and scope to such Existing D&O Insurance, so long as the cost to obtain such substitute D&O Insurance does not exceed an amount that is equal to 150% of the premium paid by the Company for the six-year prepaid "tail" policy for the Existing D&O Insurance.

(c) If BioSante or the Surviving Corporation or any of their respective successors or assigns (i) shall consolidate with or merge into any other corporation or entity and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) shall transfer all or substantially all of its properties and assets to any individual, corporation or other entity, then, and in each such case, proper provisions shall be made so that the successors and assigns of BioSante or the Surviving Corporation shall assume all of the obligations set forth in this Section 7.16.

(d) The provisions of this Section 7.16 are (i) intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Parties, their heirs and their representatives and (ii) in addition to, and not in substitution for, any other rights to indemnification or contribution that any such person may have by contract or otherwise. The obligations of BioSante and the Surviving Corporation under this Section 7.16 shall not be terminated or modified in such a manner as to adversely affect any indemnitee to whom this Section 7.16 applies without the express written consent of such affected indemnitee (it being expressly agreed that the indemnitees to whom this Section 7.16 applies shall be third party beneficiaries of this Section 7.16).

SECTION 7.17. *Convertible Notes.* BioSante and the Company shall take all such action as may be reasonably necessary so that upon the Effective Time, BioSante and the

63

Surviving Corporation shall be in compliance with the terms of the indenture dated as of October 20, 2004 for the Old Convertible Notes (the “*Old Notes Indenture*”) and the indenture dated as of June 24, 2009 for the New Convertible Notes (the “*New Notes Indenture*” and, together with the Old Notes Indenture, the “*Indenture*”), including in each case the execution of a supplemental indenture with the applicable trustee under the Indenture in compliance with Section 5.1(a) of the Indenture and to provide among other things that on and after the Effective Time, the Convertible Notes will be convertible only into BioSante Common Shares, as provided in Section 9.4 of the Indenture. BioSante shall take all corporate actions necessary to reserve for issuance a sufficient number of BioSante Common Shares for delivery upon conversion of the Convertible Notes in accordance with the terms of this *Section 7.17* and the Indenture. The Company agrees to give the notice required under Section 9.6 of the Indenture and any other notice required under the Indenture to be given by the Company prior to the Effective Time with respect to the Merger, to deliver the Officers’ Certificate and Opinion of Counsel required under Section 5.1(c) of the Indenture and to take all actions that are reasonably requested by BioSante to carry out the purposes of this *Section 7.17* and to cooperate with BioSante, and not intentionally hinder or obstruct BioSante, in its efforts to do so.

SECTION 7.18. *Form S-8.* Within ten business days following the Effective Time, BioSante shall, if no registration statement is in effect covering such BioSante Common Shares, file a registration statement on Form S-8 (or any successor form) with respect to the BioSante Common Shares subject to any Specified Company Stock Options and Company Restricted Awards and shall use all reasonable efforts to maintain the effectiveness of such registration statement or registration statements (and maintain the current status of the prospectus or prospectuses contained therein) for so long as such Specified Company Stock Options and Company Restricted Awards remain outstanding.

SECTION 7.19. *Termination of Executive Officers.* BioSante shall cause the Surviving Corporation to terminate the employment of each of the Executives on the day immediately following the Effective Time.

(a) by mutual written consent of BioSante and the Company; or

(b) by either BioSante or the Company if:

(i) if BioSante shall terminate this Agreement pursuant to *Section 9.01(c)(ii)* or *Section 9.01(c)(iii)* and within twelve months after the date of such termination the Company enters into a definitive acquisition agreement (other than a confidentiality agreement) with respect to (and subsequently consummates), or consummates a transaction contemplated by, an Acquisition Proposal (changing the 20% amount referred to in the definition of “Acquisition Proposal” to 50% for purposes of this *Section 9.03(b)(i)*); or

(ii) if the Company shall terminate this Agreement pursuant to *Section 9.01(d)(ii)*; or

(iii) if (A)(x) BioSante or the Company shall terminate this Agreement pursuant to *Section 9.01(b)(i)*, and (y) the failure of the Effective Time to occur on or prior to the Termination Date is not primarily attributable to any action or inaction by, or any event, occurrence, development, change or effect related to, BioSante or any of its subsidiaries, whether or not in compliance with or in violation of this Agreement (including, but not limited to, unresolved SEC comments on the Registration Statement related to BioSante), (B) prior to the time of such termination an Acquisition Proposal shall have been publicly made known or publicly announced with respect to the Company and not publicly withdrawn at least five (5) business days prior to such termination, and (C) within twelve months after the date of such termination the Company enters into a definitive acquisition agreement (other than a confidentiality agreement) with respect to (and subsequently consummates), or consummates a transaction contemplated by, an Acquisition Proposal (changing the 20% amount referred

68

to in the definition of “Acquisition Proposal” to 50% for purposes of this *Section 9.03(b)(iii)(C)*, and whether or not such Acquisition Proposal referred to in this *Section 9.03(b)(iii)(C)* is the same as the original Acquisition Proposal referred to in *Section 9.03(b)(iii)(B)*);

(iv) if (A) BioSante or the Company shall terminate this Agreement pursuant to *Section 9.01(b)(iii)(A)*, (B) prior to the time of such failure to so adopt this Agreement an Acquisition Proposal shall have been publicly made known or publicly announced with respect to the Company and not publicly withdrawn at least five (5) business days prior to such failure, and (C) within twelve months after the date of such termination the Company enters into a definitive acquisition agreement (other than a confidentiality agreement) with respect to (and subsequently consummates), or consummates, a transaction contemplated by an Acquisition Proposal (changing the 20% amount referred to in the definition of “Acquisition Proposal” to 50% for purposes of this *Section 9.03(b)(iv)(C)*, and whether or not such Acquisition Proposal referred to in this *Section 9.03(b)(iv)(C)* is the same as the original Acquisition Proposal referred to in *Section 9.03(b)(iv)(B)*);

then the Company shall pay to BioSante (A) prior to or concurrently with the termination of this Agreement if payable pursuant to *Section 9.03(b)(ii)*, or (B) promptly (but in any event no later than one (1) business day) after the consummation of the transactions contemplated by such definitive acquisition agreement or the consummation of such Acquisition Proposal with respect to the termination of this Agreement if payable pursuant to *Section 9.03(b)(i)*, *Section 9.03(b)(iii)* or *Section 9.03(b)(iv)*, a fee of \$1,000,000 (the “Termination Fee”), minus any Expenses paid pursuant to *Section 9.03(c)* hereof, which amount shall be payable in immediately available funds.

(c) The Company agrees that if BioSante shall terminate this Agreement pursuant to *Section 9.01(c)(i)*, *Section 9.01(c)(ii)* or *Section 9.01(c)(iii)* then the Company shall, whether or not any payment is made pursuant to *Section 9.03(b)*, reimburse BioSante for all of its Expenses actually incurred, up to a maximum of \$500,000 (not later than three business days after submission of statements therefor). BioSante agrees that if the Company shall terminate this Agreement pursuant to *Section 9.01(d)(i)*, *Section 9.01(d)(iii)* or *Section 9.01(d)(iv)* then BioSante shall reimburse the Company for all of its Expenses actually incurred, up to a maximum of \$500,000 (not later than three business days after submission of statements therefor).

(d) The Company and BioSante acknowledge that the agreements contained in this *Section 9.03* are an integral part of the transactions contemplated by this Agreement. In the event that the Company or BioSante shall fail to pay the Termination Fee, or the Company or BioSante shall fail to pay any Expenses, when due, the term “Expenses” shall be deemed to include the costs and expenses actually incurred or accrued by BioSante or the Company, as the case may be, (including fees and expenses of counsel) in connection with the collection under and enforcement of this *Section 9.03*.

(e) BioSante agrees that if the Company shall terminate this Agreement pursuant to *Section 9.01(d)(iii)* or *Section 9.01(d)(iv)* and within twelve months after the date of

such termination BioSante enters into a definitive agreement (other than a confidentiality agreement) with respect to (and subsequently consummates) a debt or equity financing transaction that results in net proceeds to the Company equal to at least 85% of the Target Net Cash applicable on the earlier of (i) the date that the BioSante Board makes a Change in BioSante Recommendation, or (ii) the date that the Company terminates this Agreement pursuant to *Section 9.01(d)(iv)*; then BioSante shall pay the Company promptly (but in any event no later than one (1) business day) after the consummation of the applicable debt or equity financing transaction, a fee in an amount equal to \$1,000,000, minus any Expenses paid pursuant to *Section 9.03(c)*, which amount shall be payable in immediately available funds.

SECTION 9.04. *Amendment.* Except as may otherwise be provided herein, any provision of this Agreement may be amended by the parties hereto by action taken by or on behalf of their respective Boards of Directors at any time prior to the Effective Time; *provided*, that, after either of the Company Stockholder Approval and the BioSante Stockholder Approval have been obtained, no such amendment shall be made that under applicable Law requires further approval by the stockholders of the Company or the stockholders of BioSante, as applicable, without such approval having been obtained. This Agreement may not be amended except by an instrument in writing signed by each of the Company and BioSante.

SECTION 9.05. *Waiver.* At any time prior to the Effective Time, any party hereto may (a) extend the time for the performance of any obligation or other act of any other party hereto, (b) waive any inaccuracy in the representations and warranties of any other party contained herein or in any document delivered pursuant hereto, and (c) subject to the proviso in the first sentence of *Section 9.04* and to the extent permitted by applicable Law, waive compliance with any agreement of any other party or any condition to its own obligations contained herein. Any such extension or waiver shall be valid if set forth in an instrument in writing signed by the party or parties to be bound thereby.

RECITALS:

WHEREAS, the Company and BioSante are entering into an Agreement and Plan of Merger (as amended from time to time, the “Merger Agreement”), dated as of the date hereof, providing for, among other things, the merger of the Company with and into BioSante, with BioSante continuing as the surviving corporation (the “Merger”);

WHEREAS, as of the date hereof, Stockholder is the Beneficial Owner (as defined below) of, and has the sole right to vote and dispose of, that number of shares of common stock (the “Company Shares”) of the Company set forth beside Stockholder’s name on Schedule A hereto; and

WHEREAS, concurrently with the entry by the Company and BioSante into the Merger Agreement, and as a condition and inducement to the willingness of BioSante to enter into the Merger Agreement and incur the obligations set forth therein, BioSante has required that Stockholder enter into this Agreement;

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties, covenants and agreements contained herein, the parties hereto, intending to be legally bound, hereby agree as follows:

ARTICLE I DEFINITIONS

Capitalized terms used but not defined in this Agreement are used in this Agreement with the meanings given to such terms in the Merger Agreement. In addition, for purposes of this Agreement:

“Affiliate” means, with respect to any specified person, a person who, at the time of determination, directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such specified person. For purposes of this Agreement, with respect to Stockholder, “Affiliate” shall not include the Company and the persons that directly, or indirectly through one or more intermediaries, are controlled by the Company. For the avoidance of doubt, no officer or director of the Company shall be deemed an Affiliate of another officer or director of the Company by virtue of his or her status as an officer or director of the Company.

“Beneficially Owned” or “Beneficial Ownership” with respect to any securities means having beneficial ownership of such securities (as determined pursuant to Rule 13d-3 under the Exchange Act, disregarding the phrase “within 60 days” in paragraph (d)(1)(i) thereof), including pursuant to any agreement, arrangement or understanding, whether or not in writing.

Without duplicative counting of the same securities, securities Beneficially Owned by a person shall include securities Beneficially Owned by (i) all Affiliates of such person, and (ii) all other persons with whom such person would constitute a “group” within the meaning of Section 13(d) of the Exchange Act and the rules promulgated thereunder.

“Beneficial Owner” with respect to any securities means a person that has Beneficial Ownership of such securities.

“person” shall have the meaning ascribed thereto in the Merger Agreement.

“Subject Shares” means, with respect to Stockholder, without duplication, (i) the Company Shares owned by Stockholder on the date hereof as described on Schedule A, and (ii) any additional Company Shares acquired by Stockholder or over which Stockholder acquires Beneficial Ownership from and after the date hereof, whether pursuant to existing stock option agreements or otherwise.

“Transfer” means, with respect to a security, the sale, transfer, pledge, hypothecation, encumbrance, assignment or disposition of such security or the Beneficial Ownership thereof, and each option, agreement, arrangement or understanding, whether or not in writing, to effect any of the foregoing. As a verb, “Transfer” shall have a correlative meaning.

ARTICLE II COVENANTS OF STOCKHOLDER

Section 2.1 Irrevocable Proxy. Concurrently with the execution of this Agreement, Stockholder agrees to deliver to BioSante a proxy in the form attached hereto as Exhibit A (the “Proxy”), which shall be irrevocable to the extent provided in Section 212 of the Delaware General Corporation Law (the “DGCL”), with respect to the Subject Shares referred to therein.

Section 2.2 Agreement to Vote.

(a) At any meeting of the stockholders of the Company held prior to the Expiration Date (as defined in Section 5.13), however called, and at every adjournment or postponement thereof prior to the Expiration Date, or in connection with any written consent of, or any other action by, the stockholders of the Company given or solicited prior to the Expiration Date, Stockholder shall vote, or provide a consent with respect to, all of the Subject Shares entitled to vote or to consent thereon (i) in favor of the adoption of the Merger Agreement, and any actions required in furtherance thereof and (ii) against any Acquisition Proposal, against any amendment of the Company’s Certificate of Incorporation or Bylaws or any other proposal or transaction involving the Company, the purpose of which amendment or other proposal or transaction is to delay, prevent or nullify the Merger or the transaction contemplated by the Merger Agreement or change in any manner the voting rights of any capital stock of the Company, and against any other action or

(b) Stockholder shall not enter into any agreement with any person (other than BioSante) prior to the Expiration Date (with respect to periods prior to or after the Expiration Date) directly or indirectly to vote, grant any proxy or give instructions with respect to the voting of, the Subject Shares in respect of the matters described in Section 2.2 hereof, or the effect of which would be inconsistent with or violative of any provision contained in this Section 2.2. Any vote or consent (or withholding of consent) by Stockholder that is not in accordance with this Section 2.2 shall be considered null and void, and the provisions of the Proxy shall be deemed to take immediate effect.

Section 2.3 Revocation of Proxies; Cooperation. Stockholder agrees as follows:

(a) Stockholder hereby represents and warrants that any proxies heretofore given in respect of the Subject Shares with respect to the matters described in Section 2.2(a) hereof are not irrevocable, and Stockholder hereby revokes any and all prior proxies with respect to such Subject Shares as they relate to such matters. Prior to the Expiration Date, Stockholder shall not directly or indirectly grant any proxies or powers of attorney with respect to the matters set forth in Section 2.2(a) hereof (other than to BioSante), deposit any of the Subject Shares or enter into a voting agreement (other than this Agreement) with respect to any of the Subject Shares relating to any matter described in Section 2.2(a).

(b) Stockholder will (i) use all reasonable efforts to cooperate with the Company and BioSante in connection with the transactions contemplated by the Merger Agreement, and (ii) provide any information reasonably requested by the Company or BioSante for any regulatory application or filing sought for such transactions.

Section 2.4 No Solicitation.

(a) Stockholder acknowledges that the Company is subject to the non-solicitation prohibitions set forth in Section 7.05 of the Merger Agreement and that the Stockholder has read and understands the terms thereof.

(b) Notwithstanding anything to the contrary contained in this Agreement, (i) the provisions of this Section 2.4 apply solely to Stockholder when acting in his, her or its capacity as a stockholder of the Company and not when acting as an officer or director of the Company (it being understood that the Company has separate and independent obligations to BioSante under the Merger Agreement, including, without limitation, Section 7.05 thereof); and (ii) none of the provisions of this Section 2.4 shall be construed to prohibit, limit or restrict Stockholder from exercising Stockholder's fiduciary duties to the Company and/or its stockholders by voting as a director or taking any other action whatsoever in Stockholder's capacity as a director or officer of the Company.

Section 2.5 No Transfer of Subject Shares; Publicity. Stockholder agrees that:

(a) Stockholder (i) shall not Transfer or agree to Transfer any of the Subject Shares or, with respect to any matter described in Section 2.2(a), grant any proxy or

power-of-attorney with respect to any of the Subject Shares, (ii) shall take all action reasonably necessary to prevent creditors in respect of any pledge of the Subject Shares from exercising their rights under such pledge, and (iii) shall not take any action that would make in a material respect any of its representations or warranties contained herein untrue or incorrect or would have the effect of preventing or disabling the Stockholder from performing any of its material obligations hereunder. Notwithstanding the foregoing, Stockholder may Transfer and agree to Transfer any of the Subject Shares provided that each person to which any such Subject Shares are Transferred shall have (x) executed a counterpart of this Agreement and a Proxy in the form attached hereto as Exhibit A (with such modifications as BioSante may reasonably request), and (y) agreed in writing to hold such Subject Shares subject to all of the terms and conditions set forth in this Agreement.

(b) Unless required by applicable Law or permitted by the Merger Agreement, Stockholder shall not, and shall not authorize or direct any of its Affiliates or Representatives to, make any press release or public announcement with respect to this Agreement or the Merger Agreement or the transactions contemplated hereby or thereby, without the prior written consent of BioSante in each instance.

**ARTICLE III
REPRESENTATIONS, WARRANTIES AND ADDITIONAL COVENANTS
OF STOCKHOLDER**

Stockholder represents, warrants and covenants to BioSante that:

Section 3.1 Ownership. Stockholder is the sole Beneficial Owner and the record and legal owner of the Subject Shares identified on Schedule A and such shares constitute all of the capital stock of the Company Beneficially Owned by Stockholder. Stockholder has good and valid title to all of such shares, free and clear of all Liens, claims, options, proxies, voting agreements and security interests and has the sole right to such Subject Shares and there are no restrictions on rights of disposition or other Liens pertaining to such Subject Shares. (b) Assuming due authorization, execution and delivery of this Agreement by BioSante, this Agreement has been duly and validly executed and delivered by Stockholder and constitutes the legal, valid and binding obligation of Stockholder, enforceable against Stockholder in accordance with its terms except (i) to the extent limited by applicable bankruptcy, insolvency or similar laws affecting creditors' rights and (ii) the remedy of specific

4

(c) Stockholder is not nor will it be required to make any filing with or give any notice to, or to obtain any consent from, any person in connection with the execution, delivery or performance of this Agreement or obtain any permit or approval from any Governmental Authority for any of the transactions contemplated hereby, except to the extent required by Section 13 or Section 16 of the Exchange Act and the rules promulgated thereunder.

(d) Neither the execution and delivery of this Agreement by Stockholder nor the consummation of the transactions contemplated hereby will directly or indirectly (whether with notice or lapse of time or both) (i) conflict with, result in any violation of or constitute a default by Stockholder under any mortgage, bond, indenture, agreement, instrument or obligation to which Stockholder is a party or by which it or any of the Subject Shares are bound, or violate any permit of any Governmental Authority, or any Law or Order to which Stockholder, or any of the Subject Shares, may be subject, or (ii) result in the imposition or creation of any Lien upon or with respect to any of the Subject Shares; except, in each case, for conflicts, violations, defaults or Liens that would not individually or in the aggregate be reasonably expected to prevent or materially impair or delay the performance by the Stockholder of its obligations hereunder.

(e) Stockholder has sole voting power and sole power to issue instructions with respect to the matters set forth in Article II hereof and sole power to agree to all of the matters set forth in this Agreement, in each case with respect to all of the Subject Shares, with no limitations, qualifications or restrictions on such rights.

Section 3.3 Total Shares. Except as set forth on Schedule A, Stockholder is not the Beneficial Owner of, and does not have (whether currently, upon lapse of time, following the satisfaction of any conditions, upon the occurrence of any event or any combination of the foregoing) any right to acquire, and has no other interest in or voting rights with respect to, any Company Shares or any securities convertible into or exchangeable or exercisable for Company Shares.

Section 3.4 Reliance. Stockholder understands and acknowledges that BioSante is entering into the Merger Agreement in reliance upon Stockholder's execution, delivery and performance of this Agreement.

ARTICLE IV REPRESENTATIONS, WARRANTIES AND COVENANTS OF BIOSANTE

BioSante represents, warrants and covenants to Stockholder that, assuming due authorization, execution and delivery of this Agreement by Stockholder, this Agreement constitutes the legal, valid and binding obligation of BioSante, enforceable against BioSante in accordance with its terms, except (i) to the extent limited by applicable bankruptcy, insolvency or similar laws affecting creditors' rights and (ii) the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought. BioSante has the corporate power and authority to execute and deliver this Agreement and to perform its

5

The execution and delivery by BioSante of this Agreement and the consummation by BioSante of the transactions contemplated hereby have been duly and validly authorized by BioSante and no other corporate proceedings on the part of BioSante are necessary to authorize this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by BioSante.

Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without affecting the validity or enforceability of the remaining provisions hereof. Any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable.

Section 5.7 No Third-Party Rights. Stockholder may not assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of BioSante. BioSante may not assign any of their rights or delegate any of their obligations under this Agreement with respect to Stockholder without the prior written consent of Stockholder. This Agreement will apply to, be binding in all respects upon, and inure to the benefit of each of the respective successors, personal or legal representatives, heirs, distributees, devisees, legatees, executors, administrators and permitted assigns of Stockholder and the successors and permitted assigns of BioSante. Accordingly, Stockholder agrees that, (a) it will waive, in any action for specific performance, the defense of adequacy of a remedy at Law, and (b) in addition to any other right or remedy to which BioSante may be entitled, at Law or in equity, BioSante will be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without posting any bond or other undertaking.

Neither any failure nor any delay by a party in exercising any right, power or privilege under this Agreement, the Proxy or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by Law, (a) no claim or right arising out of this Agreement, the Proxy or any of the documents referred to in this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in a written document signed by the other party, (b) no waiver that may be given by a party will be applicable except in the specific instance for which it is given, and (c) no notice to or demand on one party will be deemed to be a waiver of any obligation of that party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement, the Proxy or the documents referred to in this Agreement.

Section 5.10 Governing Law. This Agreement and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto will be governed by, construed under and interpreted in accordance with the Laws of the State of Delaware, without giving effect to principles of conflicts or choice of law.

Section 5.11 Consent to Jurisdiction. is not available, in the Court of Chancery of the State of Delaware, County of New Castle, and each of the parties hereby consents to the exclusive jurisdiction of those courts (and of the appropriate appellate courts therefrom) in any suit, action or proceeding and irrevocably waives, to the fullest extent permitted by Law, any objection which it may now or hereafter have to the laying of the venue of any suit, action or proceeding in any of those courts or that any suit, action or proceeding which is brought in any of those courts has been brought in an inconvenient forum. Process in any suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any of the named courts. Without limiting the foregoing, each party agrees that service of process on it by notice as provided in Section 5.2 shall be deemed effective service of process. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR

RELATING TO THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY.

Accordingly, Stockholder agrees that, (a) it will waive, in any action for specific performance, the defense of adequacy of a remedy at Law, and (b) in addition to any other right or remedy to which Cell Genesys may be entitled, at Law or in equity, Cell Genesys will be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without posting any bond or other undertaking.

Neither any failure nor any delay by a party in exercising any right, power or privilege under this Agreement, the Proxy or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by Law, (a) no claim or right arising out of this Agreement, the Proxy or any of the documents referred to in this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in a written document signed by the other party, (b) no waiver that may be given by a party will be applicable except in the specific instance for which it is given, and (c) no notice to or demand on one party will be deemed to be a waiver of any obligation of that party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement, the Proxy or the documents referred to in this Agreement.

FOR IMMEDIATE RELEASE

BioSante Pharmaceuticals and Cell Genesys Sign Definitive Merger Agreement

Merged Company Will Focus on LibiGel® in Phase III Clinical Studies for Female Sexual Dysfunction and Seek Future Opportunities for GVAX Immunotherapies

LINCOLNSHIRE, Illinois and SOUTH SAN FRANCISCO, California (June 30, 2009) — BioSante Pharmaceuticals, Inc. (NASDAQ: BPAX) and Cell Genesys (NASDAQ: CEGE), today announced that they have entered into a definitive merger agreement by which the companies will merge in an all-stock transaction, with BioSante as the surviving company.

Under the terms of the merger agreement, Cell Genesys stockholders will receive 0.1615 of a share of BioSante common stock for each share of Cell Genesys common stock they own. Based on the companies' closing stock prices on June 29, 2009, this represents \$0.347 per share of consideration to be received by the Cell Genesys stockholders, or a total consideration of approximately \$38 million, and a premium of 12 percent to the closing sale price of Cell Genesys' common stock on that date. Upon completion of the transaction, BioSante stockholders prior to the merger are expected to own approximately 60.4 percent of the outstanding shares of the combined company and the former Cell Genesys stockholders are expected to own 39.6 percent.

Stephen M. Simes, president and CEO of BioSante, and Phillip B. Donenberg, CFO of BioSante, will continue to serve in those positions in the merged company. Dr. Louis W. Sullivan, chairman of the board of BioSante, will continue in that position. It is anticipated that Stephen A. Sherwin, M.D., chairman and CEO of Cell Genesys, and John T. Potts, Jr., M.D., a current member of the Cell Genesys board, will join the board of the merged company upon completion of the merger.

The merged company will focus primarily on LibiGel, BioSante's testosterone gel in Phase III clinical development under a U.S. Food and Drug Administration (FDA) agreed Special Protocol Assessment (SPA) for the treatment of female sexual dysfunction (FSD). The merged company also will seek future development opportunities for GVAX Immunotherapies including potential combination with BioVant™, BioSante's vaccine adjuvant, as well as possible external collaborations, and also will seek to outlicense other Cell Genesys technologies. In addition, the merged company will acquire a 16 percent equity ownership position in Ceregene, Inc., a former subsidiary of Cell Genesys which is developing gene therapies for neurodegenerative disorders.

"This merger allows BioSante to secure additional funding required for the continued Phase III development of LibiGel for FSD and offers the potential to expand our product development portfolio with the addition of GVAX Immunotherapies," said Stephen M. Simes, BioSante's president and CEO. "LibiGel remains the only pharmaceutical product in the U.S. in active development for the treatment of hypoactive sexual desire disorder (HSDD) in menopausal women. We continue to believe that LibiGel can be the first product approved by the FDA for the common and unmet medical need of FSD with the completion of Phase III studies targeted for mid-to-late 2010. In addition, our company has had a long-standing interest in immunotherapy based on our proprietary vaccine adjuvant, BioVant, and we look forward to future value-creating opportunities for our stockholders based on Cell Genesys' technologies and other assets."

"Over the past several months, we have had the opportunity to evaluate a wide range of strategic alternatives for our company including several merger opportunities. After reviewing various strategic alternatives, engaging in

discussions with a number of other potential merger candidates and conducting extensive due diligence on BioSante's product development and business activities, our board of directors has voted to recommend a merger with BioSante," stated Stephen A. Sherwin, M.D, chairman and CEO of Cell Genesys. "We believe that BioSante's lead product, LibiGel, represents a compelling near term product opportunity with significant upside potential. We also are impressed with BioSante's record of achievement including the recent launch of Elestrin™ (estradiol gel) as well as their CaP nanotechnology platform which includes BioVant, a novel vaccine adjuvant with potential in immunotherapy."

The merger agreement has been approved unanimously by the boards of directors of both BioSante and Cell Genesys and will need to be approved by both BioSante's and Cell Genesys' stockholders. The merger is subject to customary closing conditions as well as a condition requiring Cell Genesys' net cash, less certain expenses and liabilities, to be a specified minimum amount as of 10 calendar days prior to the anticipated closing date of the merger.

As of June 23, 2009, Cell Genesys' cash balance was approximately \$36 million and BioSante's cash and cash equivalents balance was approximately \$6.2 million. As a result of Cell Genesys' recently completed exchange offer, Cell Genesys has outstanding approximately \$20.8 million of new 3.125% Convertible Senior Notes due in 2013 and \$1 million of the original 3.125% Convertible Senior Notes due in 2011.

The transaction is expected to be completed in the late third quarter or early fourth quarter of 2009. BioSante was advised in this transaction by Oppenheimer & Co. Inc. and Cell Genesys was advised by Lazard.

About BioVant

An adjuvant is a substance that, when added to a vaccine, enhances the vaccine's effectiveness by enhancing the body's immune response. In multiple studies, BioVant has been shown to be safe and cause minimal dose-dependent inflammation at the injection site, and has been shown both to prevent the manifestation of allergic response, and, to effectively 'switch off' established Th2-T-cell-associated allergic reactions. BioVant also may permit a reduction in the needed dosage of vaccine, thereby potentially improving the safety profile of the vaccine.

About GVAX Immunotherapies

GVAX cancer immunotherapies are non patient-specific therapies comprised of whole tumor cells that have been modified to secrete GM-CSF (granulocyte-macrophage colony-stimulating factor), an immune stimulatory cytokine, and then irradiated for safety. GVAX is administered via intradermal injections on an outpatient basis. To date, over 1000 patients have been treated in clinical trials with different GVAX cancer immunotherapies for various types of cancer. Although phase III trials in prostate cancer were discontinued in 2008, phase II trials under physician investigator sponsored-INDs are ongoing at the Sidney Kimmel Cancer Center at Johns Hopkins Hospital in pancreatic cancer, leukemia and breast cancer.
